bride as ring-bearer, carrying the wedding ring placed in the heart of a large American Beauty rose. The bride and party were met at the wedding bower by the groom and the best man, Mr. John Sindelar, brother of the groom, and stepping before the minister were pronounced man and wife, the beautiful ring ceremony being used to solemnize the nuptials.

Following the ceremony punch and a delicious two-course luncheon was served to the bridal party, to which all the company, numbering some 250, did full justice and gathered to wish the young people a long and happy wedded life and one free from care.

Mrs. Sindelar is the second daughter of Mr. and Mrs. R. L. Propst of Mynard and is a most charming lady who possesses a vast host of friends throughout the county who will join in wishing her much happiness. The groom is a prominent young dentist of Omaha and a young man highly respected by all who know him.

The bride and groom last evening motored to Omaha, and this morning left for Lake Okoboji, Ia., where they will spend a short honeymoon, and then return to Omaha where they will make their future home.

The out-of-town guests were: Mr. and Mrs. R. T. Propst and daughter of Ralston, Lynelle Mahoney and Ross Mitchell of Haverlock, Mr. and Mrs. Mason Colbert of Des Moines, Mable and Edna Kiser of University Place, Myrtle Calkins of Weeping Water, Leora Davis of Julian, John and Agnes Sindelar of Howells, Miss Pake, Mrs. Will Truelson, Mrs. Dr. Pugsley and Mrs. John Hamp of Omaha, Mrs. E. O. Furlong of Steamboat Springs, Colo., and Raymond Cox of Nebraska City.

JUNE WEDDING AT THE ATWOOD HOME, LINCOLN

Miss Juliette Atwood of Lincoln and Dr. Elliott Cobb of Harlan, Ia., Are United in Marriage.

The following account of the wedding of Miss Juliette Atwood, daughter of Mr. and Mrs. S. H. Atwood, appears in the State Journal of this morning and will be of great interest to the friends of the family in this city, where the Atwood family resided for so many years:

About forty people, including the bridal party and guests, all of whom were relatives, were present for the marriage of Miss Juliette Wright Atwood, daughter of Mr. and Mrs. Samuel Haynes Atwood, and Dr. Elliott Cunningham Cobb of Harlan, Ia., which took place at noon yesterday at the bride's home, 740 South Seventeenth street. The Rev. S. Mills Hayes, rector of the Church of the Holy Trinity, officiated. A dignified simplicity marked the beautiful appointments. Smilax, palms, Easter lilies and tulle gave an altar effect to the colonial mantel with high white columns in the living room. The bride's gown was exquisitely graceful but untrimmed except by tulle at the neck and long tulle sleeves. It was made of a heavy, soft crepe, with watered surface and draped with exquisite art. The bride was accompanied by her sister, Miss Catherine Atwood, as maid of honor, and by her cousin, Miss Marjorie Agnew of Los Angeles, Cal., and the groom's sister, Miss Cecile Cobb of Harlan, Ia., as bridesmaid. The maid of honor was dressed in yellow and the two bridesmaids in pink. Edward Cassidy, jr., of Whiting, Ia., was best man. An orchestra played the wedding marches and also a program of music during the breakfast which followed the service. Two banquet tables were arranged for the breakfast, with baskets of roses for the centerpieces. The table in the dining room had covers for eighteen and the one on the porch covers for twenty.

EMPLOYEE OF ELECTRIC DEPARTMENT, BURLINGTON SHOPS, IS INJURED

This morning Brox Crist, an electrical worker employed in the Burlington shops, had his right hand burned quite severely as the result of having it come in contact with two live wires. He was working on an electric headlight on a locomotive in the round-house and had two wires which he was working with when they formed a contact and in an instant the current had burned the hand of the young man quite painfully, the palm of the hand receiving the worst burns. He was also shocked quite a little from the experience, but it is thought that the injury will not prove very serious.

MRS. A. A. WETENKAMP TAKES DAUGHTER AND SON TO PASTUER INSTITUTE

Last evening Mrs. Albert A. Wetenkamp and daughter, Miss Grace, and son, Glenn, departed for Chicago, where the boy and girl will enter the Pastuer institute in that city for treatment for the injuries inflicted on them a few days ago from the bite of a pet wolf at their home near Mynard. The wolf was later killed by Mr. Wetenkamp as it showed signs of being affected with the rabies and the head was sent to Lincoln, but it was impossible, on account of the fact that the animal had been killed by a blow on the head from a club, to tell anything about its condition, and the family was so notified. In order to be on the safe side in the matter it was decided to take the young people to Chicago for treatment and not run any chances in the matter.

Surplus of Food.

It is a great error to believe that the more we eat the more benefit will the body derive from it. The body can take care only of a limited amount of food, which differs with every individual, and the balance goes to waste. This waste matter is poisonous and passing into the blood it distributes its poison to the nervous system. It is absolutely necessary to get rid of it as soon as some irregularity is noticed in the digestion of food, such as constipation, jaundice, eructations, loss of appetite and of strength. Triner's American Elixir of Bitter Wine is the remedy you need. It will clean out the body and prevent many a serious sickness. It is very good in troubles of the stomach and the intestines. At drug stores, Jos. Triner, Manufacturer, 1333-1339 So. Ashland Ave., Chicago, Ill. After a heavy exercise you should rub your body with Triner's Liniment.

Now is the time to get rid of your rheumatism. Try a twenty-five-cent bottle of Chamberlain's Liniment and see how quickly your rheumatic pains disappear. Sold by all dealers.

Beware of Ointments for Cataract That Contain Mercury

Mercury will surely destroy the sense of sight and completely damage the visual system. Such an ointment should never be used except on prescription from a regular physician, as the danger they will do is ten fold to the good you can possibly derive from them. H. H. Take Plenty of Time to Eat.

There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by all dealers.

The spacious lawn was filled with the ladies enjoying the cooling breeze from the river and in pleasant social conversation until a suitable hour, when they were invited into the dining room to partake of a most delicious luncheon served in surroundings in keeping with the delightful event. Throughout the dining room and on the table were lovely yellow lilies that added a touch of beauty to the scene. The hostess was assisted in serving and entertaining by Mrs. V. Zueker.
