SERIES OF MEETINGS AT THE CHRISTIAN CHURCH PART OF NEXT WEEK

This city will be visited during the coming week by Rev. C. E. Perlee of Marum, Iowa, who will occupy the pulpit at the Christian church for a series of sermons of great interest to the church and its congregation and will occupy from Sunday to Wednesday evening. On Sunday morning Rev. Perlee will open his series with the subject, "To Whom Shall We Go," and Sunday evening, "A Time to Work." The first of the weekday sermons will be on Monday, when he speaks on the subject, "God's Call to Man;" Tuesday evening, "The Victorious Life," and Wednesday evening, "Stirring Up the Eagle's Nest." Rev. Perlee comes here with a view of possibly making this his home, and the members of the congregation of the church should endeavor to be present at the meeting and get acquainted with this gentleman, who comes very highly recommended as a minister and a pulpit orator. His sermons will be well worth hearing and to miss them will certainly be a loss to the members of the church and congregation.

"OLD MAIDS CONVENTION" AT THE CHRISTIAN CHURCH FRIDAY NIGHT

The I. L. C. society of the Christian church of this city has arranged to give an entertainment at the church building on Friday evening that should prove one of the most pleasing that has been given for some time. The entertainment will consist of the presentation of "The Old Maids' Convention," and this pleasing comedy will be presented by the members of the society in the different roles of the sketch. The proceeds of the entertainment will be applied toward the equipping of the church with electric lights, which are badly needed, and in their good work the members of the church society should be given a generous patronage, as their entertainment will be a treat in itself. Remember the date—Friday evening—and be present.

BERT ELLEDGE HAS CLOSE CALL WHILE SETTING ON RAILING OF HOLLY'S STORE

Last evening Bert Elledge decided to take a rest from standing up, and accordingly started to sit down on the railing along the areaway east of the William Holly building on Fourth street, and thereby came near having a very unpleasant fall. The iron pipe that forms the top of the railing is rather loose, and when Bert sat down it turned and had it not been for his quickness he would have been thrown to the bottom of the areaway, a distance of several feet, but as it was he was able, after a few seconds, to regain his balance and save himself from falling. The railing has been loose for some time and is liable to cause serious damage to someone if it is not fixed, but the owner of the building has been awaiting the time when it would be possible to put in a permanent walk and do away with the railing, as well as with the old board walk that has been in bad shape for several months.
