up by the Berlin ball arlist who was performing for the Avoca team and before the visitors were able to settle down the Sox had laid away four large juicy scores that settled the game as the final score was 6 to 4 in favor of the Plattsmouth boys. The advent of Beai in the game served to greatly strengthen the outfield and gave the club the benefit of his splendid base running and ability to hit when needed.

The vistors secured two runs in the second inning, one in the third and the eighth succeeded in tallying one more making their not near tell the story as the Avoca team had from two to three ing and it required the hardest kind of work to prevent their being able to reach the plate, Kennedy at second was a tower of strength in cutting off runs for the Sox, and was also able to hit with effect several times during the game. The visitors were apparently the heaviest hitting of any team in the tournament and will be up in the lead in the final results.
