CHILDREN'S DAY
EXERCISES AT THE
METHODIST CHURCH

Last evening the observance of Children's day at the Methodist church brought out an audience that filled the auditorium to its utmost capacity and a most pleasing and delightful program was given by the children of the Sunday school. For the occasion of the observance of the day the church was decorated in a very beautiful manner with flowers that made the scene one of great beauty and charm. The organ and pulpit were removed from the platform and a great bank of flowers arranged at the front of the platform, where lilies and roses and all the flowers of early summer were placed in profusion to add their charm and beauty to the occasion, while the pillars supporting the sides of the platform were hidden beneath a wilderness of white syringas, whose white blooms nodded a welcome to the vast audience. In the windows at either side of the church great rows of potted plants and cut flowers were laced in profusion. In the midst of this bank of floral beauty were the rows of dainty childish beauty seated, the front rows being occupied by the beginners of the Sunday school on their tiny chairs, and graduated back to the last row where the young ladies of the Sunday school choir were seated. The program consisted of solos, recitations and chorus and all were given in a very pleasing manner by the scholars of the school, and this, with the beautiful appearance of the

children, all garbed in snowy white, made a scene of the rarest charm to all who were present. At the close of the service Rev. F. M. Druliner gave a few very pleasing remarks on the cause of Christian education which the Children's day exercises were given for and praised the work of the little folks in the cause they represented. This service was one that pleased both young and old, and the children, as well as those in charge of the program, certainly acquitted themselves in splendid manner. Mrs. Edward Roman was in charge of the work of the children, assisted by Miss Della Frans as organist, and their efforts brought out a most pleasing program.

TWO NEW MODERN HOMES IN
THE WEST PART OF THE CITY

Two of the additions to the new residences of the city are those of Joseph Sedlak, sr., and Frank Wooster, in the west part of the city. These two new homes are being put in first-class shape and are arranged so as to give the owners fine and comfortable homes in their declining years, and are strictly modern in every way. They will add greatly to the appearance of that part of the city and are indicative of the spirit of enterprise possessed by their owners.

Quarterly Conference Postponed.
The quarterly conference of the Methodist church was to have been held in this city this evening, but has been postponed owing to the inability of Rev. J. W. Embree, superintendent of the Tecumseh district, to be present.

SUIT FOR DIVORCE FILED
IN THE DISTRICT
COURT MONDAY

This morning in the office of the clerk of the district court a suit for divorce was filed entitled Grace Luvia Rhoden vs. Gailen R. Rhoden, and in her petition the plaintiff states that they were married at Mynard, Neb., on December 2, 1902, and further that on May 13, 1915, the defendant was guilty of extreme cruelty toward the plaintiff, striking her with his fists and kicked her several times and ordered her to leave the house and take her clothes with her, as well as called her rude and vulgar names. At sundry times, the dates of which she cannot give, the plaintiff alleges that the defendant has struck and choked her and also shot in a room where the plaintiff was, causing her fear of her life. She further alleges that through the abuse of the plaintiff she has suffered great mental anguish and has been compelled to undergo surgical operations as a result of the abuse. It is stated that there are two minor children as the result of the marriage, Gladys, born September 16, 1906, and Herold, born February 24, 1909, and plaintiff asks that the custody of the children be given her, as well as an absolute divorce and suitable alimony. It is reported that the defendant will file a cross-petition in the case.

THE MEANING OF
FLAG DAY DEFINED

The observance of Flag day yesterday by the Omaha lodge of the B. P. O. E. at Hansom park in that city was one of the largest attended held in the west in recent years and several of the members of the order from this city were in attendance to take part in the exercises. This is one of the great days in this patriotic and benevolent organization and the Omaha lodge has been for some time making the arrangements and a very interesting, as well as beautiful program was arranged, including the ritual of the Elks, which was conducted by Exalted Ruler Young of the Omaha lodge, assisted by the officers of the Council Bluffs and Plattsmouth lodges, and Esteemed Leading Knight Allen J. Beeson of the local lodge gave the Elks tribute to the flag in a very impressive manner that was greatly enjoyed by the large audience, numbering some 8,000 persons. The day was ideal and a vast outpouring of the members of the Elks, as well as the citizens of Omaha and vicinity were present to join in the observance of the day marking the birth of the flag.

Senator Hitchcock, the orator of the day, speaking on "The Meaning of the Flag," praised the spirit that brings about Flag day celebrations, pointed out the vast number of places scattered half way round the globe where the day was being celebrated and congratulated the nation on its peace in the face of the trouble in Europe. "At this time particularly, when Europe is in the throes of awful destruction," said the senator, "we have cause for gratitude. At this moment, when in Europe we see the very foundation of civilization tottering, it is our proud hope that America shall become the conscience of the world. And in the present world crisis our hope is that the flag in the hands of Woodrow Wilson will be led through with high honor."

A NEW GRAND-DAUGHTER
FOR MR. AND MRS. FRICKE

Mr. and Mrs. F. G. Fricke of this city are rejoicing over the arrival of a fine new granddaughter at the home of Mr. and Mrs. Russell S. Harris in Omaha last evening. The little lady and the mother are getting along fine and the pleasure of the father and little sister over the addition to the family is very pronounced. Mrs. Fricke departed for Omaha this morning, accompanied by Mrs. C. G. Fricke, to visit the new granddaughter and niece.

Notice!
We, the members of the Swedish Mission Sunday school, hereby wish to express our sincere thanks to the Woman's Relief Corps for the flag presented to our school. Signed: Mr. G. Johnson, Superintendent.

THE ATHLETIC BALL TEAM
PLAY BALL AT NEHAWKA

The Athletic base ball team of this city journeyed down to our neighboring town of Nehawka yesterday via the auto route and engaged the ball team of that place in a lively exhibition of the great national game, and were defeated by the score of 6 to 0. The game is reported as a good one, but our boys were unfortunate in their work on the bases, as they were able to hit and get on the sacks, but were not able to pull any runs over the plate, and the contest was very pleasing to the crowd of fans present. The work of the Athletics was excellent in all departments and showed much improvement in form.

HEROLD PETERS CELEBRATES HIS THIRTEENTH BIRTHDAY

Saturday, June 12th, marked the thirteenth birthday anniversary of Master Harold Peters, son of Mr. and Mrs. Joe Peters, and in order that the occasion might be celebrated in the proper manner, he invited the members of the Mengedoht orchestra and their instructress, Miss Augusta Mengedoht, to come to his home on Granite street Saturday afternoon from 5 to 8 o'clock and assist him. For a while the little folks and their instructress, Miss Mengedoht, derived much pleasure from various games and amusements on the pretty lawn at the Peters home, and made the afternoon a very happy one. At a convenient hour the guests were invited to the dining room, where a delightful birthday luncheon was served. The table was prettily decorated with garden flowers, while the centerpiece consisted of a huge birthday cake with the thirteen candles. An hour or so devoted to a few more games and frolic and then, at the appointed hour the guests dispersed, wishing their little host many more such happy birthday anniversaries and leaving with him many handsome gifts, which will be constant reminders of this birthday anniversary. Those in attendance were: Helen Roberts, John and Helen Egenberger, Leslie Hall, Robert Kroehler, John Schulhof, Elizabeth and Grace Beeson, Genevieve Whelan, Sophia Jirousek, Robert Peters, Eunice Druliner and Miss Augusta Mengedoht.
