"DETROITER" \$925.00

(Detroit-Remey Starting and Lighting System—\$125 Extra) Other Detroit Models at \$850.00.

The new 1914 Detroit is stream-line, bull-nosed, 32-horse power; with crown fenders, dash control; finished more handsomely than ever, in raven blue and light blue "gun-whale" stripe. A car that competes with the most expensive 4's on the market.

The Detroit full-floating rear axle is designed to withstand 2000 pounds of overload. The platform rear spring needs no shock absorbers. Last year all the Detroit cars in use averaged only \$3.81 per year for repair parts. The 32-horse-power, long stroke motor, in comparison to the light weight of the car, is more powerful than even the big 60's with their massive loads to carry.

LADIES AUXILIARY OF THE PRESBYTERIAN CHURCH HOLD MEETING

From Wednesday's Daily. The Ladies' Auxiliary of the First Presbyterian church held their regular meeting yesterday afternoon and were very pleasantly entertained by Mesdames M. B. Allison, E. H. Travis and A. G. Cole, at the pretty home of Mrs. Allison. There were a large number of the members and friends in attendance. During the afternoon a very interesting business session was held, at which time various plans for the future were made. After the business session Miss Emma Cummins furnished some very pleasing piano solos and Mrs. Glen Rawls vocal solos, which were greatly enjoyed by the large number fortunate enough to be present. The hostesses then served a delightful luncheon, they being assisted in serving by Misses Emma Cummins and Mary Rosencrans. A few moments devoted to an enjoyable social time and then the members and their friends dispersed, declaring Mesdames Travis, Cole and Allison to be splendid entertainers. The Allison home was prettily decorated with Easter lilies and house plants.

YOUNG PEOPLE HAVE GOOD TIME AT THE RIVER

From Wednesday's Daily. Last evening a crowd of merry-makers wended their way to the old Missouri river for a good time. On reaching the Burlington bridge about 5 o'clock a fast and furious game of base ball took place between the girls in the party, and the contest ended with no scores having been made on either side, and the ball calmly floated down the river. Next, boating was indulged in, and by courtesy of the ferryman the party was given a ride across the river on the ferry, which proved a very pleasing feature of the afternoon's amusement. At 6:30 a tempting luncheon was spread and the jolly crowd did ample justice to the good things to eat, and then, with a feeling of regret, wended their way homeward. Those taking part in the pleasures of the day were: Misses Leta Lair, Essie Buttery, Robin Richardson, Helen Livingston, Mary Wetenkamp, Mattie Gopen, Alice Brown, Frances Morley, Vera Propst, Nellie Cook, Urna Ganson, Grace Ficht, Messrs. Frank Rebal, Harris Cook, Edward Rebal, Elwood Buttery, Will Richardson, Arthur Wetenkamp and Dwight Propst.

WOODMEN CIRCLE DRILL TEAM GIVES A FINE DANCE

The Woodman Circle degree team last evening gave a most delightful dance at the A. O. U. W. hall, following the close of the regular lodge meeting, and a very large number of the young people of the city were present to take part in the pleasures of the evening and it can be most truthfully said that the young ladies who compose the degree team have given a most delightful dance and their manner of handling the large crowd afforded everyone an opportunity for a grand good time. The music for the dance was furnished by Miss Pearl Munn on the piano and Anton Bajcek on the drums. The merry dancers continued to enjoy the delights of the dance until the midnight hour when they departed for their homes, feeling that the occasion had been one of great pleasure.

EASTER EXERCISES AT CHRISTIAN CHURCH ARE WELL ATTENDED

From Tuesday's Daily. The children of the Christian Sunday school, under the guidance of Mrs. Luther Pickett, Mrs. O. C. Hudson, Miss Gressie Hackenberg and Miss Myra Stenner, put in the time faithfully for the past month in practice for the Easter exercises, and Sunday evening they surprised all who attended with the cleverness with which all performed their parts. The evening consisted of song, music and recitations, in which all of the younger portion of the school took part. The house was crowded and all seemed to enter into the Easter spirit. At the close Rev. Hollowell explained that the object of the exercises was to furnish a fund for the keeping of the children's and old people's home of the Christian church, of which there are a number maintained over the country. A goodly offering was realized.

J. W. Pittman of the vicinity of Union was attending to some business matters in this city today and was a pleasant caller at this office, and while here renewed his subscription and ordered the Plattsmouth Journal sent to his son, C. L. Pittman, at Kimberly, Idaho.
