TRIBUTE OF RESPECT TO DEPARTED COMRADES OF M'CONIHIE POST

The following resolutions were adopted by McConihie Post No. 45, G. A. R., on May 2, 1914:

Whereas, It has pleased the Ruler of the Universe to summon to His presence, in quick succession, our beloved comrades, Captain Samuel H. Morrison, George H. Poissall and George Garrison; therefore,

Be it resolved, That we hereby express to the relatives and friends of our departed comrades our deep and heartfelt feelings of regret at their loss, as well as our own; and that we, with them, most sadly mourn their absence.

Resolved, That as the roll-call shortens, that as comrades left behind for a short period, we will draw closer together in love and tender sympathy and calmly wait the final summons that must come to each and all.

Resolved, That in memory of the departed our charter be draped for a period of thirty days, and that a copy of these resolutions be transmitted to the relatives of the deceased.

DELIGHTFUL MUSICAL AT THE H. S. AUSTIN HOME

From Wednesday's Daily.

Last evening about 8 o'clock a large number of invited guests and friends gathered at the home of Mr. and Mrs. H. S. Austin in attendance at a recital given by D. E. Donovan, a student of the state normal school at Peru and a pupil with Mr. Austin in this city, who is the vocal instructor at this school. He was accompanied on the piano by Miss H. L. Donovan, who rendered the difficult pieces in a most finished manner. He was assisted in making his program such a splendid one by the excellent piano solos by Mrs. George Falter and Miss Emma Gummis and reading contributed by Miss Vesta Douglass of this city. Mr. Donovan's program was in four parts and every number of each part was rendered from memory and in a manner which denoted much careful study and preparation on the part of both pupil and instructor. Mr. Donovan has a beautiful voice and every selection was most highly appreciated by those fortunate enough to be present.

RECEPTION IN HONOR OF RECTOR W. S. LEETE

Gering Home Scene of a Large Gathering to Greet New Rector of St. Luke's Church.

Last evening at the palatial home of Mrs. Paul Gering, on North Sixth street the members of St. Luke's parish of this city tendered a reception in honor of the new rector, the Rev. Wilbur S. Leete and wife and mother, Madame Leete, and the occasion was one of the most delightful that has ever been given in the city, as throughout the evening the Gering home was thronged by a large number of the members of the parish and members of other churches, who gathered to pay their respects to the new rector and his charming wife and mother. The reception was given under the auspices of the Woman's Auxiliary of the church and the ladies certainly are royal entertainers, as was shown by the splendid time enjoyed by everyone present and the occasion was notable for the lack of stiffness that so often is shown at functions of this nature, and everyone present enjoyed themselves to the utmost in the delightful social good time that prevailed until the close of the reception hour. For the event the rooms of the beautiful Gering home were decorated in a manner that brought a touch of natural beauty to the scene, as there was a wilderness of beautiful flowers throughout the different rooms. In the reception room the white lilacs served as the chief feature of the decorative scheme, and in the south parlor the purple hues of the lilac also were used most effectively in huge banks and bouquets that charmed the eye with their beauty and made a fitting setting for the handsome toilettes of the ladies who were assisting in the receiving and entertaining of the guests. In the receiving line with the rector were Mrs. Leete and Madame Leete, Mr. and Mrs. George Dodge, Dr. and Mrs. T. P. Livingston, Mr. and Mrs. J. H. Thrasher and Mr. and Mrs. C. G. Fricke, and as the guests entered they were introduced by Mrs. Annie Britt to the rector and family. During the course of the evening delicious fruit punch was served in the upper hall of the home by a bevy of charming little ladies, as the guests arrived, while in the dining room most tempting refreshments of ice cream, cake and coffee were served throughout the evening by the ladies of the church. The decorations in the dining room were most beautiful, the color scheme being in pink and white with crabapple blossoms and white lilacs forming the chief feature, and the charming ladies serving the refreshments made this room one of exceptional beauty, both from the artistic standpoint, as well as that of the delicious refreshments. There were a number of very pleasing vocal selections given by a number of the talented musicians of the city during the progress of the reception, which proved most entertaining features of the evening and heightened the enjoyment of the guests fortunate enough to be present. The reception which the ladies of the church arranged in such an able manner is one in which they can feel a great pride and the gracious hospitality of Mrs. Gering and her daughters, which has made their social gatherings famous, was greatly in evidence last evening in the pleasant manner in which every detail of the reception was carried out, and the guests departed at a late hour for their homes feeling it was one of the most enjoyable social events ever held in the city and that the new rector of the church here, and his estimable family will certainly find a warm spot in the hearts of the citizens of Plattsmouth.

THE LAST WILL AND TESTAMENT OF GEO. GARRISON FILED FOR PROBATE

From Tuesday's Daily.

This morning the last will and testament of the late George W. Garrison was offered in county court for probate. This estate is quite a large one, as the deceased was one of the largest property owners of Liberty precinct, and his personal estate will amount to a great many thousands of dollars. The document names George X. LaTuc as the executor of the instrument and disposes of the different amounts to the children. It is thought that the widow will elect to take under the law, as her share of the estate named in the will is not as large as that given the children of the union.

CASS COUNTY SUNDAY SCHOOL ASSOCIATION

First District Convention at Murray Wednesday, May 6, Was Indeed a Hummer.

The convention for the first district of the Cass County Sunday School association, held at Murray yesterday, May 6th, was a hummer in point of attendance, accommodations and enthusiasm. There were over 100 delegates representing the Sunday schools of the first district of the county, or 85 per cent of all the schools enrolled. The meetings were held in the First Christian church, which was appropriately decorated for the occasion.

The afternoon session was devoted to an open conference on Sunday school students and to the proposition of bringing Cass county up to the twenty-five goal set by the state association. It is the intention to hold a golden jubilee in 1917, and each county in the state is striving to meet the requirements of a certain per cent each year as follows: Twenty-five per cent this year, fifty per cent in 1915, seventy-five per cent in 1916 and one hundred per cent in 1917. The showing made by the first district yesterday gives promise that Cass county will not be behind in the procession.

In the evening the church auditorium was crowded to its capacity to listen to addresses by Rev. W. M. Elledge, pastor of the Congregational church at Weeping Water. Mr. Elledge showed the relation of the local school to the ever widening circle of organized work, the district, the county, the state, the international, to the final triumph of the world's convention. He interspersed his remarks with a number of witticisms and concluded with an appeal for the work which was generously responded to. At 6 o'clock the ladies served a sumptuous dinner in the parlors of the First Presbyterian church, which was in keeping with the excellent brand of hospitality always shown by the Murray people. One of the chief regrets of the convention was that the county president, Mr. J. D. Cross, of Union, was unable to be present on account of sickness. A resolution of greetings and sympathy to be sent to him was voted by the convention.

The second district convention will be held at Nehawka today, and the third district at Eagle on Friday. Miss Nora Eveland, superintendent of the third district, was present at Murray, as was also Miss Jordan of Alvo, elementary county superintendent, and Mrs. Fred Zink of Murdock, missionary county superintendent.

The dates for the county convention have not been decided upon, but it will be held at Weeping Water the latter part of September or the first of October, at which time it is expected there will be over 200 delegates.

The state convention will be held at Aurora, Neb., June 16, 17 and 18, and the international convention at Chicago June 23 to 30.

The following district officers were elected for the ensuing year:

- Superintendent—J. P. Perry, Plattsmouth. Assistant Superintendent—Rue Frans, Union. Secretary-Treasurer—M. S. Briggs, Plattsmouth. Supt. Adult Dept.—Frank Goodman, Liberty. Supt. Temperance Dept.—Mrs. C. H. Foster, Plattsmouth. Supt. Teachers' Training—Miss Ida Boedeker, Murray. Supt. Home Visitation—Mrs. C. H. Cobb, Plattsmouth. Supt. Pastors—W. A. Taylor, Union. Supt. Elementary—Mrs. Eliza Young, Murray. Supt. Secondary—Mrs. D. C. Morgan, Plattsmouth. Supt. Missionary—Mrs. J. E. Wiles, Plattsmouth.

PETER EVERETT A QUARRYMAN SERIOUSLY INJURED BY TRAIN

From Tuesday's Daily.

Yesterday morning Peter Everett, a quarryman employed at the Cedar Creek quarry, came near ending his earthly career by being struck by an east-bound freight train over the Burlington, a few miles this side of Louisville. Everett had been to Louisville during the morning and had finished up what business he had and started back to the quarries, taking the railroad track as a short cut to reach his destination, and he had only gotten a few miles on his journey until a freight train came along, bound in the same direction as the pedestrian, and while efforts were made by whistling, the man did not hear or paid no attention to the approaching train, and before it could be stopped the locomotive struck the man, throwing him from the track with great force and breaking his left limb, as well as injuring him about the back and chest and also a large number of minor bruises. The injured man was taken back to Louisville, where Dr. Worthman was summoned to look after his injuries, and the victim was made as comfortable as possible, although he suffered greatly from the injuries. The injured man is a son of William Everett, who resides in the vicinity of South Bend.

Here Is Good News for Stomach Victims

Some very remarkable results are being obtained by treating stomach, liver and intestinal troubles with pure vegetable oils, which exert a cleansing, soothing and purifying action upon the lower bowels, removing the obstructions of poisonous fecal matter and gases and preventing their absorption by the blood. This done, the food is allowed free passage from the stomach, fermentation ceases and stomach troubles quickly disappear.

George H. Mayr, for twenty years a leading Chicago druggist, cured himself and many of his friends of stomach, liver and intestinal troubles of years' standing by this treatment, and so successful was the remedy he devised that it has since been placed in the hands of druggists all over the country, who have sold thousands of bottles. Though absolutely harmless, the effect of the medicine is sufficient to convince any one of its remarkable effectiveness, and within 24 hours the sufferer feels like a new person. Mayr's Wonderful Stomach Remedy is now sold here by
