As the final and busiest week of the Journal's Booster Campaign for the people of Cass county is begun, the manager of the campaign department wishes to impress upon contestants the importance of sending with all subscriptions the proper subscription blanks carefully made out. This will greatly facilitate the proper handling of the subscriptions in this office besides working a considerable saving in the time required to issue receipts and voting coupons.

Remember all those who have promised you their aid "later on in the contest," or "next pay day," and remind them that their aid is desired and to be effective should be given now. Have your friends ask their friends to give you their votes by taking a paid for subscription to the Journal this week.
