BRIEF SKETCH OF THE LATE DOSS ROBERTS FORMERLY OF THIS CITY

Marion Ross Wallace Roberts, better known as "Doss," was born February 1, 1872, three miles east of Thurman, Iowa, and departed this life by his own hand by taking two ounces of carbolic acid, on Tuesday evening, May 26, 1914, in his room at his father's home near Thurman. The funeral was held Wednesday at 2 o'clock and the interment made in the Thurman cemetery.

Doss spent the greater part of his life in Iowa and Nebraska. When quite a young man he united with the Christian church. He was married on April 24, 1909, to Miss Bessie Graves, and to this union was born two daughters, Alma, aged 12, and Charlotte, aged 8. Doss was well known in this city, having resided here for several years, being employed by the Burlington for some three years. Besides his wife and two little daughters, he leaves an aged father and mother, five sisters and one brother, Morgan Roberts, of this city.

FINE NEW SON AT THE HOME OF MR. AND MRS. DON C. YORK

From Wednesday's Daily.
Don C. York and wife are rejoicing over the new addition to their family that arrived last evening in the shape of a fine new ten-pound son and heir. The little man made his appearance about 10 o'clock and he is the object of much admiration from not only his proud parents, but his other relatives as well. The mother and little son are doing nicely and Don is undoubtedly the happiest man in the city today. It is the sincere wish of the many friends that the little one may prove a joy and comfort to his parents in their old age.

Arrival of a New Daughter.

On Tuesday evening a fine new daughter arrived at the home of Mr. and Mrs. Will Hinz, near Cedar Creek, and the little daughter is one of the finest in the land and is the object of a great deal of admiration and affection from her relatives. The little one and mother are doing nicely and the father is about as proud as it is possible to be. The new daughter has occasioned rejoicing not only in the Hinz family, but in the Meisinger family as well, as Mrs. Hinz was formerly Miss Cora Meisinger, daughter of Mr. and Mrs. G. G. Meisinger.

THE GLORIOUS OLD FOURTH OF JULY!

If Not, Why Not? Let Majority of
Business Men of Plattsmouth
Say Yes or No.

The near approach of the Fourth of July has caused many in the city who are interested to raise the question as to whether we are to celebrate the glorious Fourth or not in Plattsmouth this year. Last year there was an effort made on the part of some to start the ball rolling, but it, like the fall festival, went glimmering. If a success is to be made of a celebration, now is the time to start and every effort should be made to see what can be done in the way of securing attractions and amusements if the day is to be celebrated. There were large numbers of the former resident of the county disappointed last year in the failure to celebrate, as they would rather by far come to Plattsmouth than any town in the county, and feel deeply that they were not afforded the chance of spending their Fourth here, where they could visit with their friends and have a good time.

The success of every celebration held here in the last twenty years has clearly shown that Plattsmouth is the one place in the county that can draw the crowds all the time, although this is in no way disparaging to the smaller towns in the county that have shown their enterprise by holding celebrations in the past few years, when otherwise the great natal day would have slipped by without recognition by public celebrations.

Let the citizens think over the proposition and try and arrange a celebration that will furnish amusement for our own people and also for the residents of the county who may desire to come here to celebrate.

BACH'S DELIVERY TEAM RUNS AWAY AND DAMAGES UP OCCUPANTS OF WAGON

From Wednesday's Daily.
Yesterday the delivery team belonging to the firm of A. G. Bach indulged in quite a lively spin down Lincoln avenue, and as a result Earl Hyde, the driver and Earl Brittain, who was riding with him, are quite stiff and sore as the result of falling from the wagon. The team was coming along the alley near the residence of John Wynn, when the wagon struck a rut in the road and the jar caused an empty gasoline can which was in the back of the wagon to fall out and this frightened the team, which started to run down toward Lincoln avenue, where they turned north and started for the business part of the city. Young Brittain fell out of the seat down between the tongue and the wagon and was badly bruised and cut and it required the services of a surgeon to fix him up. The driver, Earl Hyde, sustained no serious injuries beyond a severe shaking up and several minor bruises. The team continued their flight down Lincoln avenue until they reached Third street, where they ran into the yard at the Temple home and were stopped there.

RESIDENTS OF MANLEY ARE GOOD BOOSTERS

The Journal Man Visits the Thriving Little City and Meets Numerous Friends.

A few days ago the Journal man made a little trip over to the central part of the county, and while being near the greatest base ball center of Cass county, the little town of Manley, we of course stopped there for a few moments' visit with the genial business men of that little village in size, but great when it comes to the national game of base ball. At the present time Manley has a great lead in the Cass County league, and from all appearances they are going to keep it. The people of Manley and the entire surrounding territory are very enthusiastic over their ball team and they have a right to be, for they have certainly been playing a fast game all season.

While there we had the pleasure of meeting a number of the Journal's good friends in that locality, among whom were W. J. Rau, the genial banker; John Tighe, the retired grain man, and his son, Lee, who is a member of the grain firm of Tighe & Bourke, doing business at the old stand established by John Tighe many years ago. Here we found business as of old, with the younger Tighe busy receiving grain, but just a few moments time for a brief visit.

Theo. Harm, the leading merchant of Manley, was also at his usual place of business, and while not very busy at that time, he reports a good trade, and everything around Manley looking exceptionally good. Manley is located in one of the most prosperous and progressive farming communities in all the great state of Nebraska.

There will be a genuine base ball contest in this little village on next Sunday, at which time the Manley team will cross bats with Eagle, two of the strongest teams in the Cass County league, and there is sure some game looked forward to. The fans will all be out on that day, and an exceptionally large attendance is looked for.

MRS. B. F. CROOK SURPRISED BY HER FRIENDS ON BIRTHDAY

From Wednesday's Daily.
A most delightful gathering occurred Monday evening at the home of Mr. and Mrs. B. F. Crook in the south part of the city, when the many friends of Mrs. Crook gathered to assist her in the celebration of her fiftieth birthday anniversary. The friends gathered early in the evening at the C. M. Manners home, and provided with ample provisions for the occasion, moved onto the Crook home and completely took the guest of honor by storm, as she was not aware of the pleasant time in store for her. After Mrs. Crook had recovered from the full effect of the surprise she entered thoroughly into the spirit of the event and made the guests feel entirely at home in the enjoyment of the delightful hospitality of the occasion. Music and social conversation served to pass the time away in a most pleasing manner, and it was with regret that they departed for their homes, feeling that it had been a most charming occasion, and wishing Mrs. Crook many happy returns of the day and many more happy birthdays. A most delicious luncheon at an appropriate hour added greatly to the pleasures of the evening and was most thoroughly enjoyed by all who were present.

ASK THAT CASE BE ADVANCED

Frank Best and August Harte Want Action in Moorhead Suit.

CALL OUT FOR HARVEST HELP

Greuber of Thayer County Declares That It Will Be Difficult to Get Men Enough to Do Work This Summer. Omaha Road is Sued.

Lincoln, June 4.—Frank C. Best and August C. Harte, county commissioners of Douglas county, have filed in the supreme court a motion to advance the case brought by them against Harley G. Moorhead, election commissioner of Douglas county, claiming that a question of public interest is involved whether the terms of office of Best and Harte shall be shortened by reason of the provisions of section 1955 of the Revised Statutes, which provides that in counties, under township organization, having five commissioners, three shall be elected in 1914 and each four years thereafter.

They set out that Election Commissioner Moorhead is unlawfully receiving and filing nomination papers from persons who seek the nomination for the offices held by them, as representatives of the Third and Fifth districts, notwithstanding the offices will not expire until the first Tuesday in January, 1916, and ask for action of the court before July 18, 1914, or the litigation will be useless.

Scouting for Harvest Hands.
William Greuber of Thayer county was at the office of the commissioner of labor discussing the proposition of harvest hands for the coming harvest. Mr. Greuber is of the opinion it will be hard work to get sufficient help for the harvest on account of the yield being so great. He says that small grain will be exceedingly heavy in and around his section of the country and that corn is looking fine, most of it already having been plowed the first time.

Mr. Greuber was a member of the last house of representatives as a Democrat, but this year has filed for the senate for the Fifteenth district, composed of Thayer and Jefferson counties, represented in the last session by John Heasty of Fairbury.

Horticulturists Install New Officers.
The board of directors of the Nebraska State Horticultural society met at the Lindell hotel. The new officers who were elected at the annual meeting of the society last January took their offices, as follows: President, J. A. Yager of Fremont; first vice president, E. M. Pollard of Nebraska; second vice president, Jacob Hess of Omaha; treasurer, Peter Youngers, Jr., of Geneva; directors, W. A. Harrison of York, G. A. Marshall of Arlington and Val Keyser of Nebraska City. Secretary J. R. Duncan, whose term expired June 1, was unanimously re-elected for the ensuing year.

Omaha Road is Sued.
The Chicago, Minneapolis, St. Paul and Omaha railway has appealed from a judgment secured in the district court of Douglas county in the amount of \$66.36 by Henry H. Payne, for neglect to deliver a bunch of thirty-two cattle, shipped from Luther to South Omaha, a distance of 157 miles, in the time usually needed for shipments of that kind. It is alleged that there was delay of seventeen hours in the time of delivery, which caused the cattle to shrink in weight sufficient to make a loss to the shipper.

Insurance on Stock.
Can the live stock exchange of South Omaha charge 10 cents per car insurance on stock after it is unloaded at the yards? That question has been put up to the railway commission by shippers of the state. The commission itself is puzzled as to its rights in the matter. The attorney general has been asked to give his opinion.

J. M. O'Neal of Lincoln has filed for the nomination for state auditor on the Republican ticket. Mr. O'Neal is a traveling salesman and was a candidate for the nomination for the same office at the time Congressman Barton was nominated as auditor.

DEATH OF MRS. REBECCA WATSON AT COUNTY FARM

Death Saturday afternoon terminated the life of Mrs. Rebecca Watson, one of the aged ladies making their home at the county farm, west of this city, and brought to a close a life whose last years had been shadowed by the unfaithful conduct of her children, and her reduction from comparative ease to that of being dependent upon others. Her condition made it such that it was found necessary to send her to the county infirmary about five years ago, and since that time she has resided there. Mrs. Watson was a native of Ireland, being born there April 22, 1828, and came to this country when a young woman, and here her husband and herself succeeded in acquiring a nice farm in Oloo county, near Avoca. After the death of the husband Mrs. Watson lost the farm by having it sold, and was then compelled to reside with friends in that section of the country until her advancing years made it impossible to longer keep her there and she was brought to this city to make her home at the farm. She leaves one son, whose residence is unknown, as he has not been here for some years. The body was taken to Avoca Sunday, where the funeral was held, and which was attended by a large number of old friends.

Take Plenty of Time to Eat.
There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by all dealers.
