Won Big Hatching Contest With a RAYO

What It Has Done for Others - the Rayo Will

"The Rayo I bought of you won for me in the contest conducted by Succes Farming, which included practically all of the best makes. I had only 71 fet eggs in the machine but I got 71 nice, hearty chicks, and raised 70 of th It never varied 3 degrees, and only used seven quarts of oil for two hatch — Mrs. Wim. Weaver, R. F. D. 1, Baltimore, Ohio.

An Expert Breeder Orders Another RAYO "I just made my first batch this season and hatched every fertile egg with the Rayo I got last season. Enclosed find an order for another machine complete. Send it as soon as possible, for I am in need of it badly, and I wouldlike to have the agency for same, as the machine I have has skinned all." — David Crowe, Breeder of S. C. Rhode Island Reds, Hanna City, Ill.

Beats All His Neighbors' Hatches "I am well pleased with the Rayo Incubator. I have no trouble from start to finish—no lamp to fill every morning, as with other machines. The Rayo heat is regulated in less than one hour, ready for the eggs, but with other makes of incubators I have been from 12 to 24 hours regulating the heat. This spring with the Rayo I hatched the highest percentage of fertile eggs in this neighborhood. Everyone who has seen my machine likes the looks of it at first sight."—James P.
