"DON'T LIE TO YOUR WIFE," A WINNER

A Clever Musical Comedy Filled with Laughter From Start Until the Close.

The semi-musical farce, "Don't Lie to Your Wife," comes to the Parmele theatre on Friday evening, November 13.

This play, which had all Chicago laughing for four months, is from the pen of Campbell B. Casad, a former reporter on the New York Herald, where he gathered the incidents for the play from actual observations.

The story briefly told deals in the adventures of three worthies who decide to "dally" with the congenial existence while their wives and sweethearts are out of town.

The opening of the play discloses them after they have dallied to some extent with some chorus girls, Coney Island fiz bottles, and a law-breaking machine which brings them in contact with a traffic policeman, who is only escaped from with a bribe.

A busy press agent also adds to the woes of the three Lotharios, for this chap ever on the qui vive for an "ad" for the Folly theatre, where these three chorus girls hold forth, brings Amos Doppeldae to his feet with the impassioned declaration "Nevermore" just as the two wives and sweetheart, who are supposedly out of town, enter the apartment.

The men explain that "Nevermore" is a sure thing race horse, and later pass off the three blight coryphees as nieces, and while the men are endeavoring to invent further excuses the three unexpected women sally forth to wager money on "Nevermore" incidentally they get caught by the same bribe-taking policeman, there is a mutual discovery of mistakes, general forgiveness and happiness for the final curtain.

Music a-plenty, an up-to-minute chorus in stunning costumes and specialties as well, are promised.

Will Begin Thursday. Thursday, Friday and Saturday of this week the ladies of the Presbyterian church will hold their Rummage Sale. There will be waists, skirts, coats and summer clothing for the ladies, boys and men's shoes, coats and underwear. Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition, hearing will be destroyed forever; this cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O.
