

ARE THE WINNERS IN THIS LIST OR WILL THEY COME LATER?

Candidates In the Journal's Automobile Campaign Announced To Public For First Time--Look Them Over and Begin To Vote For Your Favorite You Can't Begin Earlier.

NEW CANDIDATES MAY ENTER IN THE RACE AT ANY TIME

Awards Very Valuable and Range From Gold Watch To Overland Touring Car Campaign Closes August 1st. 1914--Activity Already Noted In Both Districts

THE BALLOT BOX IS NOW IN PLACE

All parts of this city and nearly all parts of Cass county are represented in the splendid list of men and women whose friends deem them worthy of membership in The Journal's Great Booster Campaign, and whose names are published today for the first time.

The list is large but incomplete, as these will doubtless be many more additions when our readers have scanned the list carefully. Withdrawals may be expected, of course, many of those nominated will, for various reasons, not be able to make the race, so the size of the list need not discourage any man or woman who is contemplating entering the competition.

Not alone is the list of nominees distinguished for its size, but in quality it looms large in public esteem, containing, as it does, the names of more than one hundred of the best type of men and women to be found in Cass county or anywhere else and

any one of them will be sure to make a splendid showing in the great prize competition if they will only try. The prizes are very choice ones, and well worth a great and sincere effort to win them, and as the contest is only just now starting, intending candidates should enter at once and ask the support of their friends and neighbors.

There are two separate districts, and there will be eight winners.

The Overland five-passenger touring car, with complete equipment, will be awarded to the contestant who secures the largest number of votes during the campaign.

The \$400 Schmoller & Mueller Piano will be awarded to the contestant receiving the second largest number of votes during the campaign.

After these grand prizes have been awarded, there will be three prizes awarded in each of the districts as follows:

The contestant receiving the highest vote in each district, regardless of the vote in any other district, and after the grand prizes have been awarded, will receive a beautiful diamond ring.

The contestant receiving the second highest number of votes in each district, regardless of the vote in any other district, and after the grand prizes have been awarded, will receive an order on one of Plattsmouth's largest stores for \$30 worth of merchandise, as they may select.

The contestant receiving the third largest number of votes in each district, regardless of the vote in any other district, and after the grand prizes have been awarded, will receive a gold watch, choice of Elgin or Waltham movement. And then there is the 10 per cent commission to all who enter and work to the end and fail to win a prize.

Your age will not be held against you in this campaign. You are not too old to possess

yourself of this automobile. You are not too young nor inexperienced to earn this automobile. Your working hours will be of your own choosing. Can you equal this as a profitable proposition?

You do not have to be a subscriber of The Journal to enter this contest. Remember, what you are expected to do is get subscribers.

This contest is open to every man, woman, boy or girl over 16 years of age in Plattsmouth or Cass county. There's a five-vote coupon in today's issue.

Ballot Box Ready.

The ballot box is in place in the business office of The Journal, ready for the clipped coupons and subscription ballots that are in measure the depth and sincerity of the candidates' ambitions. Bring or send in your votes.

Nominations Still in Order.

Look over the list, and if your name is not included, send in your nomination of that of a friend.
