

REV DEAN LELAND OF THE UNIVERSITY TO OCCUPY PULPIT HERE

Rev. Dean Leland, who is the university pastor of the Presbyterian denomination at our state university at Lincoln, will occupy the pulpit of the Presbyterian church next Sunday morning and evening. His work is something new in denominational work of our churches. It is the church's effort to take religious obligations to its students at these universities, who, being away from religious pressure, might forget such obligations. Dr. Leland has a great many lantern slides representing his work at Lincoln and also at many other state universities, which he will show in his lecture Sunday evening. These are interesting, not only in describing his work, but giving a good idea of student life there. Anyone interested in our university and its influence on our young students would greatly enjoy seeing these pictures and hearing Dr. Leland.

LARGE DELEGATION OF EAGLES TO SOUTH OMAHA LAST NIGHT

Last evening was a big occasion for the members of the Fraternal Order of Eagles, as a delegation numbering over fifty were at South Omaha to attend the meeting of the state aerie, which is being held there this week. A great deal of interest has been shown here by the members of the order in the meeting and the lodge certainly sent a fine delegation to the Magic City to join in the monster parade of the members of the order and to assist in the general spirit of good fellowship and fraternity prevailing at the meeting. The Eagles have brought their aerie in this city up to a high standard and their membership have cause to feel well pleased with their efforts toward the spreading of the doctrine of the fraternity and betterment of their fellow man, which has made the Eagles such a force for good since the time of its organization. The state meeting this year is one of the best that has been held so far by the order in this state and all who attended last evening felt well repaid for their journey in being able to mingle in the great gathering of the order.

John McCarthy, one of the leading citizens of Otoe county, was here for a few hours yesterday attending to some matters of business and visiting with his friends, having motored up from his home near Wyoming.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. HAS THE JUNE RISE IN THE BIG MUDDY NOW ARRIVED

The June rise of the old Missouri river appears to be at hand, as a rise of a foot occurred last night and the stream appears to be on the boom at this place with indications pointing to a further rise before the high water subsides. The channel east of the bottoms near the depot is well filled with the flood water of the river and it may possibly cause another overflow before subsiding, but it is to be hoped not, as the farms along the bottoms are being gotten in shape to put in the crop and another overflow would make a delay in the work that would throw the crops several weeks behind.

THE P. L. C. CLUB ENTERTAINED BY MRS. J. ANDREWS

The P. L. C. club of the M. E. church were entertained in a very charming manner yesterday afternoon at the home of Mrs. J. Andrews, on Wintersteen Hill. The afternoon hours were whiled away very pleasantly and also very industriously with playing the busy needle and various other amusements, interspersed with social conversation. At an appropriate time a delightful luncheon was served, which was most thoroughly enjoyed by the guests. At the close of the beautiful spring day the members of the club wended their way homeward, declaring Mrs. Andrews to be a splendid entertainer.

Surprise on Mrs. S. J. Reames.

Thursday was Mrs. S. J. Reames' birthday and her friends gave her a surprise she will long remember. About 2:30 the ladies, with well filled baskets gathered at S. J. Reames place of business and when they had all arrived they chose John Gauer to go and bring Mrs. Reames up to the shop on the pretense that S. J. wanted to go auto riding. But when she arrived at the shop the surprise was sure a surprise to her. The ladies went out on the lawn in the rear of the shop, where seats were arranged for them and a general good time was enjoyed until 4 o'clock, when they spread the table which had been arranged in the shade, and everybody did justice to the good things that were before them to eat, after which Mr. Reames served the ladies with cream, and at 5 o'clock they all went their way, wishing Mrs. Reames many happy returns of the day. The B. & M. R. R. Co. have put new patent air-brakes on all their trains, and it is astonishing with what ease and power the speed of a train is checked without any screwing and grinding of brakes nor tooting of horns and screeching of steam at every step. Without a note of down brakes your train stops, and with never a signal she moves on again. Ye engineer does it all with his little lever.

The tramps tried to take the town Saturday evening. They halted two men who ran down town and gave the alarm. Marshal Morrison, Night Watch Mayfield, Fred Kroehler and others went up on the hill north of the surveyor general's office and called for their passports. The answer was a shot. Some twenty shots were fired, and the tramps crawled off, one at least, wounded. A vigilance committee must be organized if this thing don't stop.

MRS. MONT ROBB AND DAUGHTER MISS GUSSIE ENTERTAIN

A very charming dinner party was given last evening by Mrs. Mont Robb and daughter, Miss Gussie, at the Hotel Riley, in honor of Miss Hoyt of Davenport, Iowa, who is here as a guest of Mrs. W. S. Leete, and Miss King of Jacksonville, Illinois, who is visiting her sister, Mrs. A. W. Atwood, in this city for a short time. The dinner was held at 6:30 in the handsome dining room of the hotel and the table was very prettily decorated in a color scheme of yellow and red, while a large bouquet of yellow daisies formed the centerpiece of the table and added to the beautiful appearance of the decorations. After the enjoyment of the delicious dinner the guests were entertained at the Air Dome for a few hours before journeying homeward, feeling that the evening had been one of great pleasure to them and enjoying the gracious hospitality afforded them.

PARTY OF NEMAHA COUNTY GENTLEMEN IN OUR CITY

Yesterday afternoon a party of prominent Nemaha county citizens were in the city for a few hours en route home from Omaha, where they had spent the day. In the party were Judge R. F. Neal of Auburn, W. E. Majors, Dr. W. T. Neal and Ed Parrott of Peru. These gentlemen while in the city were callers at the Journal office, where a very pleasant chat was enjoyed with the party. W. E. Majors is an old soldier and served in the First Nebraska during the civil war as a comrade of Judge J. W. Johnson of this city, and was very much disappointed that the shortness of his stay here would not permit of his making a visit with his old friend.

LADY ENROUTE FROM OKLAHOMA TO WEST VIRGINIA DIES HERE

On last Wednesday Mrs. Undine Green and three little children arrived at the home of Mr. and Mrs. Fred Gardner, eight miles west of this city, being en route from their home in Oklahoma, to that of the parents of Mrs. Green in West Virginia, and stopped here for a visit with Mrs. Gardner, who is an aunt of Mrs. Green. The family were not in the best of financial circumstances when they arrived here and a wire was sent to the east for funds. On Friday the lady was taken sick and steadily grew worse until yesterday she was seized with convulsions and died this morning at 11 o'clock, after great suffering. The parents of the unfortunate woman had sent \$25 to assist her, but it arrived after she was taken ill and it was impossible to continue her journey. The cause of the sickness has been rather baffling and at first it was feared it might be a case of suicide, but there is not much foundation for such an act. Besides the three children left here there is one child in West Virginia at the home of the parents, left to mourn the death of Mrs. Green. The arrangements for the funeral have not as yet been completed.
