**BREAD TICKET OF THIRTY-FIVE OR FORTY YEARS AGO COMES TO LIGHT**

A few days ago while workmen were engaged in tearing down the old house which for years has stood on the high bank at the corner of Granite and Sixth streets, they unearthed in the interior of the house an old bread ticket which was good at the bakery of John Bons & Son for a loaf of bread. This institution has been numbered among the things of the past for thirty-five years or better, and it was probably long before that when some resident lost the ticket while living in the house. The ticket has been kept as a relic by Mr. M. S. Briggs, who has purchased the house and is having it removed in order that he may erect a new house later on the lots when they are graded down and placed in proper shape for the building. Mr. Briggs has done a great deal of work in that part of the city and is clearing off a lot on Granite street adjoining his own home, where he will put up a neat cottage for rental purposes as soon as possible. These locations are close to the business part of town and can command a good rental price.

**MATTHEW GERING NOT DECIDED AS TO HIS CANDIDACY FOR CONGRESS**

From Friday's Daily.

The announcement that appeared yesterday in the state papers regarding the candidacy of Attorney Matthew Gering of this city for congressman from the First district, has attracted a great deal of attention among the friends of that gentleman in this city and they are becoming quite enthusiastic over the matter. Mr. Gering states, however, that he has not fully decided as to what action he will take in the matter, and that while a number had taken the matter up with him he had not definitely made up his mind as to whether he decided to make the race or not and would weigh the matter thoroughly before he filed his name.

Mr. Gering, should he decide to enter the race, will prove a strong contender in the lists, and as the republican candidate he would attract to his support many hundreds of democrats, as well as German citizens, who would delight to honor one of their countrymen. Mr. Gering has affiliated with the republican party since 1900. He is a very able gentleman and well fitted in every way to represent the First district as it should be, with dignity and honor, and his splendid training as a speaker would place this district in the public eye. It should be a matter of pride that Cass county may have another candidate for congressional honors, as it was another Cass county man who so ably filled the office prior to the election of Mr. Maguire.

Miss Bernice Nowell spent Decoration day and Sunday in St. Joseph, Missouri, visiting with relatives and friends.

Miss Leona Brady departed Friday evening for Kansas City, Missouri, where she visited with friends over Sunday.

**ENTERTAINS FRIENDS AT DINNER PARTY IN HONOR OF DISTINGUISHED GUEST**

From Friday's Daily.

Last evening a most delightful 7 o'clock "stag" dinner party was given at the palatial Gering home on North Sixth street by Misses Mia and Barbara Gering, in honor of Consul Kluffinger, the imperial German representative at Bologna, Italy, and Mr. Peter Wahl of Kaufbeuren, Germany, who are guests at the Gering home. The dining room where the elaborate dinner was served was very artistically decorated with the German national flower, the corn flower, and the scene of the gathering was thoroughly in keeping with the tempting repast. Hon. Matthew Gering presided at the head of the table, and after the enjoyment of the choice and delicious dinner, called upon a number of the guests for a few remarks, to which they responded in a most happy vein. Toasts were responded to by Consul Kluffinger, Mr. Wahl, Rev. J. H. Steger, Dr. J. S. Livingston, Hon. H. B. Windham, G. E. Dovey, W. K. Fox and Philip Thieroff. After the conclusion of the dinner party, the guests spent a few hours most enjoyably in social conversation and in listening to a number of very choice musical numbers.
