### Raises Some Mighty Fine Corn.

Saturday Mrs. Henry Winkler of Stewart, Holt County, Nebraska, arrived here from her home to pay a visit to the old home with her parents, Mr. and Mrs. John Rich. Mrs. Winkler brought with her three fine ears of corn raised on their farm in Holt county that certainly speaks well for the corn crop in that section of the state, as they are large and well filled and were taken at random from the field on the Winkler farm. The corn is on exhibition at the Journal office where those who desire to see some good corn can do so.

### Dance Proves a Big Success.

The dance Saturday evening at the German Home attracted one of the largest crowds of the season that filled the hall to its utmost capacity with the merry dancers who tripped the light fantastic until a late hour to the delightful strains of music furnished by the Plattsmouth orchestra under the direction of Thomas Svoboda. Everyone present reports a most delightful time at the affair and was well pleased.

### Here to Visit Old Friends.

Mr. and Mrs. Al. Murray of Fort Madison, Ia., are in the city for a brief visit with their old friends in this city for a few days while enroute home from Pender, Neb., where they have been visiting the father of Mr. Murray. Mr. and Mrs. Murray formerly resided here some twenty years ago, and their friends were delighted to greet them again. This is the first time in twenty years that Mrs. Murray has visited in Plattsmouth and the first time in several years for Mr. Murray, who is employed as a guard in the penitentiary at Fort Madison. While here they were guests of Mrs. John A. Murray.

### THE MASS MEETING AT THE GERMAN HOME YESTERDAY AFTERNOON

The mass meeting of the German held yesterday afternoon at the German Home in this city was attended by a large number of the residents of the county of that nationality, and for the purpose of inspiring the members of the German race with love for their race and traditions was addressed by several very forceful speakers. Rev. J. H. Steger of this city, pastor of the St. Paul's church acted as chairman of the meeting, and introduced the different speakers in a very pleasing and able manner. Hon. John Mattes jr., of Nebraska City was the principal speaker of the occasion and his remarks were right to the point and his appeal to the members of the German race to aid the sick and wounded across the sea was applauded to the echo by the audience and aided greatly in making the meeting the success it was in the inspiring of a more lofty patriotism.

Mr. Janeson of the Omaha Tribune was also present and gave a few remarks on the need of the raising of funds for the relief of the sick and wounded.

### Basket Dinner at Christian Church

At noon to-morrow a company of our pastors and one business man is to be with use in the interest of Nebraska missions. The party is composed of C. E. Lemon of Hastings, H. H. Every member is urged to bring his basket, invite his friends and come to the church for the noon hour meal.

Miss Kittie Cummins was among the passengers this morning for Omaha, where she will spend a few hours looking after some matters of business in that city.

### THE SUNDAY BALL GAME BETWEEN AVOCA AND PLATTSMOUTH

Yesterday one of the best ball games staged on the local diamond occurred between the Avoca team and the Red Sox of this city and the event was a treat for the lovers of good ball, as the fast Avoca team were on the job all the time and the pitching of Vernon for the Sox was gilt edged as he did not allow a hit, and one walk was responsible for the score which later came in on a passed ball. Gensylinger who did the tossing for Avoca allowed two hits, but seven passes which he gave to first base allowed them to score one run and he gave the Sox a score when he walked a man in the second inning with the bases full. The fielding of Fahnestock at short for the visitors was a feature of the game.

There was a very large attendance at the game and everyone felt well pleased over the exhibition of base ball played which was gilt edged. Plattsmouth made only one error, while Avoca registered two during the game. Klein the fast third sacker was in the game again yesterday for the Sox, and aided in the victory. The indicator was handled by McAndrews in a very satisfactory manner as his policy throughout the tournament and his decisions were fair to both sides. The lineup of the teams was as follows:

### CHRISTIAN ENDEAVOR EN- JOY FINE MEETING AT THE PRESBYTERIAN CHURCH

Last evening at the Presbyterian church a most interesting session of the Christian Endeavor society was held and a record breaking crowd was in attendance to take part in the interesting and pleasing program that had been arranged for the occasion. A week ago a contest was started among the members of the society to see which side could fill the largest number of chairs at the meeting last evening, and the competition was quite keen. There were thirty chairs on a side and these were filled in a very few minutes by the rustling leaders of the two sides and it was necessary to begin to rush additional chairs into the Sunday school room to seat the crowd. On the west side there were some eighty-five seated and on the east side sixty-five and as a result the east side will be compelled to entertain the west side at a banquet in the near future. The meeting was one of the most successful held in a long time, and the addresses given were very pleasing. Mrs. H. G. McClusky gave a short talk on "Missions" and Rev. McClusky gave a talk on "Peter" which was clear and concise and was very enlightening to the audience. The occasion will be one long to be remembered and greatly stimulate the work in the Endeavor league.

Mrs. Joseph Fetzer was among the passengers this morning for Omaha where she was called to spend the day looking after some matters of business.

### Notice to Rural Route Patrons.

It has for some time been the custom of many patrons of the rural mail routes running out of Plattsmouth to place their letters or mail matter in their boxes without stamps, in the place of which placing in the box the required amount of pennies or coin to pay the postage. This is a violation of the postal rules and regulations, which plainly states that all mail matter placed in the boxes must have the required amount of stamps thereon. While we, the undersigned carriers on the routes leading out of Plattsmouth are more than anxious to do everything in our power to accommodate and please the patrons along our routes, we must insist upon the cessation of the penny postage business as it takes up a great deal of our time and is entirely too much trouble for the time it saves our patrons. After two weeks notice to this effect, allowing all patrons to provide themselves with postage, we will leave all money and mail in the boxes. We can provide you with stamps in any quantity at all times.
