YOUR FRECKLES

Need Attention in February and March or Face May Stay Covered.

Now is the time to take special care of the complexion, if you wish it to look well the rest of the year. The February and March winds have a strong tendency to bring out freckles that may stay all summer unless removed. Now is the time to use ointment—double strength.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful that it is sold by druggists under guarantee to refund the money if it fails. Get an ounce of ointment—double strength—and even a few applications should show a wonderful improvement. Some of the smaller freckles even vanishing entirely.
