THE BOOSTERS
"CAME BACK"
YESTERDAY

They Defeated the Omaha Star
Theater Team by a Score of
6 to 0 Yesterday.

Yesterday afternoon the Boosters came back in great shape in their playing and grabbed a most interesting game from the Star Theater team of Omaha by a score of 6 to 0, and every member of the team played gilt-edged ball from start to finish. There was much ginger displayed by the rejuvenated athletes, and from the first ball pitched they went after the goat of the boys from the big city, and by their timely efforts succeeded in hanging the bacon high and dry and the crowd of loyal fans were enthusiastic over the result of the conflict that resulted in Plattsmouth again getting on the baseball map. There was a solid stone-wall support given to Joe Pike, who did the tossing for the locals and Joe was there with the goods in his department, as thirteen of the "movie" stars retired on strikeouts as a result of their efforts to land on the slants of Mr. Pike. He was in fine form and with plenty of "smoke" had the visitors eating out of his hand throughout the contest, and at no time did they get to look dangerous.

The locals were on their mettle as they felt keenly the defeats sustained on the preceding games and by their good work yesterday re-established themselves in the hearts of the fans. Mason, the star left fielder was not afforded an opportunity to display his fielding, as there were few drives out in the direction of his garden, but secured revenge by his timely hitting throughout the game. Louie Smith, who operated in right field, made a most sensational catch during the course of the game, as he was compelled to make a long run for a fly and secured it just before it reached the ground, earning loud and enthusiastic cheering from the fans. McCauley at first also made a fine catch of a liner that was traveling with great force at the first sack, and reaching out with one hand secured it and put the batter out. Errors on the part of the visitors assisted materially in the scores piled up by the locals, as two flies dropped in the outfield by the fielders allowed four of the scores for the Boosters to pass over the home plate. The game was a very pleasing one throughout and the boys will, if they continue the same gait, be able to take on any of the fast teams from the metropolis.

The tabulated score of the game was as follows:
