

## HON. G. J. HUNT CANDIDATE FOR SUPREME JUDGE

**A Gentleman Eminently Well Qualified for This Great and Important Position.**

There has been a great deal of favorable mention given in the newspapers of the western part of the state of the candidacy of Hon. George J. Hunt of Bridgeport, Nebraska, for chief justice of the supreme court of Nebraska. Mr. Hunt comes from a section of the state that has not been represented on the bench of the state, and he is eminently well qualified in every way for the position to which he aspires. He is a personal friend of Frank E. Schlater of this city, and Mr. Schlater, like all others acquainted with Mr. Hunt, speaks well of him and his splendid ability as an attorney. Mr. Hunt is a man who has never thrust himself up for office and has devoted his entire time to his legal training and the practice of law, and his candidacy for the office of chief justice comes from the efforts of his friends at Bridgeport and throughout the state, who have gotten together and are pushing the interests of this able jurist of western Nebraska. Quite a number here in Plattsmouth who have visited the western part of the state have met Mr. Hunt and are enthusiastic over his candidacy.

Mr. Hunt is a native of Maryland and came west to Omaha in 1876, and after two years there removed back to Maryland. Later he returned to Omaha and engaged in the practice of law in that city, being a member of the firm of Condon, Clarkson & Hunt. He practiced for several years in the metropolis and later became interested in western land and for the past eight years has been engaged in the practice of his profession in Bridgeport. Those who vote for Mr. Hunt for chief justice can rest assured that they have made no mistake in their choice, as he is eminently able to fill the position.

## H. L. MORGAN, A SHOP EMPLOYEE, RECEIVES A PAINFUL ACCIDENT

Yesterday afternoon H. L. Morgan, a new man employed in the freight department of the Burlington shops here, met with a very painful accident while at his work that will place him out of duty for some time. He was engaged in trimming off some boards with the use of a small adz, when the adz glanced and the point of it penetrated the right foot just below the ankle, and in so doing cut a vein, causing the blood to flow very profusely, and all the way to the office of the surgeon the blood continued to flow, and it was an easy matter to follow the course of the man up the street. The wound was closed with a couple of stitches and the man made as comfortable as possible, although he will carry a sore foot for a few days. The safety campaigns have greatly cut down the personal injuries in the shops here, but occasionally little mishaps, especially among the newer men, will lay them up.

### Mr. and Mrs. M. M. Beal Home.

Mr. and Mrs. M. M. Beal, who have been taking a few weeks' vacation and summer trip to Denver and western points, returned home from Belle Fourche, S. D., last night, where they spent the greater portion of the time with their daughter, Mrs. Bart Kirkham. They report a very pleasant visit, and Mr. and Mrs. Kirkham and Mr. and Mrs. Fellows, also their son, Clarence Beal, doing nicely in that locality. Mr. Kirkham is looking after the newspaper in that city, while Mr. Fellows is postmaster, and both are doing nicely. Clarence Beal has been working at his trade and playing ball, but has been sick the past few days. Mr. Beal thinks that part of the country fine, but prefers to live in Plattsmouth.

WILL M. MAUPIN.

Democratic candidate for railway commissioner, who should be nominated at the primary election Tuesday, August 18. If nominated he will be elected.

## MRS. E. H. WESCOTT ENTERTAINS IN HONOR OF MISS ZELMA TUEY

This morning Mrs. E. H. Wescott entertained in a most charming manner at her home in honor of Miss Zelma Tuey, one of the autumn brides. The affair was in the nature of a breakfast, as well as linen shower, and was one of the most delightful affairs of the social life of the last few weeks.

The dining room was very tastefully arranged for the breakfast party and some twelve of the young ladies were seated around the table, which was beautiful with its decorations of asters and green foliage and the sparkling silver and china. A most tempting three-course luncheon was served by the hostess, assisted by Mrs. C. S. Johnson, in a delightful manner that added greatly to the pleasure of the occasion. After the enjoyable breakfast the bride-to-be was requested to search out the different packages of linen gifts which had been concealed in different places around the Wescott home. There was a great deal of amusement derived at this search and the guest of honor was able to locate all but three of the packages, but on these three it was necessary to have the guests assist in the search. The evening, when opened by Miss Tuey, revealed a great number of choice and handsome gifts in linen of all descriptions that will prove most deeply appreciated by the recipient. Those who were invited were: Misses Georgia White, Edna Morrison, Alice Tuey, Mildred Balsler, Ferris York, Florence Balsler, Violet Freese, Mesdames Jennings Seivers, W. G. Brooks, E. J. Tuey, A. O. Eggenberger, Misses Elizabeth Kerr, Bertha Jackson, Lona Brady, Hazel Tuey, Mina Thierolf, Ellen Windham and the guest of honor, Miss Zelma Tuey.

### Many at Eagle Picnic.

The annual picnic of the people of Eagle hold each year, attracted quite a number of the county officials and candidates from this city today to the handsome little city in the western part of the county. The picnic was on yesterday, as well as today, and there were several hundred present to enjoy the festivities yesterday, although today will be the biggest event of the two days, and there is every promise of an overwhelming crowd being present. County Treasurer Fox, Sheriff Quinton, County Clerk Libershall, Bernard Wurl, one of the candidates for county clerk on the democratic ticket, and County Attorney Taylor and O. K. Reed were among those who made the trip to Eagle.

Mrs. John Cory returned yesterday afternoon from Pender, Neb., where she has been visiting at the home of her daughter, Mrs. Ed Brantner and family. Mrs. Cory reports that Miss Janet Brantner is feeling a little improved over her previous condition and it is thought that immediate danger is over, but an operation may be necessary later.

## MRS. MARQUARDT OF AVOCA MEETS WITH ACCIDENT

**The Leakage From Gasoline Stove Catches Fire, Then in Some Way Conveyed to Clothing.**

An accident yesterday afternoon at the home of Mrs. John Marquardt, in Avoca, that came near resulting fatally for that lady and which, as it was, inflicted on her some terrible burns that caused the most intense suffering and covers two-thirds of her body. Mrs. Marquardt, from all reports, had been engaged in filling the stove, preparatory to doing some cooking, and the stove leaked quite a large amount of the gasoline onto the lower shelf, and as Mrs. Marquardt carried it to the place where she desired to use it, the fluid gradually saturated the dress she was wearing, and as she lit the stove she was a mass of flames in a few seconds, and suffered the most severe burns all over her body, and it was only by the quickest of work on her part that she was not burned to death, as she rolled on the ground to put out the fire and was assisted by relatives and neighbors, who rushed to her assistance. Medical aid was summoned at once for the injured lady, and the injuries dressed.

Miss Eda Marquardt, a daughter, who is a candidate for county superintendent on the republican ticket, was at Eagle attending the picnic there, and was summoned home at once by a telephone message, as at that time it was not known whether she would survive the shock or not. A message this morning from her bedside gives more cheering news, as it is now thought that she will recover from the effects of the burns, although her suffering is intense.

There were four physicians in attendance at her bedside last evening, including a specialist from Omaha, and all that was possible was done to care for her. Her son-in-law, Dr. J. W. Briedel, was the chief attendant upon the injured woman.

## AN INTERESTING MEETING OF THE EASTERN STAR AT THE MASONIC TEMPLE

The Eastern Star last evening held quite a largely attended meeting at their hall in the Masonic temple, and spent the time of the session in the discussion of the lodge interests. At the close of the regular business meeting of the lodge, Mrs. V. V. Leonard, in behalf of the members of Home chapter, presented the past worthy matron, Mrs. George W. Thomas, with a handsome gold star with the emblem of the O. E. S. done in costly enamel. Mrs. Thomas responded in a pleasant manner to the address of presentation and expressed her feeling of appreciation of the lodge for their beautiful gift to her. The emblem is one of great beauty and it is needless to say that it will be cherished with the fondest memories by the possessor.

## THE EAGLES' ANNUAL PICNIC ON SUNDAY AUG. 16, AT KOUKAL'S GROVE

The Fraternal Order of Eagles have made arrangements for the holding of a big picnic at the Koukal grove, northwest of this city, on Sunday, August 16. The Eagles always manage to have a splendid time at their gatherings and the picnic will be in keeping with the usual custom to give their friends one of the times of their lives on this occasion. The Plattsmouth orchestra will be present and disperse sweet music during the afternoon, to which the dancers may enjoy themselves to their heart's content. All who attend are invited to come early and bring their dinners and spend the day in the cool shade and in having a jolly good time.

Marshall, Dentist, Coates Block.

### Asks for Probate of Estate.

From Wednesday's Daily. This morning a petition for the probate of the estate of the late Mrs. Kathryn Armstrong, deceased, of near Greenwood, was filed in the county court, and the appointment of John M. Armstrong, a son, as administrator, asked for by the petitioners. The deceased lady owned quite an amount of real estate near Greenwood and the children desire to close the estate up.

## QUEEN BEES COME ALL THE WAY FROM SWITZERLAND

Our old friend, Herr Adolph Wesch, has just become the proud possessor of two very valuable additions to his swarm of bees, of which he has quite a number of very high-class specimens. The two new additions came all the way from Switzerland and arrived here Monday in fine shape. The bees are two queens and were shipped by Anthony Biazzi, a celebrated bee raiser of Bellinzona, Italian Switzerland, where the reputation of his bees are without equal. The queens cost \$3 each and arrived here in fine shape and will be used for breeding purposes by Mr. Wesch, and will doubtless be the means of greatly increasing the value of his swarm. The bees while at the shoe repairing establishment of Mr. Wesch attracted a great deal of attention and there were a great many of the bee raisers of this locality who would give a great deal to possess the bees.

## A BEAUTIFUL DRIVEWAY AND FINE SCENERY DOWN THE RIVER ROAD

There are a great many residents of this city who do not fully appreciate the great natural beauty of the city and the wonderful walks that can be had along the shady road to the ferry and below there amid the great towering bluffs of the old Missouri. Along this way each year a large number of the residents of the city go on little pleasure jaunts on Sundays and evenings, and here they find a most charming view. The new road that has been opened up among the bluffs along the river is one of the most striking driveways that can be found anywhere, and as a person stands at the highest point of the road a fine view can be had into Iowa and for miles down the river there is an uninterrupted view. This roadway will, as soon as the bridges are placed in on the ferry road, make one of the most charming driveways and one that will be well traveled by auto owners and drivers who are seeking to spend a few hours in the beauties of nature.

## OUR OWN MATT GERING IS ALWAYS RIGHT IN THE FRONT RANK

The following is clipped from the State Journal of this morning, which demonstrates that Matthew Gering does not intend to let any grass grow under his feet:

Congressional candidates have been extremely active for some time. Matthew Gering of Plattsmouth doing more speaking than any of the others. He is now scheduled for a two days' tour of Lancaster county and has been sending out quite a little literature. Most of the other candidates have thus far been content with putting out their pictures and personally meeting the voters. John A. McGuire is still in Washington, but those on his mailing list receive at frequent intervals government documents bearing his frank.

### Returns From Sioux City.

From Wednesday's Daily. Mrs. V. Zucker and daughter, Miss Tina, returned last evening from Sioux City Iowa, where they were visiting at the home of Mrs. Zucker's sister, Mrs. Katelman and family. The Katelman home was made happy a few days ago by the arrival of a fine new baby boy, and from all reports it is certainly some boy.

## SUIT OF JOHN BAUER VS. P. L. PROPST DECIDED IN FAVOR OF PLAINTIFF

From Wednesday's Daily. This morning the case of John Bauer vs. P. L. Propst came up for hearing in Justice Archer's court, and on the evidence the court found for the plaintiff and rendered judgment for the sum of \$104. The case grew out of the placing of a furnace in the residence of the defendant at Mynard. Mr. Propst claimed that the work of installing the furnace was not satisfactory and that the foundation of the house had been removed, allowing the house to settle, and also that the plant did not heat one room in the way it should, and he desired to have \$50 taken off of the bill of the plaintiff to cover the damages done. The plaintiff denied that they had in any way caused the settling of the house, having only removed a small timber that supported a part of the foundation to place a pipe through there. The case was quite warmly contested and it is not known as yet whether it will be appealed or not by the defendant.

### Frank Archer Better.

Word has just been received from Council Bluffs to the effect that Frank Archer, who for some time past has been quite low with a complication of diseases, is on the highway to recovery, as he has received the greatest benefit from the treatment he is taking at present and has the promise of his physician that he will be able to be up and around in a few days for a short time. This is certainly pleasing news to the many friends of Mr. Archer here, who have been quite anxious over his condition.

Accidents will happen, but the best regulated families keep Dr. Thomas' Electric Oil for such emergencies. Two sizes, 25c and 50c, at all stores.

### Horse Runs Away.

This morning the single driving horse of Ivan J. Taylor, which he had hitched to the buggy and was driving to town, became unruly and started to run while coming down Lincoln avenue, and came on over Sixth street, smashing up the buggy, but not injuring Mr. Taylor. It was most fortunate that the owner did not suffer serious injury, as the buggy was badly smashed up.

### Our Mistake and Your Treat.

The Plattsmouth Journal wrote a nice item concerning the marriage of Otto Lushinsky and Lizzie Van Fleet of that city. The only break in the article was that the wedding couple came to Glenwood instead of going to Council Bluffs. The knot was just as securely tied here as could have been done in Council Bluffs. Somebody always finds out about those away from home weddings.—Glenwood Tribune.

### Cut the Weeds.

Now is the proper time for all farmers to mow the weeds along their farms. The law provides for a penalty for failure to do so between the 15th of July and the 15th of August. While the law has set the above date, now is the time to mow them, as the greatest good can be accomplished at this time. I would advise all the farmers along the highways of our district to get after them just as soon as possible, while they can be cut much easier. A. F. Seybert, Road Overseer Dist. No. 2.

The Journal advertisers are doing the business.

### Attention, K. & L. of Security.

There will be no meeting of the K. & L. of Security during the month of August. The next regular meeting, September 3d, will be the annual election of officers. Members will please remember this. A full attendance on that date is urgently requested.

Mrs. Laura Thrasher, Pres. A. O. Moore, Sec'y.

Farm Loans made at lowest rates.

T. H. Pollock, Plattsmouth. Tel. Office 215.

Do you know that the Journal office carries the finest line of stationery in the city?

## Practical Economy

Many of the Suits offered in these three special items are medium weights, which can be worn well into the winter. The styles are precisely the same as next winter's styles. So by buying now you will save from \$5 to \$12 over the price you'll have to pay next fall and winter. This is practical economy without the sacrifice of style.
