ST. MARY'S GUILD TO SELL CARNATIONS

Ladies of St. Mary's Guild Will
Hold Sale Saturday, May 9,
for Mothers' Day.

The ladies of St. Mary's Guild held a very pleasant and profitable session yesterday afternoon at the handsome home of Mrs. W. A. Robertson, on North Sixth street, who was assisted in entertaining by Miss Mable White. The ladies engaged as usual in the making of dainty articles of needlework for several hours and in delightful social conversation that served to pass the time most pleasantly for all who attended the meeting.

One of the chief matters to have the attention of the ladies was that of the annual carnation sale, which is held by the ladies of this church each year on the Saturday preceding Mothers' Day, and the arrangements were completed for holding this event on Saturday, May 9th, at which time they will have on sale some of the best and finest carnations possible to secure and will offer them for sale in order that everyone may have one of these emblems of honor to man's best friend—his mother. The ladies will doubtless meet with much success in this line, as during the past several years they have held their sale and everyone looks forward to it with interest.

Electric Bitters makes you feel like new. Start a four weeks' treatment—it will put you in fine shape for your spring work. Guaranteed. All Druggists, 50c and \$1.00. H. E. Bucklen & Co., Philadelphia or St. Louis.

RALPH WHITE AND WIFE OF VICTORIA, TEXAS ARE VISITING IN TOWN

From Tuesday's Daily.
Ralph White and wife of Victoria, Texas, arrived here last evening over the Missouri Pacific and will visit for a short time at the home of Mr. White's parents, Mr. and Mrs. A. W. White, in this city. Ralph is at present district manager of the Bell Telephone company in the territory surrounding Victoria, and has been most successful in his handling of the business for his company, having received several deserved promotions since he left this city several years ago to take up the telephone work in the southern field. The many friends here of Mr. White were pleased to meet him, as well as his charming wife, Mr. and Mrs. J. C. Thygeson of Nebraska City and their little son are also here visiting at the White home.

JOE HIBER HAS HIS WRIST BROKEN BY AUTOMOBILE

From Wednesday's Daily.
This morning while the force of plumbers employed by John Bauer were en route to the county farm, where they are engaged in finishing up the work on the new building, their auto wagon, in which they were riding stopped and to start the machine Joe Hiber, Jr., got out and essayed to crank it up, and with the result that the crank flew back and laid Joe up with a broken wrist of his right arm. The fracture was a very severe one and will lay him up for some weeks. As soon as the accident occurred Mr. Hiber returned and had the injured member set and pressed and will spend a short time enjoying a lay-off from his duties at the Bauer plumbing establishment.

STOCKHOLDERS UNANIMOUSLY AP- PROVE NEW CLOCK

Vote to Support Policy of Their
Managers—Meeting Largely
Attended.

From Wednesday's Daily.
Nearly every one of Platts-mouth's fifty stockholders in the A. W. South Manufacturing Company assembled at the Hotel Riley Tuesday evening and fully demonstrated their faith in the successful future of the Vertical Dial Advertising Clock, and the well calculated plans for placing it in operation in all the large cities of the United States.

monial of faithful appreciation Mr. Stone made graceful acknowledgement and won still further approval for the new policies by declaring that the managers would never relinquish their efforts while sustained and inspired by the spirit shown at this meeting.

Messrs. Stone and Bowen and Secretary A. J. Neitzel have concluded the important business which has kept them in Platts-mouth for a week and are now in Havelock, where some eleven stockholders of their company will become better acquainted with the New Vertical Dial Advertising Clock and the well calculated plans for placing it in operation in all the large cities of the United States.

From the showing made by the managers while here, in the great improvement brought about by them in the Vertical Dial Advertising Clock, and in the arrangements made for establishing it permanently as a popular institution, it is reasonable to believe that the stockholders will have no occasion to regret any sacrifices they may have made to hold the organization together and rebuild it on a better and firmer basis.

REV. J. M. EMBREE DELIVERED A SPLENDID SERMON LAST SUNDAY

Rev. J. M. Embree, district superintendent of the M. E. church delivered a splendid sermon last Sunday afternoon at the M. E. church in Myard. And it was the expression of many that there was much good in it and that they would be glad to hear him again. We are also glad to acknowledge that Brother Eads, pastor of the Liberty M. E. church, and a good number of his people were with us, and hope that we may be able to meet often in the future.

BASE BALL TEAM HOLDS FINE MEETING

Officers Are All Re-elected for the
Ensuing Year and Much
Enthusiasm Displayed.

From Wednesday's Daily.
The Plattsmouth Base Ball association held their meeting last evening at the store of Wargal & Schudice, and there were quite a number of fans, as well as prospective members of the team, present to take part in the proceedings of the meeting.

The matters of chief importance of the evening was the election of the officers for the ensuing year, and the present efficient officers were all re-elected for the coming season to guide the destinies of the club, as follows: Thomas Walling, president; H. N. Dovey, secretary and treasurer, and Ed Weaver as cashier at the park. Manager C. S. Johnson, who rendered such splendid services in the handling of the team, was unanimously re-elected to the position of manager for the ensuing year, and will be on the job in arranging the different games that the boys will take on during the season.

The question of electing the captain of the team was deferred until later, as this is a matter in which the players themselves will be called upon to decide, and it was thought best to wait until the team was lined up in better shape before making the choice, as there are a number of very able men on the team who could fill the position with much success.

There will be another meeting of the club held on Friday evening, at which time the organization of the players will be taken up and discussed and plans for the playing season more fully outlined. There is a great deal of interest manifested throughout the city over the organization of the base ball team and everyone is anxiously awaiting the time for the spring practice to

BAD ACCIDENT TO LITTLE OLIVER HALLAM AT OMAHA LAST THURSDAY

From Tuesday's Daily.
Last evening Miss Carrie Oliver returned from Omaha, where she has been for the past few days visiting with her sisters in that city. Miss Oliver had intended returning home before, but owing to a very unfortunate accident that befell little Oliver Hallam she was compelled to remain there. On last Thursday while the little boy was playing around he fell and fractured his left arm in a very severe manner, which necessitated a great deal of trouble to set properly. The little man suffered a great deal of pain from the injury and desired his aunt to remain and comfort him in his affliction.

ANOTHER DEATH IN THE PETERSON FAMILY TODAY

This Afflicted Family Are Having
Their Share of Trouble Since
Coming Home.

This morning at 11 o'clock the second child of Mr. and Mrs. Peterson at the Burlington boarding cars near the depot passed away as a result of diphtheria, the disease that caused the death of a younger sister on Sunday night. The girl was taken sick last Saturday morning at the same time as her younger sister, and steadily grew worse despite all that medical aid could do and it was recognized that her death was almost certain, as the disease had gained great headway when taken in hand. The girl was about 16 years of age. The older sister, the sole surviving child of the family, is also down with the malady, but it is thought that she will recover, as the disease was not so far advanced when she was given treatment. The parents will have the deepest sympathy of everyone in the community in the double bereavement that has befallen them, in less than a week, and which has taken two of their children from their midst. The funeral of the little girl will be strictly private on account of the disease, and will be held as soon as possible, owing to the danger of others catching the disease.

FIRE ALARM CAUSES MUCH EXCITEMENT

There was considerable excitement created this morning when the fire alarm was sounded for the Fourth ward and a large number of the citizens hastened to the residence of H. W. Clement, where it was reported the fire was raging, but it developed that it was the residence of Fred Egenberger, adjoining the Clement place, where a defective flue had caused the roof to catch fire, and quite a place was burned there before the blaze was discovered by Mrs. Brandt, who resides there, and as soon as the fire was discovered she gave the alarm and some men driving past the house hastened in and with a bucket brigade succeeded in getting the fire out in a very few minutes before the fire department arrived on the scene. There was considerable confusion caused in the giving of the fire alarm, as the report was telephoned to the shops that it was in the East Fourth ward, when it should have been the west side of the ward, and as a consequence it was difficult for the fire department to get started right. This is a matter that should receive attention and the exact location of the fire ascertained before the alarm is turned in, as it causes a great deal of delay that might result seriously some time.
