

5,000 Special Vote Coupon for Every \$15 in Subscriptions to the Daily or Semi-Weekly Journal

Now is the Time to Make Yourself the Winner of a Prize

READ PARTICULARS CAREFULLY

Announcement is made today of a special certificate good for 5,000 votes with each \$15 turned in in subscriptions (both new and old), and will meet with the greatest approval of the candidates and their friends. Every interested candidate will now hustle to get together as many subscriptions as possible to take advantage of this offer. The proposition is perfectly fair to all, as it gives each candidate an equal opportunity.

Of course, there is no such value in this offer as was given with the double vote offer. In accordance with the promise of the Campaign Department, that was the biggest offer to be made in the entire contest, and the present proposition is an addition stimulant to the interest of the contest which is certain to reap its rewards for the many hard-working candidates.

The set offer means that when

\$15 in subscriptions (no payment to be less than \$1.50) has been turned in, in amounts of \$1.50 or more, until the total reaches \$15, the contestant turning in the money will be entitled to an extra 5,000 votes. This is in addition to the regular schedule. As many of these certificates will be issued as sets are furnished by the candidates. This offer applies to both the daily and semi-weekly.

Read special offer on page 4. Get Busy Now.

This great contest continues, and a genuine contest it is, with real friends in the race and real honors to win. As the time grows shorter and the count at the finish of the race is less than four weeks off, the excitement and public interest increases. Now is the chance to produce the results that will mean an auto or piano free of expense to you. Now is GET BUSY TIME. Watch the standing!

For each \$15 turned in during this period in subscriptions to the Daily or Semi-Weekly Journal in payments of \$1.50 or more, an extra certificate good for 5,000 votes will be given. This certificate is additional to the regular number of votes given on subscriptions as shown by the regular vote schedule. Energy to Work. Mr. Vladimir Seman of Superior, Wis., wrote us the following letter: "I received Triner's American Elixir of Bitter Wine and must confess that I am very well satisfied with it, because it braces up the whole body and gives a man new energy to work. The body must, in order to be fit to work, be perfectly cleaned out and strengthened to accept and digest the necessary amount of nourishing food. For that we wish to recommend Triner's American Elixir of Bitter Wine which works in a natural, painless and agreeable manner. This remedy being composed of medicinal herbs and excellent red wine, has a beneficial effect upon the digestive organs, by expelling waste matter out of the body and by giving new strength to exhausted organs. Try it in diseases of the stomach, the liver and the bowels. At drug stores, Jos. Triner, Manufacturer, 1333-1339 So. Ashland Ave., Chicago, Ill. Backache will usually yield quickly to Triner's Liniment, the enemy of pain."
