

DISSOLUTION SALE

—AT FANGER'S DEPARTMENT STORE!—

Ladies' and Misses Coats

We have just received a beautiful line of Ladies' and Misses' Coats, that we had contracted for some time ago, before we ever knew that this dissolution sale would happen. Even these magnificent stylish garments will go at dissolution cut prices. What better opportunity could anybody wish for. In fact there isn't a single article in this great Department Store, that the price has not been greatly reduced.

GOING OUT OF CLOTHING BUSINESS!

The mammoth stock of Fanger's Department Store will be sold at rock bottom prices, regardless of cost and value. This sale is the greatest cutting, slashing, crashing prices ever known in the State of Nebraska, for we have cut the prices below any possibility of profit. This sale will eclipse anything ever before attempted at a bargain sale.

Our Clothing Department

Now remember this is not an ordinary reduction sale, but a closing out sale—every dollars worth of goods *must* be closed out, as we will positively not handle any more clothing in the future. So our loss is your gain.

So far as

Our Millinery Department

is concerned it talks for itself.

WHAT OSTEOPATHY HAS DONE FOR A GREAT SUFFERER

My trouble began a long time ago—20 or 30 years. I had a constant pain in my right side. I didn't notice it much at first but it kept getting worse until 4 years ago I began to pass blood in the urine. This frightened me, and I consulted my local M. D. who gave me no satisfaction as to what the trouble was but wanted to operate for removal of the right kidney. He told me I would die inside of six months if the kidney was not removed. I then visited four well known specialists in Des Moines, one in Omaha, Neb., and one in Atlantic, Iowa. They all insisted on an operation for removal of the kidneys and they told me I would die in a short time if I wasn't operated on. Last June I was persuaded to go to Still College of Osteopathy at Des Moines, Ia., to see what Osteopathy could do for me. Dr. Taylor of that institution examined me and told me to go home and take osteopathy treatments, which I did. I have taken treatments about three months and have done by work on my farm right along. At the present time, I have but slight trouble with my side and that only at times. I have passed no blood for nearly two months; urine is as clear as it ever was. I don't say that Osteopathy saved my life, but it saved me a whole lot of suffering.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; also cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give one Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

The president has endeavored to maintain a perfect friendly attitude to all of the battling countries and should have the assistance of every citizen in his splendid efforts.
