

ELKS TO HAVE GREAT TIME AT THEIR DEDICATION

Friday and Saturday to Be Gala Days for the Elks' Lodge in This City.

The time for the dedication of the new Elks' club house in this is drawing to a close and the members of No. 739 are anxiously awaiting the day when they are to move into the handsome new building on Sixth street and start in to enjoy the luxury of the splendidly appointed home.

The dedication ceremonies will commence on Friday afternoon, when the club house will be thrown open for the inspection of the public from 2 until 7:30, and to this reception everyone in the city is cordially invited to attend and view the beautiful interior of the building. Music will be furnished during the afternoon as the guests proceed through the building, and at the close of the reception the building will be thoroughly cleaned and the preparation for the grand ball in the evening completed.

On Saturday the ceremonies will be for the benefit of the Elks only and will be in the nature of a "stag." The different Elk lodges of the state have been invited to be present and celebrate with Plattsmouth, and to the invitation a large number of the lodges have responded.

The new club house is an ornament to the city and one of the most beautiful lodge homes in the state and the members may feel very proud of it and the spirit that has made possible the erection of the building.

"RED SOX" AND NOT THE "BOOSTERS"

They Will Arrive in a Few Days and Then Watch Out for Better Results.

The base ball team will soon be able to dazzle the eyes of the natives by appearing in their handsome new uniforms, which they have ordered, and which will be here in a few days and will be worn by the boys for the first time next Sunday.

The new uniforms are not to be the only change made in the appearance of the team, as they are invited to be present and celebrate with Plattsmouth, and to the invitation a large number of the lodges have responded.

The boys have succeeded in raising quite a neat sum from the last two games, to which they sold tickets, and the money, above the expenses of the Omaha players, will be devoted to paying for the new uniforms.

Great Circulation Campaign Inaugurated By The Journal

Hundreds of Dollars in Practical and Valuable Awards to be given to Men and Women of this Vicinity.

OVERLAND TOURING CAR FIRST GRAND PRIZE

Seven Other Big Prizes and a Ten Per Cent. Commission to All Non-Winners—There Can be no Losers as all Will Be Paid for Their Time. Campaign to Start Thursday, June 11th, and Will End Saturday, August 1st.

SEND IN YOUR NOMINATIONS NOW.

Displaying its usual enterprise and aggressiveness, and after careful consideration, The Journal has decided to inaugurate a gigantic circulation building campaign in which hundreds of dollars in practical and valuable rewards are to be given to the energetic men and women of Plattsmouth and Cass county.

We publish a list of the splendid prizes, together with the manner of distribution and the rules and regulations of the campaign. This will be found on page 3 of this edition. Read this page over carefully and gain a full knowledge of this most wonderful offer.

As will be seen by a glance at the rules and conditions, this campaign is not "something for nothing," or a "get-rich-quick" scheme, but a good, sound, logical business proposition, which is bound to appeal to every ambitious man and woman, boy or girl in this neighborhood, who has the least bit of energy.

The Journal wants new readers and wants to become more closely acquainted with the people of Cass county. To this end it has invested many hundreds of dollars with the belief that the results will justify the trouble and expenses incurred.

The list of awards is large and complete, and includes a 1914 Overland Touring Car, valued at \$1,000; a Schmoller & Mueller Piano, valued at \$100; two half-karat diamond rings; two merchandise orders for \$30 each, and two handsome 20-year gold watches, choice of Elgin or Waltham movement.

When it is proposed that an Overland car of 1914 model and a five-passenger car with full equipment, at that, be given away absolutely free with no expense of any kind, nor any cost to the man or woman who secures the highest vote during the entire contest. It is no wonder that this campaign has aroused more than ordinary interest.

And further than that the contestant securing the second highest number of votes will be given the \$400 Schmoller & Mueller Piano complete with scarf and stool, which will shortly be placed on exhibition in this city. This is a magnificent gift for the winner of the second place.

And the district prizes are royal in value as well. Two beautiful diamonds, sparkling pure white gems in a solid gold mounting, purchased from J. W. Crabill, and soon to be on display at his store, will be awarded to those who stand highest in their respective districts after the Grand Prizes have been awarded.

The \$30 Merchandise Orders on Plattsmouth's largest stores and two Elgin or Waltham Gold Watches, purchased from J. W. Crabill, will be awarded to those standing second and third high-

est in the two districts after the Grand Prizes have been awarded.

Now comes the greatest feature of the whole campaign and one which in itself proves the absolute fairness of the whole plan of action. Every man or woman who enters this campaign and who remains active until the finish and fails to receive one of the prizes offered will receive as their reward a cash commission of ten (10) per cent of the gross cash subscriptions which he or she turned in all during the campaign.

This assures you of receiving a reward in proportion to what you do. If you fail to win even one of the smaller district prizes you will get a ten per cent commission on all the money you have brought The Journal all during the campaign. You can't lose. You must win in proportion to the effort you make.

The campaign starts Thursday, June 11, and will continue until Saturday, August 1, at 10 p. m. At that time the splendid list of prizes will be distributed among the candidates having the most votes according to the published rules.

The time for the campaign is short and those who enter at once and make the most of the first days of the campaign will be the lucky ones that will carry off the big prizes at the end.

On another page of this paper you will find a nomination blank. Fill it out and bring it to this office if you are interested. The campaign manager will go over the whole affair with you and will be glad to give you every possible assistance. Candidates can nominate themselves or a friend can place them in nomination.

Next week the campaign will be under way. This week is open for nominations. Many nominations have already been received by the campaign manager and more will come in today. The first list of names will be published in a few days and you should get your name on the first list. The Nomination blank good for 500 votes is on another page of this issue. Fill it out and send it to the Campaign Manager of The Journal tonight. Three nominations will be credited to each candidate, thus giving them 1,500 to start. Phone, write, or call on the campaign manager and he will be glad to tell you all about the big campaign. Send in your own nomination or that of a friend today.

The rural mail carriers of this, Cass county, met at Weeping Water last Saturday, Decoration day, for the purpose of organizing the Rural Mail Carriers' association of Cass county. A goodly number of the carriers of the county were in attendance and all were enthusiastic for the things that will aid the efficiency of the service. The following resolutions were adopted:

Resolved, That we favor state and federal aid in all roads traveled by rural routes.

Resolved, That we favor giving carriers the preference in appointments.

Resolved, That Christmas day should be a holiday for rural carriers, and that service should be suspended on that day.

Whereas, The average net income of the rural carriers of Nebraska is but \$540.00 per year, after deducting for maintenance of equipment. The parcel post mail is constantly increasing; so be it.

Resolved, That it is right and just that we should receive \$400 per annum for maintenance of equipment.

Resolved, That we extend our thanks to W. D. Brown, editor of the R. F. D. News, for his interest in our welfare, and that we recommend the R. F. D. News to all carriers.

By-laws were adopted, and the meeting place for next year was given to Weeping Water, which will be held on Decoration day.

MANLEY SHUTS OUT NEHAWKA "APPLE PICKERS"

Manley Wins a Hot Game From Nehawka, Shutting Out the "Apple Pickers" 3 to 0.

The Manley base ball club motored to Nehawka Sunday, May 31, and handed the warriors of that little village a shutout package. Manley crossed the horsehide first in the third inning, and chalked up another in the fourth, and booked their third and last in the eighth. The day was ideal and a large number of fans witnessed the battle.

Manley and Nehawka each had a man put out at the home plate in the first inning, but not until the third was the home cushion safely crossed. Manley counted when Rauth drew a pass, stole second and scored on R. Maxwell's hit to left. Nehawka could do nothing in their half, and in the fourth Manley again added to her count, pushing Lorenson over the plate, when he doubled to center and scored on Williams' bingle to right. This ended the scoring until the first of the eighth, when Manley slipped her third and last chalk mark across the rubber, when Rockwell doubled to center and scored when Miller hit for two sacks. The line-up:
