Ask Your Dealer To Make It Good

If your dealer recommends and sells you an article which proves unsatisfactory, he ought to make it good.

But where he is not protected by the maker or jobber, he objects to making it good, as it means a money loss to him. This leads to arguments and unpleasantness.

Your dealer will make good without any question or argument whatever on any article bearing the three-color Double Guarantee tag, for we authorize him to do so and protect him financially.

The Wright & Wilhelmy Double Guarantee tag is placed only on quality hardware bearing the maker's name. Always order hardware bearing the Double Guarantee tag and then ask your dealer to replace any article that proves unsatisfactory. He will do it. Ask for Double Guaranteed goods.

TWO REPUBLICAN CANDIDATES FILE FOR COUNTY SUPT. OF SCHOOLS

From Tuesday's Daily. This morning the situation of county politics was enlivened by the entry into the arena for the office of county superintendent, at present held by Miss Mary E. Foster. J. L. Richey of this city, late last evening filed as a republican candidate for the position, and this morning A. L. Gash of Louisville entered his name as a republican candidate for the position. Mr. Richey served one term as principal of the High school in this city, while Mr. Gash is a member of the teaching force of the schools of Louisville. There has been no conspicuous candidates mentioned on the democratic side of the fence, as the present occupant of the office has shown no inclination to seek a re-election, and this leaves the early part of the fight between the republicans. The open season for voters is fast approaching and the candidates for the different offices propose to take full advantage of it to hunt out those who have not made up their minds, and attempt to enlist them in support of their candidacy, and from now on the situation will become warmer and warmer.
