Local News

From Tuesday's Daily.

W. T. Richardson and wife of Mynard were among the passengers this afternoon for Omaha, where they will visit for a few hours.

F. E. Valley was among those going to Omaha this morning, where he was called to look after some matters of business for a few hours.

W. R. Young and Lee Cole, from the vicinity of Mynard, were in the city today looking after some trading with the merchants for a few hours.

Ben Hoover and brother, Andrew Hoover, of Louisville, were here today for a short time looking after some business matters in the county court.

John Kaffenberger, jr., was among those going to Omaha this morning, where he will visit for a short time and look after some matters on the stock market.

Herman Kleitsch, the Weeping Water miller, came in this afternoon from his home and will spend a short time looking after the interests of his company in this city.

Superintendent W. S. Askwith of the Masonic Home was among those going to Omaha this morning, where he will visit for a short time with his daughter-in-law at the hospital.

Mr. and Mrs. J. E. Meisinger of Cedar Creek were attending to business matters and visiting relatives and friends in this city today. They were pleasant callers at this office.

Charles F. Guthmann departed this afternoon for Omaha, where he goes to meet his wife, and they will then go to Murdock, where they will visit for a short time with H. A. Guthmann and wife.

Frank P. Sheldon of Nehawka came up last evening from his home and spent a short time here, and this morning departed for Omaha, where he will look after some matters of business before returning to his home.

Adam Schafer, the genial and prosperous farmer of Mt. Pleasant precinct accompanied by his brother, F. A. Schafer, were in the city today for a few hours, and while here were callers at the Journal. F. A. Schafer is here for a short visit from his ranch in Loup county.

Ben Dill came down this morning from Omaha, where he has been with his wife at the hospital, and after spending a few hours here looking after some business matters, returned on No. 23 to the metropolis. He reports his wife as doing nicely.

Alfred Edgerton, jr., who for the past few months has been at Hugo, Oklahoma, where he has been in the employ of the Frisco railroad, feels much in love with the south and the climate there, which he says is fine, but he is enjoying the visit with home folks very much.

Mrs. R. C. Dill and son, Marion, departed this morning on the early Burlington train for their home at Rosalie, Nebraska, after being here some few weeks; where Marion was receiving medical treatment for an injury he received in an accident which resulted in the discharge of a gun, injuring his leg.

W. F. Gillespie of Mynard was here for a short time yesterday afternoon en route home from Omaha, where he had been looking after some business affairs, and stopped to spend a few hours with his friends here. Mr. Gillespie is feeling slightly improved, but still far from well, and has not been in for the past few weeks to any extent.

John Bauer, jr., was among the Omaha passengers this morning, where he will visit for a few hours attending to some business matters of importance.

Mrs. W. E. Batterson and sister, Miss Lillian Wheeler, were Omaha visitors today, where they will spend the day looking after some matters of business in this city for the day.

Miss Fanny Will was among the Omaha passengers this afternoon, where she will visit for a few hours with friends, as well as in looking after business affairs.

O. Jelin of Omaha, president of the western division of the T. J. Sokol society, came down last evening and remained here over night attending the meeting of the local society.

Mrs. W. R. Bryan and daughter, Miss Lucille, were among those going to Omaha this morning, where they will visit for a few hours looking after some matters of business.

Mrs. W. S. Smith and Miss Mable Latta of Red Cloud came up yesterday afternoon from Murray and visited here with relatives and friends over night, returning this morning.

CANDIDATES FOR THE CITY OFFICES FOR THIS YEAR

Those From Whom the Citizens Will Select Their Officers at the Coming City Election.

From Wednesday's Daily. According to a rather unjust law the people of Plattsmouth are now compelled to choose each year their city officers, which seems rather discommending to the voters, as well as the gentlemen who make the race each year. In keeping with the law the two political parties have met in convention and put up men whom they desire to offer to the people of Plattsmouth as candidates for the different offices, and in the selections good men have been picked on both sides for the different position and they will await the judgment of the voters as to whom shall fall the honor of holding down the various offices.

In Mayor John P. Sattler the democrats have again picked their standard bearer, believing that his administration of affairs in the past would warrant his re-election. Mr. Sattler is a native of Germany, but has spent the greater part of his life in America, and since coming to this country in Plattsmouth, where he has almost constantly been identified with public affairs, having been for years a member of the city council, both from the Fourth and Second wards of the city, and was for one term coroner of Cass county. He has been engaged in the furniture and undertaking business in this city for years, both as the owner of a store and as manager of the undertaking department of the M. Hill store. While a member of the city council in 1910 Mr. Sattler, while serving as president of that body, became mayor on the resignation of Henry R. Gering and has since held that office, being returned each time with large majorities.

For the office of city treasurer the democratic party has picked H. M. Soennichsen, the present incumbent, as a candidate for re-election, believing that in his success of the office he was deserving of another term. Mr. Soennichsen needs no introduction to the people of Plattsmouth, and as a man, no words of commendation, for there are no better men than Melchior Soennichsen and he has repeatedly been honored by various offices from the voters, being elected as county assessor in 1909, and was for several terms a member of the city school board. In 1901 he was elected as city clerk, serving for one term. He was elected last spring as treasurer, defeating Dr. E. W. Cook by some eight majority.

John Nemetz, the present efficient city clerk, came to Plattsmouth some fourteen years ago from Omaha and engaged in business here as a confectioner and established his confectionary store that has been so successful. He has not been active in politics until last year, when he was prevailed upon to run for city clerk and was successful, and this year, so well pleased were the citizens, that he was renominated without opposition.

On the councilmanic ticket good men have been chosen to carry the banner of democracy, and the first of these is Michael Mauzy of the First ward, who is one of the old residents here and does not need an introduction to the voters, as he has represented the First ward before in the council. He was for thirty years in charge of the Burlington blacksmith shop in this city and is a man keen on all matters of public welfare.

In the Second ward Michael Bajeck, the present councilman, is seeking re-election, and from his record is most deserving of it. He is a cigar-maker and employed in the Ptak & Bajeck factory, and is also a leading member of the Cigarmakers union and a clean gentleman all the way through.

John H. Hallstrom, who for the past two terms has represented the Third ward in the council, is again the democratic candidate there. He is a gentleman who has made his home here for a long period of years and is a property owner who is interested in the development of the city. He is an employe of the Burlington shops.

In the Fifth ward William Shea, the present able councilman, is the candidate of the democracy and will have no opposition for his return to the council, and Billy is a clear-headed gentleman always awake to the interests of the city at all times.

The republicans have selected as their leader in the present race a prominent and successful young business man of the city in the person of E. J. Richey, who has been reared to manhood in this city and has almost from boyhood been identified with the business interests which he now has charge of, that of the Richey Lumber company, which was founded by his father, the late F. M. Richey, who was for several terms mayor of the city. Mr. Richey has not been in public life to any extent with the exception of serving the people of the Third ward in the city council, where he made a very creditable record for himself, as well as his constituents. He is a very keen young business man and has been quite successful, both in his public and private life.

For city treasurer Dr. E. W. Cook, the republican nominee, like his democratic opponent, scarcely needs an introduction to the voters of Plattsmouth, as he has been honored by them in the past with various positions within their gift. He was for some nine years a member of the board of education and later, in 1898, was elected as city treasurer by a large majority and later has been placed in that office at different times and has given an administration that has been most satisfactory to the voters and taxpayers. Dr. Cook is quite extensively connected with the various fraternal orders of the city, and at present is state medical examiner of the Modern Woodmen of America.

For the position of city clerk the republicans have selected one of the younger members of their organization in the person of E. G. Dovey, who is a real native Plattsmouth candidate, having been born and reared in this city and received his schooling in the Plattsmouth schools, from which he graduated in the class of 1908, and has since that time been identified with the First National bank as a clerk, and in various other business enterprises. He is a very pleasant and genial young man and well qualified for the position for which his party has selected him to make the race.

In the First ward the republican candidate for councilman is William J. Streight, the present representative from that ward, and a man who has made a good record in the council in looking after the interests of the city, and being engaged in business in the city he takes a great interest in any proposition that may in any way prove of benefit to the residents of the city. Mr. Streight, through his long years of residence in our city, is well known to everyone and possesses in the fullest their esteem.

In the Second ward George Sayles has been selected to make the race for the seat in the council against Councilman Bajeck. He is the representative of the Duff Grain company in this city and is also engaged in the insurance and real estate business and is a very able gentleman. He has not heretofore been a candidate for public office and this is his maiden effort in this role.

In the Third ward, as well as the Fifth, the republicans have no candidates and Messrs. Hallstrom and Shea will return unopposed to the city council.

George Lushinsky, the present president of the city council, is the candidate of the republicans in the Fourth ward for re-election and will probably be unopposed, as the demo-

cratic candidate has withdrawn from the race. Mr. Lushinsky is the foreman of the Burlington paint shop and has been for several terms councilman from the Fourth ward, and in this position has made a splendid record for safeguarding the interests of his constituents, as well as that of the entire city.

On the school board, through agreement, the non-partisan board will continue for the two positions becoming vacant this year, Dr. C. A. Marshall, republican, and Mr. Frank E. Schlater, democrat, have been selected. Both of these gentlemen are well qualified for the positions to which they have been selected. Dr. Marshall has served on the board for several years in a most faithful manner and takes a keen interest in the welfare of the schools. Mr. Schlater is a man who will be found one of the best that has ever been selected for this position, and from his experience prove to be alive to the best interests of the schools at all times.

H. WAINTROUB,
—IN BUSINESS HERE 25 YEARS—

Buy a BUICK

Nearly everyone who really understands gasoline motors boosts the overhead valve type. The reason is plain. This type uses less gasoline, less oil, develops more power, keeps cooler, has less carbon, is more accessible, has no "pockets," the explosion is direct, exhausts the gases completely, motor picks up quickly, throttles down evenly and is conceded to be the most reliable and dependable type. Not only is this the best type of motor, but the Buick is the best motor of this type, because the Buick Motor Company is one of the pioneer builders of the overhead valve motor. The rest of the Buick car is equally as good. Let us show you.
