Card of Thanks.

Editors Plattsmouth Journal, Plattsmouth, Neb.—Dear Sirs: Kinely grant me space in your paper to thank my friends for their loyal support. Notwithstanding the turning of the tide, I feel richer because of added friendships. Am not yet defeated nor daunted—merely taking "the count." Shall come back for a finish fight. It might interest the people to know that the Nebraska City News and the Staats Zeitung refused to sell me advertising space other than my political announcement, when, on the other hand, my home paper granted my opponent every courtesy. Yours truly, A. F. STURM.

Card of Thanks.

To the Voters of Cass County: I take this method of extending my sincere thanks to my friends throughout Cass county for their support during the recent political campaign and at the polls November 3. SHERIFF QUINTON RETURNS FROM ALBION WITH FRANK SWOBODA

From Wednesday's Daily.

Sheriff Quinton returned home yesterday from Albion, Neb., bringing with him Frank Swoboda, whom he found at Cedar Rapids, Neb., where he was working at his trade of blacksmith. The man was formerly located at Mynard, where he operated the blacksmith shop there for a time, but while there got into considerable trouble through the fact that he was accused of having forged the name of R. L. Propst to a note, but there was nothing ever realized on the paper. He left Mynard at once before the officers could secure him and his residence has just been revealed after two years' search through the state. Owing to the fact that the man did not secure any result from his efforts with the check it is not thought that there will be a very heavy penalty given him.

BURL BIGGS GETS "V" AND COST FOR DRUNKENNESS

From Wednesday's Daily.

Yesterday afternoon Burl Biggs was brought before Judge Archer to answer to the charge of having been in a state of intoxication, and in reply to the charge the gentleman entered a plea of guilty to having fallen for the allotments of John Barleycorn, although he expressed his regret that he had become entangled in the net of the law. The judge, who has passed on Mr. Biggs before on the same offense, decided that \$5 and costs, amounting to \$8, would be necessary before the feelings of outraged justice could be healed, but agreed to suspend the sentence until the 28th, when he agreed to appear and liquidate the amount of the fine and costs. The man was accordingly released to go forth and earn the necessary amount of his delinquency.
