Zucker, has by mutual consent been dissolved, and by such an agreement we are compelled to offer our entire line of new Fall and Winter merchandise at a sacrifice. This sale will be one of the largest ever offered in the history of Cass county. This dissolution of partnership compels us to turn our large stock of goods into cash, and we want you to read every price offered in this advertisement, and you will be convinced that we are speaking the truth when we tell you that we are going to close out the line regardless of price. We want the money now and you want the goods. So there is no reason why we cannot do business during this sale. These prices will prevail until our immense stock is reduced—until we can meet the demands of this dissolution of partnership.
