

WHO HAS THE APPOINTING ELEC- TION JUDGES?

District Clerk Has the Sole Power
to Do the Work, Says the
Attorney General.

The question of the representation of the different political parties on the election boards of the counties of the state has been giving the politicians some cause for maneuvering during the past few weeks, as the question of whether the bull moose or the regular republicans would have the right to places on the board, and an opinion as to the question was requested of Attorney General Grant Martin, who has written to County Attorney M. E. Gowan of Johnson county, giving his construction of the election law.

In reply the attorney general says the district clerk is the sole person authorized to appoint such boards, but that he must follow the law. He makes it plain that the law requires the district clerk to ascertain the vote of political parties in each precinct by taking the vote cast for candidates for governor, which is the first set of candidates on the ballot, at the previous election.

The law provides that where two political parties vote for the same candidate, these parties are to be considered as one party.

The effect of this ruling will be that the district clerks will have an opportunity to appoint one judge and one clerk from the progressive party in precincts that went democratic or he may give the places to republicans or divide the two appointments by giving one to a republican and one to a progressive.

In every precinct that was carried by Morehead for governor the district clerk must appoint two judges and one clerk from the list of democratic names furnished by the county committee and the opposition party will get one clerk and one judge. As the "opposition" party in this case is the republican and progressive parties which fused on governor, the district clerk can give an appointment to the progressives or two appointments to either the republicans or progressives.

In Nebraska where elections are said to be strictly honest it is believed by politicians that it makes no difference who are appointed judges and clerks of election.

STRENUOUS DAY'S WORK FOR THE COUNTY COMMISSIONERS

From Saturday's Daily.
The county commissioners spent a very strenuous day yesterday in wading through the amount of claims which confronted them, and found it necessary to continue their session into the evening and it was after 11 o'clock last night before the county legislators were able to adjourn after cleaning up the routine business of the board. The different county officials filed with the board their reports for the second quarter of 1914 as to the amount of fees received at their office. The county clerk reported \$250 in fees, County Judge Beeson, \$482.50; County Register of Deeds Snyder, \$463.80, and the clerk of the district court the sum of \$611.16.

The bond of W. B. Banning as justice of the peace for Liberty precinct was also received and approved by the board, and Mr. Banning will in the future dispense justice in that precinct.

A petition was received by the board from the citizens of Salt Creek precinct asking that John Mefford be appointed as justice of the peace and Roy Armstrong as constable of that precinct. The prayer of the petitioners was granted by the board and the gentlemen appointed to these positions.

Cut the Weeds.

Now is the proper time for all farmers to mow the weeds along their farms. The law provides for a penalty for failure so to do between the 15th of July and the 15th of August. While the law has set the above date, now is the time to mow them, as the greatest good can be accomplished at this time. I would advise all the farmers along the highways of our district to get after them just as soon as possible, while they can be cut much easier. C. F. Vallery,
Road Overseer Dist. No. 1.

SEVEN-YEAR-OLD BOY FINDS HIS WAY TO THE REFORM SCHOOL

From Saturday's Daily.

This morning County Judge Beeson had before him Horace Pierce, a young lad of some 47 years, who resides near Ashland, to face a charge that had been preferred against him. The young man has been working at farms in Greenwood precinct, and became involved in trouble there by attempting an assault on a young girl. The judge, after hearing the evidence in the case, decided to send the boy to the reform school for a few years in order that he may be taught a lesson.

He is a very nice appearing lad and the whole affair is a most unfortunate one, but it is to be hoped he will profit by the chance given him and keep away from violations or attempted violations of the law in the future.

YOUNG FARMER FINED FOR SLAPPING AN OLDER MAN IN THE FACE

From Saturday's Daily.

This morning Charles Freese, a young farmer of the vicinity of Murray, appeared in Justice Archer's court to answer to a charge of assault and battery on the person of Henry G. Long of Murray. The trouble, as indicated by the statement of the parties interested, started at a farm near Murray, where both the defendant and Mr. Long were in attendance at the threshing of the grain, and it is alleged that Mr. Long had made some remarks concerning the defendant which he did not relish and he accordingly approached Mr. Long, who was sitting near the threshing outfit and requested him to get up and explain the remarks, and upon his failure to arise the defendant slapped him on the side of the face and struck the glasses worn by Mr. Long, bruising his face considerably. Mr. Freese came in this morning and at once made his appearance in court, and entered a plea of guilty to the charge preferred against him. The judge, after hearing the evidence and plea of the defendant, assessed a fine of \$5 and costs, amounting to \$10, against him, which he paid and the young man went on his way homeward.

MANLEY WINS FROM AVOCA IN CLOSE CONTEST ON THE DIAMOND

Special Correspondence.

Manley, in the Cass County league, won Sunday, July 5, the first game of the second series from the fast Avoca team by a score of 4 to 3. The contest was played on the Manley grounds and was attended by a large crowd of enthusiastic rooters for both sides.

Avoca scored first in the second inning, W. Pitman singled, stole second and scored on Harmon's single. Manley crossed the rubber twice in the same inning. Rauth drew a pass, stole second; Claire struck out; Miller followed with a single, scoring Rauth; Miller stole second and scored when W. Williams singled.

Avoca came back strong and pushed another run over the plate, tying the score, but Manley added another to her count in the same inning, making the score 3 to 2 in Manley's favor at the end of the third inning.

Manley added another in the fifth to its list. This ended the scoring until the first of the eighth, when Harmon clouted the pill out into the outfield and before the fielders could find it had crossed the home plate for Avoca's third run.

Both teams put up a fine game and it was one of the cleanest games played on the local grounds.

Avoca has a fine bunch of fellows, both ball players and fans, and while they came up expecting to take home the long end of the score, they were good losers and they no doubt feel that it was no disgrace to lose the game.

CONFIRMED PROOF

Residents of Plattsmouth Cannot Doubt What Has Been Twice Proved.

In gratitude for complete relief from aches and pains of bad backs—from distressing kidney ills—thousands publicly recommended Doan's Kidney Pills. Residents of this vicinity who so testified years ago, now say the results were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Plattsmouth kidney sufferers.

Mrs. Zink, Weeping Water, Neb., says: "I suffered from lumbago and kidney trouble and often my back and head ached. When Doan's Kidney Pills were brought to my attention I got a supply and it wasn't long before they restored me to good health. I endorsed Doan's Kidney Pills some time ago, and at this time I take pleasure in confirming my former endorsement."
