EMIL PARKENING CELEBRATES HIS EIGHTEENTH BIRTHDAY ANNIVERSARY

From Tuesday's Daily.

A most pleasant surprise party was given Saturday evening at the home of Mr. and Mrs. Chris Parkening in honor of the eighteenth birthday anniversary of Emil Parkening, and the occasion, filled as it was with pleasure, will long be remembered by the young people most pleasantly. The evening was spent in playing games, as well as listening to a number of most pleasing musical numbers from the different talented musicians in the crowd of young people, Misses Rosa Schafer, Mattie Urish and Robin Richardson giving instrumental selections, while Misses Rosa Schafer, Mattie Urish, Pheme Richardson and Lena Philpot furnished the company with vocal selections, which were thoroughly enjoyed. The guests had all come with well filled baskets, and at the proper hour the delicacies were produced and a most tempting luncheon arranged, and after several hours of fun the jolly crowd departed for their homes. Those who participated in the delightful surprise were: Misses Mattie Terryberry, Lena Philpot, Rosa Schafer, Mattie and Lucille Urish, Florence, Pheme and Robin Richardson, Vera Propst, Elnora Heil, Lorine Meisinger, Mildred and Lenora Snyder, Helen and Emma Buechler, Rose and Lena Engelkemeier, Freda Wohlfarth, Florence and Mable Rummell, Marie Svoboda, Lulu and Katie Heil, Sophia Krazer, Clara and Margaret Parkening, Messrs. THE WOODMAN CIRCLE MEET AND HAVE A VERY FINE SOCIAL TIME

From Wednesday's Daily.

The Woodman Circle last evening held a meeting at the A. O. U. V. hall that was attended by a very large number of the membership of the order, and there was much interest shown in the gathering. The drill team of the order conducted three candidates into the mysteries of the lodge in their usual impressive manner, and thus the membership of this thriving lodge was increased as the result of the work of the officers and the deputy, who have labored long and faithfully for the betterment of the order here. At the close of the regular business session of the lodge the members enjoyed a most delightful social time for several hours in dancing and there were quite a number of the friends of the order present to take part in the pleasures of the evening. During the evening some very delicious refreshments were served which added a most pleasant feature to an evening of enjoyment, and it was a late hour when the members departed for their homes, feeling that as entertainers the Woodman Circle were right on to their business and to be there was certainly a rare pleasure.

Here From Greenwood.

From Tuesday's Daily. William Doud, one of the prominent young men from the west end of the county, came in this morning on No. 4 from his home at Greenwood and spent a few hours here. Mr. Doud while in the city called at the Journal office and renewed for the Old Reliable for another year. Mr. Doud is a very pleasant gentleman and his visit to the city was one much enjoyed by those who met him.

Goes to Rulo for Dedication.

From Wednesday's Daily. The Rev. Father M. A. Shine of St. John's church in this city, departed last evening on No. 2 for Rulo, Neb., where he goes to take part in the ceremonies of dedicating the Roman Catholic church in that place. Owing to the poor train service it required quite a fatiguing journey, with several long waits for Father Shine to reach his destination, being compelled to go to Forest City, Missouri, and wait there several hours for a train that would convey him across to Nebraska.

ATTENDS FUNERAL OF UNCLE NEAR EAGLE SATURDAY

Yesterday W. S. Wetenkamp of near Mynard was in the city for a few hours, and while here called at the Journal office and renewed his subscription to the daily for another year. Mr. Wetenkamp, wife and mother, Mrs. William Wetenkamp, and brother, Albert Wetenkamp, made an auto trip to Eagle on Saturday in the fine Inter-State touring car of Will's, being called there by the death of an uncle, Deitrich Schwegman, who passed away at his home near that village on Thursday last. After the funeral, which was held from the late home of the deceased, two miles west and four miles south of Eagle, the party returned home Sunday afternoon, visiting for the night with some relatives in Eagle. While making the trip through the county Mr. Wetenkamp says they noted the fine appearance of the crops, and that fall wheat in the western part of the county was as fine appearing as he ever saw it, and on every hand there were indications for a bumper crop. Mr. Wetenkamp is one of the progressive young farmers of the county and his judgment on the grain is good, and unless something unforeseen happens the crop this year will be a record-breaker.

AVENUES OF THE CITY SHOULD BE PUT IN GOOD SHAPE

Now that the summer season is drawing on apace the question of public improvements is one that will occupy the attention of the public of the city, and among these is the fact that the three avenues of the city, Chicago, Washington and Lincoln, should be kept in the best of condition for travel, as these three highways allow the people from the county to reach the business part of the city, and in order that they may experience no hardship in doing so it is necessary that these streets be kept in the best of shape. In this city the task of keeping the avenues graded up is a very difficult one, owing to the fact that the water from the numerous hills all runs onto these thoroughfares, and it makes the work of the street department quite strenuous, but there should be no effort spared to see that they are kept as smooth and free from ruts and gullies as possible and that the grader is run over them quite frequently to keep them in the best of shape.

WILLIAM URWIN OF LOUISVILLE BEFORE THE INSANITY BOARD

From Wednesday's Daily. This morning the county board of insanity had before them William Urwin, a resident of Louisville, who was brought down by Deputy Sheriff Manspucker, complaint having been filed against him by Marshal Seybert of that place for being insane. The man seems rational enough in most matters, but claims that he has been shot several times by the residents and neighbors, and on this point he is very much off his base mentally. He has an impression that he has been shot several times through the breast by Marshal Seybert and that others in that same village have made attacks on him. There were several present at the hearing from Louisville, who testified as to his actions on this point and his frequent assertions that he had been badly wounded. He is a man about 50 years of age and states he has a wife and family of six children. The testimony of the witnesses shows that on all subjects except the one of his being shot he is apparently as sound in mind as anyone. The board, after hearing the testimony in the case, decided to send him to the state hospital, where he will be given treatment in the hopes of restoring his former healthy mental state.

Mrs. C. S. Forbes was a passenger this morning for Omaha, where she will visit for the day with her friend, Mrs. E. R. Barstow.

WEDDING AT THE COURT HOUSE THIS MORNING

From Tuesday's Daily. This morning County Judge Beeson was called upon to perform the wedding ceremony that was to unite for life the hearts and fortunes of Mr. Charles F. Morrison of Denver, Colorado, and Mrs. Eliza McDonald of Glenwood. The bridal couple, accompanied by Mrs. Lida Hughes, arrived this morning on No. 15 from Glenwood and repaired at once to the court house, where they requested the necessary license to wed, and having heard of the able manner in which the judge performs his ceremonies, requested him to tie the matrimonial knot, which he did in his usual impressive manner, and the attorneys who were waiting to proceed with a case were compelled to suspend hostilities while Cupid reigned supreme in the judge's office. After the ceremony the newly wedded couple proceeded to take in the city while waiting for their train, and from their appearance were as happy as two youthful lovers on their honeymoon.

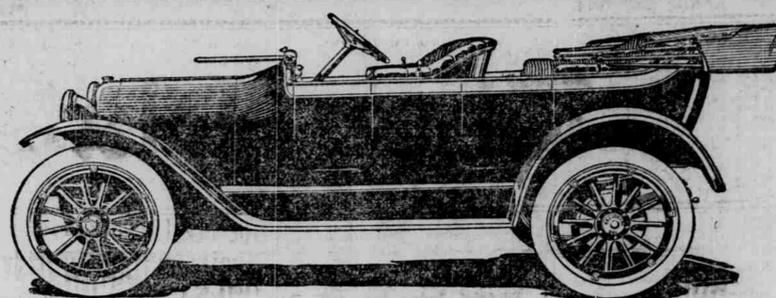

PIONEER LADY OF GREENWOOD DIES AT HER HOME

From Wednesday's Daily. Yesterday afternoon at her home in Greenwood, this county, Mrs. Catherine Armstrong, one of the oldest residents of the western portion of Cass county, passed away at the ripe age of 79 years. Mr. and Mrs. Armstrong came to Greenwood in June, 1868, and have resided there continuously since that time, the husband and father passing away there about four years ago. They are left to mourn the loss of this most estimable lady four sons, John, William and Joseph of Greenwood, Hugh of Gordon, and two daughters, Mrs. S. M. Birdsell of Greenwood and Mrs. B. Hall, who resides in Idaho. The death of this pioneer lady will be the occasion of much regret throughout the locality where she was for so many years a resident, and her place in the life of the community will be one hard to fill. The funeral was held this afternoon from the Christian church at Greenwood, of which faith the departed lady was a devout member, and the interment made in the family lot in the Greenwood cemetery.

THE LADIES AUXILIARY ENTERTAINED AT THE J. M. ROBERTSON HOME

From Wednesday's Daily. The Ladies Auxiliary of the Presbyterian church held a most delightful meeting yesterday afternoon, being entertained at the pleasant home of Mrs. James Robertson, with Mesdames G. L. Rundstrom and Robertson as hostesses. There was a large number of the members of this splendid organization and their friends in attendance, who were very much indebted to the hostesses for their kind hospitality and the delightful afternoon's entertainment afforded them. An interesting and enthusiastic business session was held, after which the ladies participated in a social time. A short program, consisting of a reading by Miss Bernese Newell, vocal solo by Miss Mathilde Valley and an instrumental selection by Mrs. Will Robertson, was a pleasing feature of the afternoon's entertainment and very much appreciated by those in attendance. Dainty refreshments were provided by the hostess at a convenient hour. The next meeting will be held at the manse, and the dollar which each one of the members was to make will be collected at this time.

"DETROITER" 32 horsepower—Electric Lights—Electric Starter

SIT at the wheel of a Detroit and guide the beautiful car on a trial run. One touch of the peddle and you are away. Engineers have acknowledged this Detroit self-starting mechanism to be the word of finality—the ideal construction. Under the hood the 32 horsepower motor chuckles gently, scarcely audible. Strength and to spare is in your motor, multiplied by the ball bearings that other makers even of the most expensive cars are coming to in accordance with European practice.

Is the road growing rougher? You hardly notice. The Platform spring suspension smooths out each rut. Every control switch is at your finger tips, at the crest of the dash. One lever alone, close to your right hand, shifts into three forward speeds or reverse. No "Four" can be better. Here is everything you want, everything you could wish for, with a beauty in design few cars at any price can boast of.

LITTLE HELEN BATMAN MEETS WITH A VERY PAINFUL ACCIDENT

From Wednesday's Daily.

This morning quite a painful accident occurred at the home of Mr. and Mrs. Frank Batman, when their little 18-months-old daughter, Helen, suffered a severely mashed little finger of the right hand. The little one, in company with an older sister, was playing around the house and in some way the children secured a wringer and were playing with it when Helen decided to try it out by sticking her fingers in it, and the older child started to turn it, with the result that the finger was quite badly mashed and it was necessary to convey her to the office of a physician to have the injury dressed, and the little one was made as comfortable as the injury would allow.

MRS. HOMER M'KAY FALLS AND SUFFERS A SPRAINED WRIST

From Wednesday's Daily.

This morning about 8:30 Mrs. Homer McKay met with a very painful accident at her home in the north part of the city. She was walking around the yard at the home when she suddenly slipped and fell, and in falling struck on her left arm, spraining it quite badly, and at first it was thought that she had broken the member, but on examination by the physician it was found only to be a very severe sprain, which will, however, cause her to lose the use of the arm for some time, as the sprain is at the wrist and will of necessity be quite painful for several weeks. As soon as the accident occurred the members of the family hastened to her aid and she was conveyed to the house and medical assistance summoned to care for her and the injury dressed and the patient made as comfortable as possible under the circumstances. About

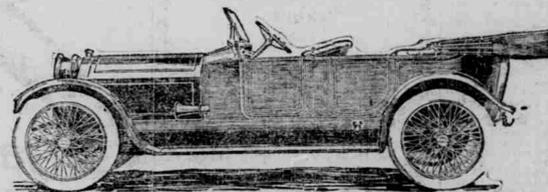

eight years ago Mrs. McKay suffered a break of this arm and it was feared by her family that a similar accident had befallen her again. At last reports she was resting easily and will probably not suffer serious injury from the accident.
