Thirty thousand voices—What a grand chorus! And that's the number of American men and women who are publicly praising Doan's Kidney Pills for relief from backache, kidney and bladder ills. They say it to friends. They tell it in the home papers. Plattsmouth people are in this chorus. Here's a Plattsmouth case: Benjamin Brooks, Main street, Plattsmouth, says: "I had a severe attack of kidney complaint, brought on by a bad cold. At times the pain extended from my back and hips into my shoulders. I couldn't get about and was laid up for two weeks. My head ached for hours at a time. I had dizzy spells, during which my sight blurred. After using two boxes of Doan's Kidney Pills, procured at Gering & Co.'s Drug Store, I regained my health."
