SPECIAL OFFER MAKING THINGS LIVELY THIS WEEK

5,000 Offer Closes Saturday Night—Be Sure You Get Your Full Share of Extra Votes.

Just because the Campaign Manager wanted to keep the ball rolling lively these two weeks, he made the offer of 5,000 extra votes with each \$15 worth of subscriptions turned in during that time.

This is the time when things begin to get really interesting in the campaign. Candidates are going after subscriptions and votes in dead earnest, they are beginning to feel anxious about winning one of the magnificent prizes. This is the time for gathering subscriptions, if they are to count in the special 5,000 offer, for this offer will close Saturday night. The close of the campaign is less than three weeks away and the prizes are waiting for their owners to come and claim them. What more could you want to excite your interest? Your prize is yours right now if you will but get in the race and win it.

You must remember that this extra vote period will not last forever, but will close at the end of

this week. While this splendid offer is in force it will be possible for you to pile up your reserve vote so high that your opponents will not be able to overtake you. If you do this you will feel so good over your work that you will not want to stop but will keep right on working just to see how far ahead you will be at the close of the campaign, August 1.

The satisfaction that you will feel when you are announced a winner will be one of the happiest moments of your life. And one of the saddest will be when you learn that you have lost through not taking advantage of this special offer. It will make it all the more disappointing to think that you alone are to blame for your losing out in this campaign. It is not the lack of time, but the lack of energy to use your spare time that will make you a loser in this race for prizes. So you had better get right to work before he rest have gained a heavy lead.

A Good Investment.

W. D. Magli, a well known merchant of Whittemound, Wis., bought a stock of Chamberlain's medicine so as to be able to supply them to his customers. After receiving them he was himself taken sick and says that one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy was worth more to him than the cost of his entire stock of these medicines. For sale by all dealers.

Mrs. Greenwald and daughter, Miss Carrie, departed for Faith, S. D., last evening for a few weeks' visit with the former's son and family, who reside on a ranch near that city.

Above All.

We fully agree with Mr. Wukomanich, 22 Washington street, Oshkosh, Wis., who wrote us the following letter: "Triner's American Elixir of Bitter Wine suits me. It certainly helped me more than all other remedies I have been using before." We agree with him, because in diseases of the digestive organs this remedy always gives perfect satisfaction. In fact, better than other remedies. It cleans out and strengthens the intestines, and if the patient afterwards lives according to common sense, he will remain healthy. In diarrhoea, caused by eating improper food, Triner's American Elixir of Bitter Wine should be used first, as it drives out of the body the irritating particles of food. In constipation and troubles caused by the same this remedy should be recommended. At drugstores. Jos. Triner, Manufacturer, 1333-1339 S. Ashland Avenue, Chicago. Every household needs from time to time a good medicine for rubbing the body. Try Triner's Liniment.

MRS. HATTIE CUMMINS' SUNDAY SCHOOL ENJOY AN OUTING IN THE WOODS

The juniors in the Methodist Sunday school class of Mrs. Nettie Cummins, at an early hour yesterday morning wended their way to the banks of the Old Muddy and to the ferry, where they enjoyed themselves to their heart's content until the noon hour, when a most tempting basket dinner was served, which all partook of with an appetite whetted by the fresh air and the outdoor exercise, and the good things to eat were soon disposed of. In the afternoon Misses Erna and Rhena Covert joined the party, with their kodaks, and several very pleasing pictures were taken of the jolly party. At a late hour all departed for their homes, feeling that the occasion had been one of the greatest of pleasure to the class, but tired and happy and they are awaiting the coming of another event of this kind. Those who were present were: Velma Elliott, Nellie Gowels, Cecil Kiser, Viola Parker, Etta Hawkenberry, Elhel Babbitt, Elizabeth Wynn, Tillie Renner, Goldie and Gladys Kaffenberger, Bertha Seivers, Jerline McCarthy, Hazel Covert and Erna and Rhena Covert and the teacher of the class, Mrs. Cummings.

Enlarges Dressing Rooms.

Manager Shlaes has been compelled to build additional dressing rooms at the Air Dome for the use of the members of the Deley Musical comedy company that is to appear there next week. The company carries fourteen people and this necessitates additional rooms for the ladies with the company. This is one of the best attractions making the open air theaters throughout the country.

THE WEATHER DON'T SEEM TO EFFECT THE MATRIMONIAL MARKET

Yesterday afternoon was quite a busy day in the marriage license department of the county judge's office, as there were several applications for permits to wed issued to parties desiring to become united in the bonds of wedlock. The first to be issued was that of Ernest Omer Porter, aged 38, and Mrs. Jennie Sullivan, aged 36, both of this city. These parties were married later in the afternoon by Justice M. Archer, at his office in the city hall, as the county judge was absent from the city yesterday.

A license was also issued to William H. Grafe, aged 23, of Avoca, and Miss Dora L. Richers, aged 20, of Berlin, Olney county. These young people will be married today at Avoca.

G. E. POOL, OF MURDOCK, FILES FOR REPRESENTATIVE ON REPUBLICAN TICKET

This morning saw three more candidates pass under the wire with their announcements of their desire to enter the race for office at the coming primary election. G. E. Pool, of near Murdock, filed as the republican candidate for representative from the Seventh representative district; George B. I. Clements filed as a candidate on the republican ticket for re-election, and Police Judge Barnes of Weeping Water will again ask the voters to re-elect him to the office he has held for the past few years. This about winds up the different filings as the time is quite short now for the filing of names.

The funeral of the late William Foxwell was held yesterday afternoon from the Burlington station, the body arriving from Lincoln on No. 2 at 4:30, and was taken direct from the depot to Oak Hill cemetery, where the interment was made. The funeral services were held at the late home in Lincoln yesterday morning, and the body brought back here, where the family had for so many years made their home, to be laid to its final rest. The services at the grave were conducted by Rev. F. M. Drulliner of the First Methodist church, as the body was consigned to its last resting place. The pall-bearers were selected from the old friends and associates of Mr. Foxwell as follows: T. S. C. Dabb, R. B. Windham, Rasmus Peterson, T. W. Glenn, John W. Crabill and Robert Gibson. The family of the departed gentleman accompanied the body from Lincoln to this city.

Taken to Omaha for Treatment.

This afternoon Hillard Grassman, accompanied by his mother, Mrs. Belle Grassman, departed for Omaha, where he will be placed in Immanuel hospital to undergo an examination, as it is feared that he is suffering from an attack of appendicitis and that an operation may be necessary. The friends of the young man will anxiously await to learn the result of the examination and trust that it may not be necessary to operate upon him.
