A COUPLE OF WANDERERS ORDERED TO SHAKE THE MUD FROM THEIR FEET

Yesterday two wanderers were gathered in by Chief of Police Barclay for being too much under the influence of the general dampness and were evidently not satisfied with being wet outside, but had copiously dampened themselves inwardly with large doses of John Barleycorn, to such an extent that they had great difficulty in getting along. The mission of one of the men, he stated, was to wax the floors of anyone who desired his services, but his condition was such that he was unable to ply his trade, and the men were ordered forthwith to rid the town of their presence and get themselves hence without delay and thereby saved the city several meals for the two men.

As a part of the program for the observance of Memorial Day, next Monday, the local chapter of the D. A. R. will hold a declamatory contest at the Parmele theater at 8 o'clock. SENATOR G. M. HITCHCOCK A DISTINGUISHED VISITOR TO JOURNAL HEADQUARTERS

While in the city yesterday afternoon Senator Gilbert M. Hitchcock paid the Journal establishment a very much appreciated call, and was much pleased with the equipment of this newspaper, as well as the job printing end of the concern. Senator Hitchcock has a very warm spot in his heart for the lowly newspaperman, being one of the craft, and his experiences with the World-Herald has made him very sympathetic with the ups and downs that come into the newspaper business. The great state of Nebraska certainly has found in the distinguished senior United States senator a fitting representative of this splendid commonwealth, and during the time he has served has come to the front as one of the leaders in the senate and is a member of the foreign relations committee, as well as chairman of the committee on the Philippines, two of the greatest committees of the senate, that have in their charge much of the outlining of the foreign policy of our nation, and Senator Hitchcock has made his fearless personality felt in the national senate, where his position for the ideas and measures he believes to be right has challenged the attention of the entire nation, and in almost every position he has taken he has been borne out in the results of his contention. The senator returned this morning to Omaha and will address the graduating class of the High school at Stanton, Nebraska this evening.

If the weather will permit on Sunday and Monday afternoon the Kennedy & Beselin team of Omaha will take on the Red Sox base ball team of this city at the Red Sox park. This team has been reorganized and is stated to be one of the best of the teams there outside of the league teams, and will give the fans an opportunity of seeing two good games. The Sunday game will be called at the usual hour and the exercises at the theater being well over by 3:30 on Monday will allow the citizens to attend both the Decoration day exercises, as well as the base ball game. These two games should both be good ones and are being looked forward to with interest by the fans.

The Late Style Features

THERE is much satisfaction, yes, and good looks in shoes that are designed with the late style features. Women who take pride in up-to-dateness (and there is not a woman who doesn't) can invariably depend upon a certain newness of style when they choose from among our style pumps of quality. We have found that taste varies in shoe style as in all else. But when it comes to shoes we cater to every woman's idea of the correct style.

CHARMING PRE-NUPTIAL BREAKFAST IN HONOR MISS CATHERINE DOVEY

A most charming pre-nuptial 11 o'clock breakfast was given this morning at the St. Luke's rectory by Mrs. W. S. Leete and Madame Leete in honor of Miss Catherine Dovey, whose marriage to Mr. John W. Falter is to occur on Saturday, June 5th. The breakfast was given to the bride and bridesmaids and members of the family and was a most happy event, with alluring and pleasing settings that made the rectory a scene of great beauty. Throughout the parlor and study clusters of pink roses lent a touch of beauty to the occasion, while the dining room, where the three-course breakfast was served by Misses Nora Livingston and Muriel Streight, was transformed into a veritable bower of beauty. The color scheme was in pink and white, which was carried out in the floral decorations of pink roses and white snapdragons, large bouquets of which were placed throughout the room, as well as forming the centerpiece on the tables where the guests were seated. The tables were very beautiful with their dishes of silver and china, as well as handsome lunch sets of linen and lace, and over the scene the soft glow of the candles cast a pleasing effect. The place cards were in keeping with the spirit of the occasion and consisted of tiny white bridal parasols tied with pink ribbons. The seat where the bride-to-be was placed was decorated lavishly with pink roses and white syringia blossoms, making a picture of rare beauty as occupied by the guest of honor. The occasion was one of the most delightful of the social events that has been tendered to the bride-to-be and will be a most pleasant memory to her in her future happiness.
