A VERY PRETTY HOME WEDDING

Miss Ruth Johnson and Edward F. Grybsky United in the Holy Bonds of Wedlock.

A very pretty and charming home wedding occurred last evening at the home of Mr. and Mrs. Harry Johnson on Oak street when their daughter Miss Ruth May was united in marriage to Mr. Edward Frederick Grybsky of Omaha. The Johnson home was decorated in a most handsome manner for the occasion, and made a fitting setting for the joyous occasion. The parlor where the ceremony was performed was lavishly decorated with asters and pink cosmos, while a beautiful canopy of white and gold arched over the bride and groom. The solemn marriage lines were read by Rev. H. G. McClusky of the First Presbyterian church. Preceding the ceremony the guests were received by Mrs. Sherman Cole, and Miss DeElla Verner at the door and ushered into the parlor to await the ceremony. Mrs. Charles Barnard of Mynard presided at the piano and preceding the wedding played "Love's Old Sweet Song" by Molloy, and as the strains of the "Lohengrin" wedding march sounded through the rooms the bride couple entered and took their stations beneath the canopy where the beautiful and impressive ring ceremony was used to make these happy hearts as one. The bride was attired in a most charming costume of white embroidered voile trimmed with white satin, carrying a shower bouquet of bride roses. The bride also carried a rare lace handkerchief, the gift of an aunt in England. The only jewels worn by the bride was a handsome La Valiere of gold set with pearls and garnets the gift of the groom.

Following the wedding ceremony the young people were showered with congratulations and Mrs. Barnard played very sweetly on the piano, the selection, "Flowers of Spring." The guests were then invited to the dining room where delicious refreshments of ice cream and cake were served by Mesdames A. B. Smith and Carl Kunsman. The punch bowl was presided over by Misses Opal Cole and Zora Smith. The presents were in charge of Mesdames George Dodge and W. E. Rosenkrans.

The out-of-town guests were: Lawrie Lawn, a cousin of the bride, of Winnipeg, Canada; Messrs. Harry Lighthall, Richard Miller, Peter Nelson, John Carr, Miss Lena Lather, Omaha; Mrs. William Hassler, Misses Elita Brooks, recorder of the Degree of Honor, Anna Hassler Lincoln; Mr. Fanger and family, Missouri Valley, Iowa; Mrs. J. W. Rynott, sister of the bride, San Diego, California; Mr. and Mrs. Charles Bernard, Mr. and Mrs. Sherman Cole, Mr. and Mrs. S. O. Cole and son Roy, and daughter Miss Opal, Mr. and Mrs. W. H. Verner, Mynard; and Mr. and Mesdames Carl Kunsman, W. E. Rosenkrans, E. W. Cook, William Hassler, sr., Henry Ofe, E. A. Wurl, George Dodge and daughter, Miss Violet, A. B. FRED KEHNE SURPRISED ON HIS FIFTY-SECOND BIRTHDAY

A very pleasant surprise party occurred on Wednesday evening at the hospitable country home of Mr. and Mrs. Fred Kehne west of this city when the neighbors and friends to the number of 150 swept in on him to remind him that he had passed his fifty-second milestone on this day. The event was a complete surprise to the guest of honor as he had no intimation of the intention of getting up the gathering so skillfully had Mrs. Kehne and the members of the family arranged the details. After the host had recovered from the shock of the surprise everyone entered into the pleasure of the evening and had one of the best times imaginable. Games served to pass the time for the older members of the party while the younger ones spent it in tripping the light fantastic for several hours. A sumptuous lunch was served at a suitable hour that embraced everything that the heart of the most discriminating epicurian could desire. It was a late hour when the company dispersed, wishing Mr. Kehne many happy returns of the day.

JAMES SEIVERS MEETS AN ACCIDENT IN A QUEER MANNER

From Friday's Daily.

Our old friend James W. Seivers is wearing his right shoulder bandaged up since yesterday, as the result of an accident that befell him and which is quite unusual, to say the least. Mr. Seivers has a pony or colt at his home that has become a great pet and is handled by different members of the family with impunity, and it is quite a favorite with his little granddaughter, Virginia Tucey. Yesterday morning Mr. Seivers who was in the house heard the little girl scream and ran out to see the colt moving away from where the child was lying on the ground, and he ran up to find that the colt had attempted to bite the child and had inflicted a slight laceration on her face. This decided Mr. Seivers to learn the horse a lesson, and seizing a club he started out to do business with the animal and hurled the club at it, with the result that the force of the throwing put his right shoulder clear out of its socket, and it was necessary to secure the services of a surgeon to place the arm back into its proper position. The injury will place our worthy friend on the disabled list for several days, but has not lessened his good nature or his flow of humorous stories.

Harold LaChappell departed this morning for Glenwood for a short visit there with relatives and in looking after some matters of business and will then return to this city where he and his wife are visiting at the Frank Brinkman home.

WIDOW CLAIMS DOWER IN A LARGE ESTATE

Not Satisfied With Amount Left Her She Brings Suit for One-Fourth Interest in Estate.

An answer has been filed in the district court in the case of Anna Reiter vs. George Reiter, jr., et al., in which the defendants present their side of this case that involves the settlement of the estate of one of the wealthy residents of the west part of the county. The defendants state that the plaintiff is the widow of the late George Reiter, sr., by a second marriage, and that she is not the mother of his children, and had been married to him less than five years before his death last October, and that she had no part in the acquiring of the property of the deceased. The defendants further state that the will of the deceased George Reiter was accepted by the widow at the time letters testamentary were granted to George Reiter, jr., as administrator of the estate and that she accepted the sum of \$5,700 as her part of said estate, as she desired to remove to a locality where her own relatives resided, and stated that she did not care to reside in the homestead, which had been left her under the will, as she wanted to remove to Illinois.

The plaintiff claims that she did not accept the settlement made in the will, but desired to elect under the law for a one-fourth interest in the estate as a widow's share and that the offer made her was clearly much less than her just share of the estate, and that she would have secured under the law and she asks that the proper relief be given her and that she receive her dower rights.

The deceased, George Reiter, sr., was one of the prominent residents of Eagle and Tipton precinct, and at the time of his death was the owner of considerable real estate in that section of Cass county. The case will be heard at the next term of court and will be one that will attract a good deal of attention owing to the prominence of the family in the western part of the county.

LOUISVILLE DEFEATED MANLEY AT BALL TOURNAMENT YESTERDAY

From Saturday's Daily.

The base ball tournament at Louisville this week is attracting a great deal of attention from the fans throughout this county, and the opening games yesterday was quite largely attended. Louisville came off winner in their opening game by defeating Manley by the decisive score of 5 to 2. Sanders, the star pitcher of the Storz of Omaha was on the mound for Louisville, and had the Manley team on his list all the time. Miller did the tossing for Manley. In the Springfield-Murdoch game, Springfield won the long end of a close contest by a score of 8 to 7. Stimpson, who pitched here in the tournament for Plattsmouth was used by Murdoch, but was quite wild, while Gotch for Springfield was more steady and won. Mead, the fast little catcher of Avoca did the receiving end of the job for Springfield and his work was excellent. The attendance today and tomorrow at the games will be much larger it is expected by the management.

Miss Teresa Kelley departed this morning for Beloit and Concordia, Kansas, where she will enjoy a two weeks' vacation there with friends and rest from her duties here with the Olson Photo Company.

Receives Paper From Austria.

Edward Donat has just received a copy of the Protector, a newspaper published at Brunn, Moravia, near his old home, which gives the details of the war from the standpoint of Austria and which differs greatly from the reports received by the associated press and news bureaus in the United States, and which came through the English censorship. Publishing a newspaper in Europe is rather a strenuous job now days, as the military authorities exercise their right of dictating what appears in them and as a consequence only what is wanted gets through the rigid examinations of the military. The Protector gives details of great victories over the Russians.

ALFRED L. MAYER, SON OF SIMON D. MAYER OF LINCOLN, DIES IN HOSPITAL

From Friday's Daily.

The body was taken to Lincoln where the funeral services will be held this afternoon from the family residence at 2 o'clock. The friends of the Mayer family will extend to the bereaved relatives their deepest sympathy in their loss.

THE AUTOMOBILE FIRM OF DOVEY & CO. MEET WITH GREAT SUCCESS

The automobile firm of Dovey & Co., the representatives of the famous Ford cars have been meeting with great success during the time they have been handling these machines and yesterday did a nice day's business when they disposed of four machines to purchasers. This sale has cleaned them up of all machines on hand, and they will be compelled to wait until next week before another car can be received from the factory, when operations will be resumed in supplying the automobile needs of the residents of Cass county and Plattsmouth. The sales of the Fords here by this firm so far this year shows that thirty-two cars were disposed of which is a nice showing and one that is very much appreciated by the members of the firm.

Chapman a bouncing baby boy weighing eight and one-half pounds, and the little man received a most hearty welcome from the parents, and the proud grandparents who were present to greet his arrival. The new son and heir was christened Samuel Johnson Chapman, and the friends here this morning received the announcement of the arrival of the little stranger. Mrs. Chapman was formerly Miss Ruth Johnson of this city, where both the parents resided for years, and the news of the addition to their family is most pleasing news to their many friends and the best wishes for the future of their little son will be extended to them.

DELIGHTFUL GATHERING AT THE VAL BURKLE HOME

Where They Entertain the Methodist Choir and Euterpean Club in Honor of Visiting Guests.

From Saturday's Daily.

The pleasant home of Mr. and Mrs. Val Burkle was the scene of a most delightful gathering last evening when they entertained the members of the Methodist choir and the Euterpean Glee club and a few intimate friends in honor of their brother and sister, Mr. Adam Burkle and Miss Anna Burkle of Portsmouth, Ohio, who are here on a visit. The evening was one devoted to music and the occasion was one of the most delightful that the talented members of the choir have enjoyed for some time. Vocal solos were given during the course of the informal program by Mesdames Ferris York Jelinek, E. H. Westcott and Mae Morgan and Messrs. D. C. York and W. G. Brooks, while the guest of honor of the evening Mr. Burkle was prevailed on to render a number of very much enjoyed selections that gave the delighted audience an opportunity of hearing his beautiful baritone voice. Mr. Burkle is the director of a Methodist choir in Portsmouth and is a most accomplished vocalist and his offerings last evening were very pleasing to the music lovers present. Misses Ellen Windham, Alice Tucey and Miss Burkle gave a number of readings that added greatly to the pleasures of the evening and the guests present. The choir also gave three very much appreciated numbers. At a suitable hour the company were treated to some very delicious refreshments served by the hostess assisted by Mesdames J. C. Peterson, L. B. Egenberger, E. L. Spies and Miss Myrtle Peterson which added further to the most delightful evening, and it was a late hour when the guests departed feeling that the treat afforded them had been one of the greatest delight.

ALMOST SERIOUS ACCIDENT AT ELMWOOD ON MONDAY NIGHT

From Saturday's Daily.

Monday evening Wm. and Dick Massey and Guy Bogenrief drove to town and hitched their team to the hitching rack opposite Goldhaber Bros. After the boys had spent the evening here, and about 10 o'clock decided to return home, they untied the team and had just started down the hill toward the depot when the neck-yoke broke and the team became frightened and started to run. They became uncontrollable and were running at a break-neck speed when at the Mo. Pac. tracks an effort was made to stop them by turning them into a side road. The result was that the buggy was overturned and the three young men were thrown out with considerable force.

The two Massey boys escaped without any severe injury save a few scratches, but young Bogenrief was not so fortunate. One side of his face was badly skinned and bruised. His left eye was entirely swollen shut. When he was picked up by Night Watchman Lynn and others, he was unconscious and was taken to the doctor's office where he remained in that condition for several hours. While his face is badly bruised he feels thankful that matters are no worse than they are.—Leader Echo.

Now Known as "Riverview."

J. E. McDaniel who has recently purchased the Humphrey property on North Third street and fitted it up in a splendid manner for his future home has decided that it shall be distinguished by an official title and for this purpose has registered its name with the county clerk. The McDaniel home will be known as "Riverview" in the future and the title is certainly appropriate as the place stands on one of the most commanding positions in the city with a view for miles up and down the Missouri valley.

GOVERNOR MOREHEAD SUGGESTS A DAY FOR SELECTING SEED CORN

In view of the fact that our successful farmers and experiment stations find that early selection of seed corn is advisable, it seems in a matter of such economic importance, that a time should be set aside for its early selection.

The following reasons for early selection are apparent:

1. Early selected seed is less liable to be injured by freezing.
2. Seed selected in the field enables the farmer to obtain ears from plants of the proper type and from plants growing under normal conditions.
3. From various reports received the present crop has ripened early, and seed may be safely selected at the end of the month. It appears essential, however, that such corn once selected should be stored immediately in as dry a place as possible.

A special reason why our farmers should select their own seed will appear from date of the Nebraska experiment station showing that native seed produced 6.2 bushels more per acre than excellent seed brought in from other districts.

With these facts in mind, I designate the week beginning September 28 as seed corn selection week, and urge its general observance as the proper time for this important task.

Given under my hand and the Great Seal of the State of Nebraska, this twenty-third day of September, 1914. John H. Morehead, Governor.

THE DEMOCRATIC MASS CONVENTION NOMINATE CANDIDATES

From Saturday's Daily.

The democrats of the city assembled last evening in mass convention at the city hall to place in nomination the candidates for the minor offices of the city to be voted on at the coming November election. The convention was called to order by J. P. Falter, the chairman of the city committee and at once got down to business and placed the candidate in the field whom they thought best fitted for the different positions.

For the office of justice of the peace, Judge M. Archer and W. B. Rishel were nominated and their selection was made unanimous. For constables John Cory and William Gravitt were chosen without opposition.

In selecting the candidates for assessors the convention decided upon A. D. Despain the present incumbent for city assessor, and Mike Manzy for the office of district assessor. P. E. Ruffner, who has filled the office for a number of years is absent in Missouri and announced to his friends that he did not desire a re-election to the office.

BALL TOURNAMENT AT LOUISVILLE A BIG SUCCESS

Plattsmouth Sent Up Big Delegation Sunday, and a Large Attendance Witnesses Game.

The Louisville base ball tournament closed yesterday with a large crowd in attendance to witness the final exhibitions of ball given. In the final outcome Springfield was able to cop the first money by defeating Louisville by a score of 6 to 0 in a hard fought game. The game was one of the best given on the grounds during the tournament and the Louisville boys certainly operated under a spell of hard luck as their chances at scoring were nipped in the bud every time by a series of exceptional plays by the Springfield field boys that put them out of the running. Gotch did the tossing for the Springfield team and was there and over on not only his pitching but in the way the luck broke for him as several times with hard hits by Louisville, and men on bases his teammates were able to pull him out by fast work on the bases, and he finally scored a shutout. Oleson, the Storz pitcher used by Louisville threw a good game and fanned some thirteen of the Springfield bunch, but they were able to land on his waste ball for scores at opportune times, and all the efforts of the Louisville players were fruitless as the jinks was clearly upon them. Prefka, the fast A. O. U. W. catcher of Omaha did the receiving for Louisville.

The first game yesterday was between Manley and Murdoch and in this the Manleyites were clearly the strongest, as they rapped out a run whenever they felt so inclined, and several passed balls by the Murdoch catcher allowed them to score five of the eight runs so secured. The final result of the game was 8 to 2 in favor of Manley. Stimpson started the game in the box for Murdoch, but it was impossible for the catcher to hold him and he was taken out and Gakemeier substituted, but the Manley aggregation added five of their runs off him. Miller who was on for Manley was in his usual good form and had little trouble in putting the Murdoch players to the bad with his slants.
