**Yes, Williams, I'll Tell You Why I Won't Invest in Your Enterprise**

YOU'RE located in the wrong town. Close a dozen saloons last spring, the first institutions to come across with their taxes. You voted yourselves out of those good funds, and what has it got you? Practically a dead town.

You tried to deprive men of their personal rights. You told 'em they couldn't drink beer, even moderately as they had been doing. Men who couldn't even get beer in respectable beer saloons, got unlimited quantities of cheap, stronger drinks in the countless blind pigs that your blue laws created.

Those orderly saloons were the Liberty Hall of many workmen who sought an hour's relaxation, amusement, fellowship. To them, they were what a club is to you and me. Naturally, they denied the privilege of drinking an occasional glass, they skulked to the convenient speak-easies and became law breakers.

There you are, Williams. None of my money for a town that clamps down the lid—not on intemperance, but on business and sobriety.

**SUFFRAGISTS LOSE FIVE OUT OF SEVEN**  
**Votes For Women Gained In Two States, Montana and Nevada.**

Chicago, Nov. 5.—Woman suffrage leaders rejoiced when belated returns indicate that votes for women had been apparently granted in two of the seven states voting on the question in Tuesday's election, with a third state in doubt. First returns had indicated defeat of the granting of the franchise to women in all seven states concerned.

Montana and Nevada, according to latest returns, granted votes to women, while Nebraska showed such a small vote against the proposal that the women claimed the state. Missouri, Ohio, and North and South Dakota refused to grant equal suffrage, the vote against granting the franchise to women increasing with the size of the population concerned.

In Montana, where the workers of the Woman's Suffrage association made heroic efforts to win the ballot, the vote was so close that the official count will be necessary to decide the outcome, but the women have a slight lead on unofficial returns.

In Nevada, which seems won to the cause of equal suffrage, 105 precincts out of 249 gave 3,619 votes for woman's suffrage and 2,598 against.

The effect of women's votes on prohibition in Tuesday's election indicated that women do not unanimously oppose saloons. Women failed in two Pacific coast states to turn out saloons, although the exact status of the female vote on the subject in California and Washington has not been tabulated yet. Both these states voted for the first time to oust saloons, and in both the voting of women is comparatively a novelty. The vote in favor of retaining saloons was large in both states.

**Three States Go Wet, Three Dry.**

Chicago, Nov. 5.—Three western states were aligned in the dry column, according to latest returns. Oregon, Arizona and Colorado voted for state-wide prohibition by clear margins, say anti-liquor people. In addition the claim was made by anti-saloon workers here that the majority of Illinois legislators as a result of the election are "dry" in sentiment. Ohio, however, went overwhelmingly against prohibition, as did California and Washington.

**New York Elects Socialist.**

New York, Nov. 5.—A Socialist has been elected to congress for the first time in the history of New York. He is Meyer London of the Twelfth congressional district, who has been active in labor and Socialistic circles in this city for many years. He defeated Congressman Henry M. Goldfogel, the Democratic and independence league candidate.

**70 Shells Fired at Turkish Forts.**

Paris, Nov. 5.—A dispatch to the Havas news agency from Athens says that the bombardment of the forts of the Dardanelles, which was participated in chiefly by the British fleet, was suspended momentarily but later was resumed. Seventy shells in all were fired at the Turkish forts.

**Republicans Win in Hawaii.**

Honolulu, Nov. 5.—The Republicans were successful in the election held here, winning the territorial and municipal offices, with a few exceptions. Hon. J. K. Kahanalanie (Prince Cupid) was re-elected delegate to congress by 3,000 plurality.

**Burke Admits Election of Johnson.**

Pierre, S. D., Nov. 5.—Congressman Burke admits the election of Ed S. Johnson, his Democratic opponent, to the senate by about 2,500, and he has wired Johnson congratulations. Democrats get congressman in the Third district.

**"Engaged Man's Panic."**

"Engaged man's panic" is as familiar a phenomenon as the squawking of a captured chicken or the flopping of a hooked fish. And woman instinctively anticipates it, feels it before it actually begins, deals with it according to her abilities. No woman ever feels that this is a slur upon her. She knows that it does not involve her, but is only the nervousness of the free at the touch of the matrimonial bride—and that bride, as she knows and as he knows, is not in her hands, but in the hands of society. Even the man marrying for a home, even the man marrying for children or for money, even the man marrying because only by marriage can he hope to get some one to associate with him, bear with him, listen to him on terms of his own arranging—even these men feel the nervousness as the bride drops over their heads and the bit presses their quivering lips. —From "Dogmaro's Wife," by David Graham Phillips.

**"Knotty" History.**

Tying knots in a handkerchief to jog one's memory had its origin in China thousands of years ago. Before writing was invented in that country, which did not happen until 3000 B. C., memorable and important events were recorded by long knotted cords. The most ancient history of China is still preserved as told by these knots. When Emperor Tschang Ki invented writing the entire system of "knotting" was abandoned. And today the memory knots made by us in handkerchiefs are the only surviving descendants of that ancient custom.

London, Nov. 5.—The British cruiser Minerva has bombarded the Arabian town of Jiddah, on the Red sea, Jiddah, a town of some 30,000 inhabitants, is the chief seaport of Arabia, in the province of Hejaz, sixty-five miles northwest of Mecca. From the sea the white minarets show plainly within the walls of the town and give it a picturesque appearance. The angles of the walls on the sea front are surmounted by forts. In the northern part of the town is a tomb said to be that of Eve. Nearly half the population is Arabic. Large numbers of pilgrims pass through Jiddah each year on the Mecca pilgrimage.

Turkey has now definitely broken off diplomatic relations with Great Britain, France, Russia and Serbia. Its diplomatic representatives in the capitals of these countries, acting on orders from the porte, demanded and received their passports. The powers, which the Ottoman government thus defied are already taking warlike action against Turkey.

The British have destroyed Fort Akabah in Arabia, the Russians have invaded Asia Minor and an Anglo-French fleet is bombarding the forts of the Dardanelles.

London, Nov. 5.—A dispatch from Copenhagen says: "A fleet of German warships has gathered off the Aland islands, in the Baltic sea, northeast of Stockholm and opposite the entrance to the Gulf of Finland. They evidently were proceeding north and have stopped to await orders."

The report is being circulated in Dover that the German fleet has come out from its base. It is also reported from Dunkirk that four battleships and four cruisers have put to sea from Kiel.

With pressure on the Franco-Belgian sea coast relieved, interest in London has been diverted from land operations to naval movements.

The daring dash of a German squadron to within ten miles of the north-east coast of England indicates that the prolonged inactivity of the larger units of the German fleet has been broken by a raid on the coast of England, and much satisfaction is expressed that the cruiser Halyon, by the clever seamanship of its commander, escaped from a tight corner practically uninjured. The retiring German squadron dropped floating mines in its track and this delayed pursuit.

**TWO MORE STATES UNDER CATTLE BAN**  
**New York and Maryland Added to Those Now Quarantined.**

Washington, Nov. 5.—The worst outbreak of foot and mouth disease ever known in the United States is the department of agriculture's estimate of the live stock epidemic which has forced federal quarantine over six states and threatens a temporary reduction of the nation's food supply.

An emergency appropriation by congress may be required to finance the campaign to suppress the epidemic. Officials said it would be a week before they could forecast the extent to which the food supply would be affected. They are inclined to believe, however, that the shrinkage will not be large in spite of the inconvenience to which stock growers and packers will be subjected until the disease is under control.

Every possible effort will be made to remove handicaps upon the movement of live stock. The quarantine does not prevent the shipment of slaughter houses within the quarantined area, and there is no embargo against the shipment of dressed meat.

New York and Maryland were added to the list of quarantined states.

This outbreak, which is the first in the United States since 1908, is regarded as the most serious of any that the United States has yet experienced. Not only has it already spread over an extensive area, but its virulence seems to be above the average.

**MOREHEAD FAR IN LEAD OF HOWELL**  
**Returns From the State Increase His Plurality.**

**TREND IS AGAINST SUFFRAGE.**

Shallenberger Runs Nip and Tuck With Barton In Fifth Congressional District—Reavis Defeats Maguire In First—Stephens Is Re-elected.

Lincoln, Nov. 5.—Returns from fifty-seven counties have been received on governor and show: Morehead, 52,379; Howell, 43,184. These totals are both heavier than the vote for Morehead and Aldrich two years ago, and indicate a net gain for Morehead.

For congress, Lobeck (Dem.), in the Second district, and Stephens (Dem.), in the Third, are elected.

Reavis (Rep.) has apparently defeated Maguire in the First.

Sloan (Rep.) is elected in the Fourth district.

Shallenberger (Dem.) has a chance to win in the Fifth district.

Kinkaid (Rep.) is re-elected in the Sixth.

Returns were difficult to obtain in the congressional races. In the Fifth district, former Governor Shallenberger and S. R. Barton, present congressman, are having an up and down count. Barton losses were reported in several precincts.

**Trend Is Against Suffrage.**

After having led in the first messenger reports, woman suffrage began to fall behind. Counting Douglas county, the thirty-one counties from which incomplete returns have been heard from give suffrage 19,356 and against suffrage 21,057. This gives the anti in these incomplete returns a majority of 1,701.

The thirty counties outside of Douglas, with mostly incomplete returns, also give the anti a majority of 756. Douglas county voted: For, 7,693; against, 8,638.

Returns on the state offices are hurried while the election boards give attention to the county offices. This year for the first time for more than thirty years full county tickets are elected with the full state ticket, and this centers interest in local candidates. The occasional report of the vote on secretary of state indicates that the Republican state ticket will run much ahead of Howell, and that it stands strong chances of election.

**STUDENTS TO VISIT YARDS**  
**Fifteen Will Judge Cattle and Horses at South Omaha.**

Lincoln, Nov. 5.—Fifteen students of the Nebraska college of agriculture at Lincoln are expected to arrive in Omaha and South Omaha Saturday where they will judge cattle and horses at the stock yards and visit other points of interest in the two cities. The visit is incident to several trips being made to different parts of Nebraska, Missouri, Iowa, Kansas and Illinois, where the students are receiving practice in this work previous to the selection of a stock judging team to be sent to Chicago at the International Live Stock exposition. The party will be in charge of Howard J. Gramlich, professor of animal husbandry at the university farm.

Salley a barber, and L. S. Ross, jewelers, were in the car and went to the bottom of the river with the car. They freed themselves and reached shore exhausted and nearly drowned. Speed is given as the cause of the accident.

**Broadwell Files Rehearing Motion.**

Lincoln, Nov. 5.—A motion for a rehearing was filed in the supreme court by Frank A. **MOREHEAD WINS OVER HOWELL**  
**Governor Is Re-elected by Increased Majority.**

**ABOUT TWENTY-FIVE THOUSAND**

Returns So Far Received Show That He is Gaining Over His Former Vote—Scattering Returns Favor Republican Ticket Below Governor.

Lincoln, Nov. 4.—Enough of the state has been heard from to make certain the fact that Governor Morehead has been re-elected by an increased plurality. Sixty-one precincts reported, coming from all over the state, show: Morehead, 6,227; Howell, 5,496; Sackett, 365. These same precincts two years ago gave: Morehead, 5,264; Aldrich, 5,028. This is a net gain for Morehead of more than eight to the precinct. Should he maintain this ratio throughout the state, his final lead over Howell will be in the neighborhood of 25,000.

Below the governor, the Republican ticket seems to be running well. Returns from a few scattering precincts show: Pool, 319; Well, 373; Skalla, 18.

On the suffrage amendment only fifteen precincts have been reported, showing 1,579 for and 1,425 against.

**Tight in First District.**

The city of O'Neill, First and Second precincts, give Morehead (Dem.) for governor, 168; Howell, 79. Same precincts in 1912 gave Morehead 149; Aldrich, 79. Women's suffrage amendment received 76 votes to 109 against.

One precinct in Clay county (Lincoln) gives: Morehead, 151; Howell, 201. Same in 1912 gave: Morehead, 142; Aldrich, 230.

One precinct in Richardson county gives: Morehead, 146; Howell, 97. Same in 1912 gave: Morehead, 139; Aldrich, 98. For congress: Reavis (Rep.), 121; Maguire (Dem.), 712. Same in 1912: Clark (Rep.), 132; Maguire (Dem.), 104.

Fourteen of twenty-one precincts in Lincoln county give: For removal of university, 1,178; against removal, 3,089. Seven precincts on suffrage: For suffrage, 796; against suffrage, 702.

Ten precincts in Lancaster county give: Morehead, 1,492; Howell, 1,504; Sackett, 409. Same in 1912 gave: Morehead, 1,409; Aldrich, 1,959.

Sunday baseball is probably defeated in Lincoln. Fourteen out of twenty-one precincts give: For, 2,284; against, 2,374.

**Vote in Buffalo.**

Kearney, Neb., Nov. 4.—One hundred and three precincts, Kearney, Beaver, Gibbon, Logan and Shelton, Morehead, 520; Howell, 658; Sackett, 44. Three precincts, suffrage: For, 358; against, 246.

York, Neb., Nov. 4.—York county, four precincts: Morehead, 302; Howell, 354; Sackett, 6. Same 1912: Morehead, 224; Aldrich, 164.

Osceola, Neb., Nov. 4.—Polk county, two precincts: Morehead, 210; Howell, 253. Same 1912: Morehead, 194; Aldrich, 247.

Papillon, Neb., Nov. 4.—Sarpy county, three precincts: Morehead, 189; Howell, 148. Same 1912: Morehead, 259; Aldrich, 214.

**Lancaster Shows Democratic Gain.**

Lincoln, Nov. 4.—Six precincts, Lancaster county: Morehead, 896; Howell, 686. In 1912 the same precincts gave: Morehead, 737; Aldrich, 546.

The first returns to come in were from Mr. Bryan's home precinct, which gave Morehead 55, Howell 35 and Sackett 2.

Three precincts for congress: Maguire (Dem.), 419; Reavis (Rep.), 384. Same 1912: Maguire (Dem.), 469; Clark (Rep.), 297.

**Stephens in Lead.**

Norfolk, Neb., Nov. 4.—Returns from the Third congressional district indicate the re-election of Dan V. Stephens (Dem.) to congress. Woman's suffrage has a good margin in the early returns, and Morehead, for governor, seems to have gained over his lead of two years ago. A number of precincts favor university removal.

**Howell Leads Morehead in Dixon.**

Ponca, Neb., Nov. 4.—Five precincts in Dixon county give: Howell, 302; Morehead, 126. Same precincts in 1912 gave: Aldrich, 288; Morehead, 152. Same precincts for woman's suffrage, 125; against, 303. Spellman (Rep.), for congress, three precincts, 119; Stephens (Dem.), 83.

**Morehead Has Small Lead in Gage.**

Berrie, Neb., Nov. 4.—Midland county precinct gives: Morehead, 63; Howell, 39; Sackett, 33. Same precinct gave: Aldrich, 72; Morehead, 67; Roosevelt, 43. In 1912, Big vote cast in Gage county. Berrie's total vote was 1,861.

**Close in Adams County.**

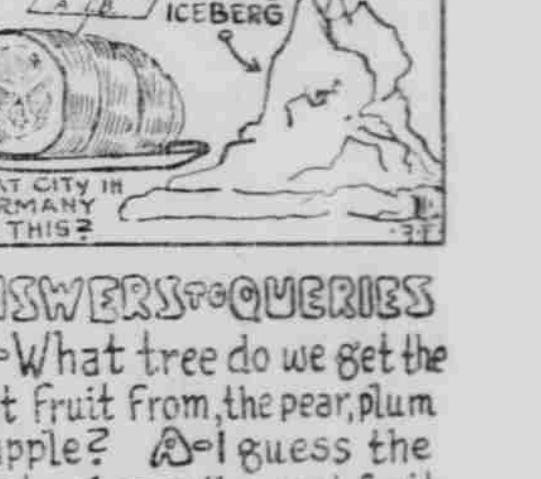

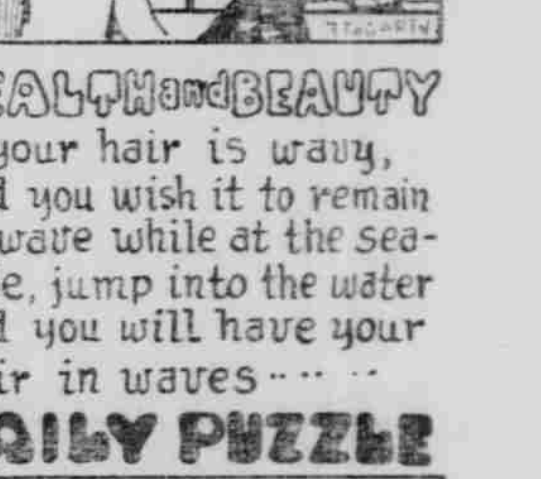

Hastings, Neb., Nov. 4.—Scattering returns from Adams county give the prospect of small gains for Howell and the rest of the Republican ticket. Equal suffrage probably loses in Adams county. The vote was heavy.

**First District Congressman.**

Liberty, Neb., Nov. 4.—Richardson county, eight precincts: Reavis (Rep.), 672; Maguire (Dem.), 552.
