## DEATH OF LITTLE SON OF MR. AND MRS. ALBERT JANDA AT LAWRENCE, NEB

A telephone message was received in this city last evening by relatives announcing the death at Lawrence, Neb., of the little 15-months-old son of Mr. and Mrs. Albert Janda, who reside near that city. The little one had evidently been ill only a few days, as no word of his sickness had been conveyed to the relatives here. The cause of the death was given in the message as pneumonia. The death of the little one will be deeply felt here by the friends of the bereaved parents, as they resided here for several years and were married in this city. Mr. Janda is the son of John Janda, former street commissioner of this city, while his wife was formerly Miss Clara Jirousek. The funeral will be held Saturday morning at the Catholic church in Lawrence, and the interment made in the cemetery there, Miss Clara Jirousek, a sister of Mrs. Janda, departed this morning for that place to be present at the funeral.

## Chronic Stomach Trouble Cured.

There is nothing more discouraging than a chronic disorder of the stomach. Is it not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle? "About one year ago," says P. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Tablets, and since using them I have felt perfectly well. I had previously used any number of different medicines, but none of them were of any lasting benefit." For sale by all dealers.

There were a large number in attendance and the ladies were honored by having Comrades Windham, Glenn, Thrasher and Carter in attendance. The hours were very pleasantly whiled away in social conversation and playing the busy needle. The company sang a number of army songs, Mrs. Nanette Burkel presiding at the organ. ## IMPORTANT MATTERS

## DISCUSSED BY COUNCIL

(Continued From First Page.)

The finance committee of the city council reported the following claims against the city and warrants were ordered drawn for them, with the exception of the light company's bill, which was held over: John Fitzpatrick, salary, \$20; Ben Rainey, salary, \$75; Mike Lutz, street work, \$6.60; Charles McBride, same, \$4.50; Roy McBride, same, \$3.50; M. Archer, salary, \$30; Lincoln Telephone & Telegraph Co., rent for phones, \$5; Cass county, boarding prisoners and one commitment, \$10.70; I. N. Cummings, burying two dogs, \$1; Claus Roedel, burying one dog, 50 cents; Nebraska Light Co., light at city hall, \$1; Nebraska Light Co., street lighting, \$130; Frank Neumann, salary, \$65.

Mayor Sattler, in addressing the council, said that if the lights were not kept burning as they should that the city should not pay for them, and he quoted figures as to the lights that were out in the different parts of the city and he also stated that on one occasion the electric lights had not come on until 9:15 in the evening, and he did not think it right that the city be required to pay for these lights that were out, some of them for several weeks. Councilman Patterson arose and asked that the council establish some fixed policy in dealing with the light company, as at one meeting they would allow the bills and at the next hold them up for deduction, and the finance committee would like to have some settled plan to work upon in considering the matter. Lushinsky made the motion that the light company's bill be withdrawn from the bills to be allowed and that it be referred to the light committee to reduce the cost of the lights that were out of commission, but before this was voted upon Chairman Hallstrom of the light committee made the amendment that it be referred to the claims committee, as he and his committee were tired of having to try and get the bill reduced each month and indulge in a controversy with the light company each time. The question was settled by the adoption of the amendment of Mr. Hallstrom, and now Councilman Lushinsky and his committee will take up the task of trying to secure a more equitable settlement from the company.

Mayor Sattler called the attention of the council to the fact that the telephone company had not yet placed the extensions in the fire house at the city hall as per their agreement with the city, and he favored the passage of a resolution that if this was not done the city would remove the telephones from the police judge and city clerk's office, and on motion of Lushinsky the city clerk was instructed to notify the telephone company to have them installed by the first of April or to remove the telephones without any further delay.

The report of Chief of Police Rainey for the month showed that fifteen arrests were made in the month of February, with different dispositions made of the prisoners.

City Treasurer E. W. Cook reported to the council that there was a balance of some \$8,091.24 in the city treasury at the close of the last month and gave the value of the assets of the sinking fund of the city at \$10,000 invested in securities yielding the city a good per cent on their money.

After the reading of the report of the treasurer Councilman Hallstrom remarked in brief that as there was \$900 in the building fund he was in favor of purchasing the half of the city hall building which was owned by Mr. Egenberger, and on motion the matter was referred to the judiciary committee and the city attorney to look up and report back to the council.

Councilman Hallstrom asked the council what the board of health could do in regard to the diphtheria that was reported in the city, but was informed by the mayor that there was only one case so far reported, outside of the little Peterson girl, who had died.

The judiciary committee of the council, to which had been referred the matter of the request of a number of land owners near the water works to have their property declared out of the city, reported back that the petition was not worded in a manner suitable to the city, and requested that it be turned back to these parties to re-write in a manner that would be approved by the city.

Councilman Buttery stated that he had noticed the water of Fifth street running down onto the pavement at the Westcott and Schiltz corner, and desired to have it diverted so as to turn it in some other direction than into Main street.

The report of the census committee, including the report of Mr. Burnie, the census taker, with 4,367 names, was presented and this was the cause of a very interesting question being brought up, as when Mr. Lushinsky moved that the report be accepted and the committee discharged, Councilman Buttery arose and asked if Councilman Richey had the right to sign the report, as he had for the past two or three months been living outside of the ward he represented, living at the Hotel Riley, which is located in the First ward, and he called upon the city attorney for his opinion in the matter as to whether he was entitled to act as councilman. Mr. Tidd replied that Mr. Richey had informed him he was living there temporarily, but as the matter of the census had been referred to a committee, of which he was the chairman, he would have the

Mr. Tidd replied that Mr. Richey had informed him he was living there temporarily, but as the matter of the census had been referred to a committee, of which he was the chairman, he would have the

right to sign it, even if he had removed from the state.

Councilman Bajcek asked for further time to prepare the ordinance covering the beautifying of the city, but brought up another question of great importance, that of having a good walk from the city to the Oak Hill cemetery, and the great need of this can only be expressed by those who have walked out there.

Mr. Bajcek described the conditions of the walks and the places where there were no walks at all and made an earnest plea to have the city take some action in the matter that would give persons traveling there a decent place to walk. He was heartily seconded in the matter by Councilman Buttery, and the matter was referred to the park and improvement committee to canvass the matter with the taxpayers along the way there and secure their aid in the matter of putting in the walks.

## COMPLAINT FILED AGAINST BERT STEWART OF EAGLE, NEBRASKA

This morning a complaint was filed in the court of Justice M. Archer against Bert Stewart of Eagle, charging him with assault and battery upon the person of Ralph Johnson, manager of the grain elevator in Eagle. The assault occurred on Monday, it is claimed, when the men became involved in a dispute concerning some matters over the sale of grain. Stewart, it will be remembered, was in court last summer on a charge of assaulting a farmer named Fred Drum, a resident of the same neighborhood, but was found not guilty by Judge Archer. There has been considerable bad feeling in that locality, engendered by this case, and both sides have felt quite warm over it.
