POPULAR YOUNG CASS COUNTY PEOPLE ARE MARRIED AT ELMWOOD

The following account of the wedding of two prominent popular Cass county young people will be of interest to many friends throughout the county, where they have resided during their lifetime:

On Wednesday evening, December 24, at 4 o'clock, Mr. Alpha Sutherland, daughter of Mrs. H. A. Bragg, and Mr. Earl Bennett of Alvo were united in marriage at the home of the bride in this city.

The bride was attired in a beautiful gown of pale blue crepe and the groom wore the conventional black. The bride and groom were the recipients of many pretty presents as well as valuable presences, who started to run, and the sincere and hearty good wishes of numerous friends.

Our next excursion leaves Plattsmouth, via the Missouri Pacific, January 6th, midnight on the Rio Grande Valley house a short distance away and Texas. All you fellows that "wished you'd a knowed it and my journey to Manley, you'd went along" the last time, you have the opportunity.

Fine Christmas Fish. Mr. and Mrs. Val Burkle were the recipients of a mighty fine pair of fish for their Christmas dinner. They were fine salt water bass, one weighing six and the other seven pounds, and came all the way from Tacoma, Wash., sent by a niece of Mr. Burkle's. They were sure quite a treat for Mr. and Mrs. Burkle.

ALMOST SERIOUS IF NOT FATAL ACCIDENT SUNDAY NIGHT

What might have terminated the happy young couple, in the presence of about fifty guests, was very beautifully rendered by Miss Minnie Sutherland, sister of the bride, and Miss Pearl Weich, near Miss "For Love's" Sweet Sake Manley. They were about three miles north of Nehawka, and acted as bridesmaid, and Mr. Alvo drove up to a bridge, not seeing that it was caved in, and in a few minutes the buggy had slid down the caved-in place, and the tongue of the buggy was broken, as well as several spokes in the wheels being splintered.

The accident greatly frightened the presences, who started to run, and the buggies and are feeling mighty out of the manner in which Pullman's got out of the accident. We place a guarantee with you and get you back in eight days. W. E. Rosencrans, Dryery. E. G. Dovey & Son.

FORMER CASS COUNTY GIRL MARRIES IN SALT LAKE CITY ON XMAS DAY

Among the weddings that characterized the Christmas season throughout the country was one in Salt Lake City that will be of much interest to Cass county people, in that the bride was a former resident of the county.

LOUISVILLE COUPLE MARRIED AT THE COURT HOUSE WEDNESDAY

At his office in the court house County Judge Allen J. Beeson, Wednesday afternoon united in the bonds of wedlock Swan Peterson, aged 53, and Miss Hilda Peterson, aged 28, both of Louisville. The parties arrived in the city on No. 4 Wednesday morning, and after taking in the sights of the city wended their way to the court house, where the license was secured, and then the judge was requested to perform the ceremony that was to make them one.

ENJOYABLE TIME AT THE GERMAN HOME SATURDAY EVENING

There was a most enjoyable time Saturday evening at the German Home, when the members of the Plattsmouth Turnverein, together with the members of the Sons of Herman and Germania Lodge No. 81, A. O. U. W., gathered together to enjoy a social evening, and one of the best times that could be imagined was enjoyed by the large crowd present.

CASTORIA For Infants and Children. The Kind You Have Always Bought Bears the Signature of J. C. Watson

"The Two Orphans." "The Two Orphans," perhaps the most successful melodrama ever written, was the attraction at the Berebel for two performances yesterday. Two fair-sized audiences followed the story of the adventures of the two girls in the underworld of Paris.

CASS COUNTY AHEAD OF OTOE IN PUBLIC IMPROVEMENTS

C. E. Heebner was interviewed in Nebraska City, one day last week and the Press, in commenting on what Mr. Heebner said, gives Cass county credit with being ahead of Otoe in several respects. This county has a poor farm of 120 acres that has been self-supporting for a number of years, under the efficient management of Mr. Tams, while Otoe county with a full quarter section of fine land does not come anywhere near making both ends meet.

ENTITLED TO A GOOD SENTENCE FOR CARRYING A BUTCHER KNIFE

This morning Marshal C. M. Seybert of Louisville came in on No. 4 bringing with him a countryman of President Hearst, who was discovered at Louisville carrying a large-sized knife with which he was threatening to cut several large sections out of his friends, it is claimed, and the justice of the peace concluded it would be a good idea to send him here to await in jail the judgment of the higher court as to his carrying the weapon.

Rural Mail Carrier Thankful. Mynard, Neb., Dec. 23, 1913. The family of John Urish made the Mynard mail carrier a present of a fine lot of fresh sausage this week, for which we feel very thankful. Such kind acts as these make better mail carriers and makes the world better, too. It was the first present of this kind this Christmas and came just in time, as we were getting poor and feeling meat hungry. If Mr. Urish had not come to our rescue we were afraid that there would have been one mail carrier less. Mr. Urish's family remembers their mail carrier every year and is perfectly free during Christmas times. J. W. Young, Rural Mail Carrier, Mynard.

At the Parmele theater for one night only—Thursday, New Year's night—the strongest French melodrama ever written, "The Two Orphans."

FINE TREAT FOR THE INMATES OF THE CASS COUNTY POOR HOUSE

Yesterday afternoon the residents at the county farm, west of this city, were given a rare treat and one that will long be most pleasantly remembered by the old people who make their home there as being an occasion of great enjoyment, in the visit of the junior choir of the Methodist church, consisting of Misses Leona Dwyer, Florence Buttery, Zelma Tney, Hazel Tney, Gladys Hall, Ina Dalton, Kate Sattler, Mina Kaffenberger and Jessie Whelan. The young ladies gave a concert that was certainly a pleasure to hear and was deeply appreciated by the old people, as well as Superintendent G. H. Tams and wife. In addition to the visit of the choir the ladies of the Woman's Bible Class of the church sent to each resident at the farm a most acceptable Christmas present, which served to make the day's pleasure complete for these old folks, who are so feeble and aged as to make it impossible for them to secure much of the pleasures of the world, and the action of the choir and ladies of the Methodist church in sending out these gifts, as well as giving the concert, is one that could well be followed by other organizations of the different churches. The visit of the choir assisted greatly in helping out the plans of Superintendent Tams for a happy Christmas for the old folks and he expresses the most heartfelt thanks for the concert, as well as the gifts bestowed upon the residents at the farm.

FAMILY REUNION AND CHRISTMAS DINNER AT J. M. MEISINGER HOME

There was a very enjoyable family reunion held yesterday at the palatable country home of Mr. and Mrs. J. M. Meisinger, just south of Cedar Creek, when the children of this most estimable couple gathered under the parental roof to celebrate the Christmas day in enjoying a feast prepared for them by the old folks, and to say that the dinner was immense is putting it mildly, as there was a feast set out that was fit for a king, and the family spent one of its happiest days in getting together and wishing each other many more such happy occasions. Those who were in attendance at the reunion were: P. P. Meisinger, wife and family, of near Mynard; Rev. J. Heebner, of the Eight Mile Grove church; Frank Libershall, wife and little daughter, of Plattsmouth; J. G. Meisinger, wife and three children, Mike Hild, wife and children, of Plattsmouth; John M. Meisinger and family of near Mynard; L. W. Lorenz, wife and daughter, of Plattsmouth, and Henry Meisinger and family.
