### ELMWOOD BOY STEALS A MARCH ON HIS FRIENDS AND GETS MARRIED

Thad Harry Green stole a march on his friends Sunday of last week when he went to Talcabasta, Neb., and was there married to Miss Della Weigert at the home of the bride's parents. But he is promised forgiveness by all, following his declaration that he will never do such a thing again. But few Elmwood people received advance information.

This paper is glad Mr. and Mrs. Green are to reside among us, and we join the hosts of friends in wishing them all that matrimony's estate holds in store for the select.—Leader-Echo.

He will be kept here for a few days until an effort can be made to locate his friends or find out for certain as to his residence, and if they cannot be found it is probable a complaint will be filed charging him with insanity with the county board of insanity.

## DEATH OF JAMES HASTINGS NEAR UNION

A Most Highly Respected Citizen and a Pioneer of Cass County.

(From the Union Ledger). One by one the old settlers are passing away, and during the past few years it seems that this vicinity has lost an unusual number, the death of James N. Hastings last Saturday taking another who was well known in this part of the county. Mr. Hastings had been in his usual good health until about six weeks ago, at which time he suffered from a very severe and prolonged hemorrhage of the nasal organs, and thereafter he seemed to lose vitality, although he was able to be up until late the night before his death. Saturday morning he began sinking rapidly and passed peacefully away at 10:45. The funeral services were held in the M. E. church at 1 o'clock Monday afternoon, Rev. W. A. Taylor officiating, and by request of the widow he preached from Job 14-14, and by her request also the deceased's favorite hymn, "Safe in the Arms of Jesus," was sung by the minister's daughter, Mrs. Charles Hoback. Many friends, old and young were present to bid a last farewell to the venerable man whom they had known and loved so many years. Interment was made in the Union cemetery, northeast of this village, the pall-bearers being W. F. McCarroll, J. D. Bramblet, T. W. Swan, J. E. McCarroll, H. A. Chilcott and O. T. Davis.

James N. Hastings spent his early manhood in his native state of East Virginia, remaining in that state until he was 34 years old, and it was there that he was first married September 1, 1855, to Martha A. Craft, and to this union five children were born, one dying in fancy; those surviving being George Hastings of Spearfish, S. D.; R. C. Hastings of Farnam, Neb.; Martha F. Lynn of Union, and Mary J. Folden of Lead, S. D., all of whom were here during the last hours of their father's life. The wife died in Ohio in the year 1870, and his second marriage was October 24, 1876, to Mary E. F. Hastings, who survives him at the age of nearly 83 years. Mr. Hastings while a resident of Virginia enlisted and served four years in the civil war, and after his discharge he returned home, and some years later he, with his family, located in Galia county, Ohio, where they resided until 1871, at which time he moved to Nebraska, and this state had been his home ever since excepting about ten years which he spent in the gold fields of Dakota, then known as the Black Hills district. A few years ago he and his wife secured a comfortable home in this village and have been honored members of the social and religious organizations of this place. Mr. Hastings when only a small boy became a member of the United Brethren church, and after coming to Nebraska he placed his membership with the M. E. church, not being located so that he could conveniently attend the U. B. church, and he has always been an active and consistent member, attending whenever possible and using his influence for the betterment of the community. A jovial and generous old gentleman, he was highly esteemed by old and young, and the loss of such a valuable citizen is felt by the citizens in general, as well as by the relatives.

### Some Fine Cattle.

About five months ago C. C. Parmele, representing the Parmele Ranch Co., sold J. W. and P. E. Tritsch sixty-five head of cattle, at \$75 per head, what then seemed to be a very high price, although the stock were of extra fine breeding, and made an excellent showing for feeders. These same cattle today, after about five months' feeding, were placed on the South Omaha market, and were sold at the top, bringing \$9.10. They made an average of 1,440 pounds, a gain in weight of 420 pounds from the time they were placed in the feed lot. The average price paid for the 65 head was \$131, giving the Messrs. Tritsch a gain of \$66 per head for their time and feed. This is certainly some cattle feeding.

### BERT FICKLER TO RUN FOR SHERIFF OF STANTON COUNTY, NEB.

A former Cass county young man is getting into the limelight of politics in the northern part of the state in the person of Albert Fickler of Stanton county, a son of Mr. and Mrs. Godfrey Fickler, residing on a farm south of this city, where Bert, as he is familiarly known to his friends, resided for years before his removal to Stanton county several years ago. Since he has been a resident of that part of the state he has been quite active in the political life of the community and by his splendid traits of character has made many friends, who have placed him in the race for the office of sheriff of that county, and from all reports from that locality Bert will give a good account of himself in securing the required number of votes to give him the office he has gone after. If the voters of Stanton county select Mr. Fickler for the honor of being sheriff of their county they can rest assured that they will have a man of honor and integrity and one who will be fearless in the discharge of the duties of his office.

The contest for the miniature automobile which was on display at the store of H. M. Soennichsen, and which was to be given to the holder of the largest number of coupons secured from packages of Iten's crackers, attracted a great deal of attention among the youngsters throughout the city and there was much work done by the different contestants for the prize. The award was made Saturday night when the votes were counted, and Hilt Martin captured the little auto and was about the happiest little lad in town over the prize. ## A MATTER THAT NEEDS THE IMMEDIATE ATTENTION OF THE AUTHORITIES

From Saturday's Daily.

There is one part of the city that greatly needs the attention of the city officials in fixing up, and that is Chicago avenue from Pearl street south to just below Marble street, as if it is not improved as soon as possible, it will in the spring be a regular bog of soggy mud and filled with deep holes that may result in serious injury to either man or beast or perhaps both. This is perhaps the most extensively traveled roadway in the city and should be kept up in good shape, as it furnishes the means for the travelers from the south and west parts of the county to reach the city to do their trading and it would not require a great outlay to see that it is kept up as it should be and the holes filled up and the thoroughfare rounded up so as to permit the water and mud to dry up quickly, instead of standing there for days and weeks, as it has in past seasons, and make the roadway almost impassable for teams and wagons and practically shut off the travel over the avenue. The upper part of the avenue south of Marble street is not so bad and travel over this part of the road is an easy matter, but along the section north of Marble street the waste water from the hills, which has been allowed to run down on the roadway, transforms it into anything but a good roadway. This should be looked after at once, as it is vital to the best interests of the city, and there should be no hesitation in the matter at all.
