A NEW MAN IN CHARGE OF GENERAL STORE ON SIXTH STREET

The general store on Sixth street, which was formerly owned by J. E. Tuey, has just been purchased by Mr. J. E. Sloan of Omaha, and the new owner took possession of the business on Saturday and is now ready to serve his customers with all that the market affords in the way of first-class groceries and dry goods. Mr. Sloan was formerly in the grocery business in Colorado and comes well recommended as a business man of the highest integrity. Mr. and Mrs. Sloan have moved their household goods to Plattsmouth and started in to establishing their home in the Babington property on North Fourth street. It is a pleasure to welcome these worthy people to our city and to feel that they will add to the business life of the city by placing this store on a permanent basis. As soon as they are settled Mr. Sloan will start in on the task of placing a new stock in the store, and the public can rest assured that they will be treated with the utmost courtesy by the new proprietor of the establishment.

AUTO ROAD TO OMAHA IN FAIRLY GOOD SHAPE

Parties who have traveled over the automobile road from this city to Omaha in the last two days report that this road is in very good shape and that travel over it is really a pleasure. The road has dried out and is in good shape for auto travel, as the mud has disappeared and the road is not cut up by travel, as has been the case in so many of the roads of the county. This route is one of the most popular in this part of the state during the summer months and with the opening of spring the usual heavy travel will be resumed by the automobilists. Most of the owners of cars are unaware of the fact that the route is in good shape for travel and when it is known many will get their machines out for the trip to Omaha and return. The city will have Washington avenue dragged as soon as possible and placed in condition for travel and this will make the route from this city to Omaha one easy to travel over, as the worst piece of road is in the city on the avenue, but when this is remedied there will be no difficulty in getting through with ease to the metropolis.

BOUQUETS INSTEAD OF ROCKS.

The author of the following is unknown to us, but the sentiment is good and might as well be taken to heart by a great many people we know of:

If you like the old town best,
Tell 'em so!
If you'd have her lead the rest,
Help her grow!
When there's anything to do
Let the fellows count on you;
You'll feel better when it's through
Don't you know.
If you want to make a hit,
Get a name!
If the other fellow's it,
Who's to blame?
Spend your money in the town
Where you pull the shekels down;
Give the mail concern a frown—
That's the game!
If you're used to giving knocks,
Change your style!
Throw bouquets instead of rocks
For awhile.
Let the other fellow roast;
Shun him as you would a ghost;
Meet his hammer with a boast
And a smile.
When a stranger from afar
Comes along,
Tell him who and what you are—
Make it strong.
Needn't flatter, never bluff;
Tell the truth, for that's enough.
Join the boosters—they're the stuff,
We belong.

to have the doctor. He is getting better and the only excuse we have for not mentioning him last week was that we didn't know he was sick.
M. D. Pollard came in on the early train Sunday from Hot Springs, Arkansas, where he has been for the last two months taking treatment for rheumatism. He has shook off about fifteen or twenty pounds superfluous weight and says he feels fine.

Card of Thanks.
We desire to express to the members of the Plattsmouth volunteer fire department and our friends and neighbors our deepest appreciation of their efforts to save our home from destruction from fire. These acts of kindness will never be forgotten by us. August Roessler and Family.

Mrs. Kroehler Doing Nicely.
Andrew Kroehler returned home this afternoon from Omaha, where he had been since last Thursday with his wife at the hospital. Mrs. Kroehler is getting along very nicely from the operation, which was quite serious, and it is thought that she will continue to improve.

Keep Your Bowels Regular.
As everyone knows, the bowels are the sewerage system of the body, and it is of the greatest importance that they move once each day. If your bowels become constipated, take a dose of Chamberlain's Tablets just after supper and they will correct the disorder. Obtainable everywhere.

NEHAWKA. News.

It looks like the groundhog was coming back for a return engagement. People who believe that potatoes ought to be planted on Good Friday or not at all are worrying a good deal over the weather.
Things are waking up down at the east quarry after a long winter's sleep, and all they need now is a little decent weather.
Mrs. H. L. Thomas and the two children were passengers to Omaha Friday evening, where they visited with Mrs. Thomas' mother until Sunday morning.

Harry Massie was here the latter part of the week visiting his parents, Mr. and Mrs. Frank Massie. He had been down to Omaha with a car of stock.

Rhinehart Kettelhut and Henry Schwartz were in town Monday on a road drag, and the good they were doing ought to be an incentive to a host of others.

Somebody fell over our office towel while we were out Monday and evidently skinned a shin badly. A piece was broken out of the towel and the edge turned and we are anxious to know how badly the intruder was hurt.

Last week we should have listed Uncle George Switzer among the sick. He was in pretty bad shape and had

This is Rexall Week!

It is being celebrated throughout the country by all the Rexall Stores.

There is a Rexall Remedy for each ordinary ill. Each and every Rexall Remedy is sold under a positive guarantee.

IN PLATTSMOUTH FORTY YEARS AGO.

A. Drew left last week for the Black Hills.

Joseph Beardsley was in town Tuesday. We are pained to learn that his family have been very sick lately.

James Hall returned from eastern Iowa Tuesday. He reports crops injured there by cold and bad weather.

An erroneous opinion prevails to a certain extent in Plattsmouth that Dan Rice is dead. The management desires us to state through our columns that if Col. Dan Rice is not with the show, that the patrons of the circus will have their money refunded.

Mr. Murphy had a team run from the depot up Main street to the High school building without doing any particular damage.

As Perry Walker was returning from his farm near Weeping Water last Thursday afternoon, his wagon ran into a deep rut and threw him out breaking a rib, but he is now doing well, we understand.

Samuel Waugh, private secretary to Hon. N. K. Griggs, consul at Chemnitz, Germany, has been making Plattsmouth a short visit, leaving today on his return trip to Germany, for which country he will set sail some time in July. He tells us that America is the country for him after all, although he finds his residence in Chemnitz very pleasant.

Mrs. J. D. Simpson and her accomplished daughter, Miss Lilly, gave a musical soiree for a few invited friends on Monday evening, July 1st, at their music rooms, the performers consisting of their present scholars and a few of their old ones, who very kindly assisted them.

The program for the evening was as follows:

1. A duet from Strauss, by Masters Myron and Frank Wheeler, who played remarkably well together, their time being almost perfect.
2. A piano solo, by Miss Letta Simpson, who played excellently, but with some hesitation.
3. A song, by Misses Emma Johnson, Cora Wayman, Lulu Simpson and Master Byron Drew, Miss Letta Simpson presiding at the piano. The little ones did nicely and did not seem at all abashed as many would under the same circumstances.

Beware of Ointments for Catarrh That Contain Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Trial package free.
Sold by Druggists. Price, 75c per bottle. Take Hall's Family Pills for constipation.

son, Cora Wayman, Lulu Simpson and Master Byron Drew, Miss Letta Simpson presiding at the piano. The little ones did nicely and did not seem at all abashed as many would under the same circumstances.

4. Piano trio, by Misses Johnson, Wayman and Levings, who played very well and with no hesitation.
5. Organ solo, by Master Ed Cummins; this was a very fine selection and was played remarkably well.
6. Ballad, by Miss Kate Johnson, who is a fine singer, as was shown by the execution of this piece.
7. Piano solo, by Master Myron Wheeler, who is a fine amateur pianist and did himself justice on this piece.
8. Piano duet, by Miss Lilly Simpson and D. Wheeler; this was a fine selection and was well executed.
9. Piano solo, by Miss A. Livingston, who was somewhat embarrassed and played with some hesitation, but aside from that did nicely.
10. Organ and piano quartet, by

Buy a BUICK

Model C25

Nearly everyone who really understands gasoline motors boosts the overhead valve type. The reason is plain. This type uses less gasoline, less oil, develops more power, keeps cooler, has less carbon, is more accessible, has no "pockets," the explosion is direct, exhausts the gases completely, motor picks up quickly, throttles down evenly and is conceded to be the most reliable and dependable type. Not only is this the best type of motor, but the Buick is the best motor of this type, because the Buick Motor Company is one of the pioneer builders of the overhead valve motor. The rest of the Buick car is equally as good. Let us show you.
