New Year's to Sam Chapman. A new partner in the alf firm. It will now be Chapman (little) Chap-boy & Sprague to round 'em off nicely.

W. H. Newell brought twelve turkeys to the fruit room, which closely packed into a barrel filled it more than even full. Mr. West brought one of them to the Herald office which weighed fifteen pounds.

The band concert on Friday evening last was a great musical treat. The music was superb and just filled the hall. The recitations were also

excellent. We ought to be under obligations to Chaplain Wright and the ladies of the Presbyterian church for so much pleasure.

There never was such a jolly Christmas in Plattsmouth before. Santa Claus did wonders at the Presbyterian church. Boss Wheeler and Dr. Livingston made the welkin ring with apt sayings down at Duke's hall. Then we have had balls and parties and pantomimes and what not. Why, Plattsmouth is just glorious this winter. Presents: Will Brantner got a fine boy, and Mike Murphy a new job; Alex Schlegel a diamond pin, Julius Pepperberg some handsome embroidered handkerchiefs, and Lou Chalfant, a wife—all these from unknown donors. The Herald got three chickens, a turkey, a cake from Mr. Stadelmann, something from Solomon and Nathan, and a nice little baby off the Christmas tree—so did John Shannon, and Cap. Paine, and some more fellows. All in all, we've had both a holy-day and a holiday this Christmas.

DIED—On the 26th day of November, in Germany Baden, at the village of Waldhausen, in the seventy-fourth year of his age, Francis Matthew Guthman, father of F. R. Guthman and the Guthman brothers in this state. Deceased had ten children living at the time of his death, only one of whom was with him; the other nine are all in America. Nearly his last words were about his boys in this country, wishing he could send some word to them, apprising them of his condition. Although Mr. Guthman had reached an advanced age, his death was deeply felt by his children in this country. Their loss seemed doubly severe, because, with the hope natural to all of us, they still expected to return some day see their father alive and well. We sympathize with their loss, but it is one that neither country nor climate can prevent.

Miss Butterfield of Omaha will take Miss Johnston's place in our school. She is a sister-in-law of Mayor Chase of Omaha, who is well known to many of our citizens; also of Hon. J. M. Woolworth.

Gen. John R. Clark came home last week for a short stay, and made us all glad by his presence.

J. W. Rose, brother-in-law of our new harness man, Mr. Martin, is to become a resident among us.

About a dozen of our citizens made a very pleasant little excursion to Omaha Barracks on Monday last to visit Chaplain Wright and have a pleasant time. They all came back enthusiastic over the pleasure of their trip and the cordial reception tendered them by the officers and their families.

They had a base ball match at the Rock school house, near Concord, on New Year's day. Pleasant Ridge gained the first innings and made 76 points; Concord the next and made 11. Second round, Pleasant Ridge, 31; Concord, 8. So wags the world; we can't win.

A very large excursion from Illinois passed west yesterday from here. There were 960 adults, babies and children not counted. Mr. Holdrege and the R. R. men had their hands full to provide coaches for all this crowd, it taking a round dozen to do it. They were a fine-looking set of people and have come at a very opportune time to see our country.

GEORGE SAYLES BIDS IN BUILDING OCCUPIED BY MRS. O. P. MONROE

From Saturday's Daily.

The building on lower Main street owned by S. Taylor Cain of Sedalia, Missouri, and which was occupied by the O. P. Monroe store at the time of the fire here on Christmas day, was sold at public auction today for the sum of \$825 just as it stood, without any repairs being made upon it. There was quite a large crowd present at the sale and the bidding for the building was watched with much interest, and after almost an hour of urging from the auctioneer to bring the price up, it was sold to George Sayles of this city for the sum noted above. The insurance on the building was some \$1,490, which will bring Mr. Cain quite a neat sum for his building. It is estimated that the repairs on the building will amount in the neighborhood of \$1,200, but this, with the price paid will make the building very cheap, as it is quite a desirable location.

TEACHERS ENJOY A MOST PLEASANT VISIT WITH NEW COUNTY SUPERINTENDENT

The school teachers of this division of the county Saturday enjoyed a most delightful reading circle at the office of the county superintendent, Miss Eda Marquardt. As this was the first opportunity the teachers have had to meet the new superintendent the meeting was largely given over to getting acquainted, and a most enjoyable time was had by all who were present, and some twenty of the county teachers were in attendance. The reading circle at their next session expects to enjoy a pleasant social meeting, and committees have been appointed to arrange a short program for the gathering. Miss Marquardt is entering into the school work with much vigor and hopes to be able to become better acquainted with the teaching force of the county in the next few weeks and will then proceed with the carrying out of the program for the work of the coming year that she has outlined.

R. L. PROPST LOSES A VALUABLE ANIMAL FROM CORN STALK DISEASE

R. L. Propst of this city is mourning the loss of a very valuable four-year-old mare colt which died Saturday afternoon at the Joe Wiles farm, where Mr. Propst had the animal, together with a number of others, in on the stalks. The news of the apparent sickness of the animal was telephoned in by Mr. Wiles, who had noticed her as not as lively as the others, and Dr. Sandin was dispatched out there to look over the situation. An examination of the animal disclosed that it was apparently suffering from the complaint called the "corn stalk disease," which has been so prevalent among the cattle and horses in this county for the past few months, and despite all that could be done for her she soon died. The animal was valued at something like \$150 and was one of the most promising on the farm of Mr. Propst, who valued it greatly. Last season he lost some four head of horses through the same disease, which apparently has no cure as far as has been found. The spread of the disease through the county has occasioned very heavy losses to the farmers of the community.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science and medicine have discovered that Catarrh is not a local disease, but a constitutional one, and therefore requires constitutional treatment. Will's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

THE CHRISTIAN CHURCH NARROWLY ESCAPES A SERIOUS CONFLAGRATION

Yesterday morning shortly before 10 o'clock the sound of the fire alarm sounding greatly startled a large number of the residents of the city and they at once started to discover the source of the fire, which was found to be at the Christian church on North Eighth street, but the blaze was extinguished before any serious damage could be done beyond the scorching of the floor and walls slights. It seems that someone had placed a great deal of waste paper near the stove that heats the basement of the church, and from the heat this soon burst into flames and for a few minutes looked rather serious, but prompt action on the part of the persons who were at the church awaiting the Sunday school service soon had the fire out by carrying several buckets of water and dousing out the blaze. It is most fortunate that the blaze occurred at the hour that it did, as had it happened earlier before the Sunday school hour it might have gained greater headway before being put out.

A FAIR WARNING

One That Should Be Heeded by Plattsmouth Residents.
Frequently the first sign of kidney trouble is a slight ache or pain in the loins. Neglect of this warning makes the way easy for more serious troubles—dropsy, gravel, Bright's disease. 'Tis well to pay attention to the first sign. Weak kidneys generally grow weaker and delay is often dangerous. Residents of this locality place reliance in Doan's Kidney Pills. This tested remedy has been used in kidney trouble over 50 years—is recommended all over the civilized world. Read the following:
Mrs. Adam Kurtz, Plattsmouth, says: "I was suffering intensely from my kidneys and back and I couldn't stoop or stand erect. I had a dull, ragging pain through my back that robbed me of all energy. My sight became affected and dark spots appeared before my eyes. I got Doan's Kidney Pills from Gering & Co.'s Drug Store, and in a short time they relieved me. Since then I have recommended this remedy to a number of my friends."
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Kurtz had. Foster-Milburn Co., Props., Buffalo, N. Y.
