From Friday's Daily.

The Platte Mutual Insurance company of this city has made a very pleasing record for prompt payment of their policies, as G. L. This company has always dealt fairly with its shareholders and meet each loss promptly, and as it has reduced the rate of insurance to the city nearly 100 percent it is entitled to a liberal patronage from the citizens of Plattsmouth. The company has their office in this city in the Dwyer building and the efficient secretary, Mr. J. C. ## BOX SOCIAL PROVES A BIG SUCCESS

From Friday's Daily.

The box social at the Woodbine school in district No. 29 last Saturday evening was a decided success. The program consisted of a large number of songs, recitations and dialogues, and was greatly enjoyed by the large crowd in attendance. This was the first box social in Woodbine school for ten years and the community surely was glad to find it a success. The teacher of this district is Mathilde Donat, and she and the pupils are surely satisfied with the amount earned, which happened to be \$54.00. The popular young lady was Marie Kaffenberger. The contest was between Miss Donat and Miss Kaffenberger, but Marie proved to be the lucky one. Miss Kaffenberger was the happiest young lady at the school house. The boxes were very numerous and some of them were beautiful. Miss Donat wishes to thank those who so kindly assisted in making this occasion a success and hopes they may be able to spend another such a happy evening together at the school house.
