ELLWOOD FENCE

SIMPLE—SCIENTIFIC—STRONG

THAT IS ALL THERE IS TO ELLWOOD FENCE—

Heavy steel cables lapped about and held together by steel wire, forming uniform meshes. Simple, isn't it? No chance for weakness in any part; uniformly strong. The reasons for the superiority of ELLWOOD FENCE are not hard to find. This company owns and operates its own iron mines and furnaces, its own wire mills and six large fence factories—either one of the six being larger than any other fence factory in the world. These facts should be convincing.

It Really Does Relieve Rheumatism.

Everybody who is afflicted with Rheumatism in any form should by all means keep a bottle of Sloan's Liniment on hand. The minute you feel pain or soreness in a joint or muscle, bathe it with Sloan's Liniment. Do not rub it. Sloan's penetrates almost immediately right to the seat of pain, relieving the hot, tender, swollen feeling and making the part easy and comfortable. Get a bottle of Sloan's Liniment for 25 cents of any druggist and have it in the house—against colds, sore and swollen joints, rheumatism, neuralgia, sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.

Declare War on Colds.

A crusade of education which aims "that common colds may become uncommon within the next generation" has been begun by prominent New York physicians. Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold:

"Don't sit in a draughty car."
"Don't sleep in hot rooms."
"Don't avoid the fresh air."
"Don't stuff yourself at meal time."

Overeating reduces your resistance.

To which we would add—when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by all dealers.

THIS COOL WEATHER BRINGS ON A SORT OF A "CHILLY" FEELING

Last evening the cold and biting winds of winter swept down on the city and brought with them a sudden drop in temperature that left the thermometer standing at some 16 degrees above zero. The sudden change was felt greatly by everyone, as the fall has been so warm and balmy that the cold was felt keenly. This has been one of the most pleasant seasons that has been afforded the people of Nebraska in recent years and the California-like weather has been a delight to everyone. The colder weather will be a boon to the business interests, which have suffered considerably from the fact that the sale of winter goods has been held back, but with the approach of real winter the trade is certain to revive in all lines.

Martin Bernemier of near Murdock was in the city today in attendance at the session of the district court as a juror.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out or the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give one Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
