Satan's Monumental Lie Foisted Upon the Church -- Christian Standards All Unscriptural Teachings-Refuge of Lies to Be Swept Away-The Name of God Blasphemed Daily-Medieval Darkness Passing-Responsibility of the Ministry-Day of Their Visitation.

Ind., June 27.-Pastor Russell is report his address on the text. "The god of this world hath blinded the minds of them that believe not. lest the light of the glorious Gospel of Christ * * * should shine unto them." (2 Cor. 4:4.)

Indianapolis,

The Pastor spoke as follows: During the Dark Ages doctrines of demons were folsted upon the Church by Satan's hosts of fallen angels. Millions were driven into the Church, but driven away from God and from the Bible. The theory was that all not members of the Church would surely go to eternal torture, but that by joining the Church they would have a chance of Heaven, even though the path led through Purgatory. Under these unscriptural teachings, Christianity has enrolled its hundreds of mil lions, very few of whom know anything about the real Christianity of the Bible-true discipleship of Jesus Christ.

We see them in Europe today-of all creeds-doing their best to destroy each other-to send each other to Purgatory or to eternal torture. About five per cent, are estimated to be Mohammedans, Jews and infidels, and the remaining ninety-five per cent. Christians. What a farce! What a hypocritical deception! The fact is that probably less than one per cent. of all those millions would make any claim to be followers of Christ or of suffering, brotherly kindness, love. The een centuries this theory is proven to titution, which the Bible declares is

On this original foundation-false hood Satan has built up various the ories, all of which tend to delude hu manity and to drive them away from alive somewhere, and that at death the good and the bad immediately enter these doctrines of devils? their rewards and punishments with out resurrection. "Speaking Lies In Hypocrisy."

St. Paul describes Satan's work concisely in the statement which forms our text. If the true light of God shines into any heart, it begins a transformation work at once; hence Satan's anxiety to keep people from thinking of God as a reasonable and adorable Creator and from studying His graclous Plan for human redemption. We see how the eyes of all have been much holden-the world seeing nothing at all, and Christians seeing little enough of the goodness of God. Thus St. Paul prayed for Christians that the eyes of their understanding opening. they might be able to comprehend the lengths and breadths, the heights and depths, and to know the Love of God. which passes all human understanding

There are exceptions to this general rule. They are found amongst the less educated ministers, whom their educated brethren style "mossbacks." There are others whose consciences are great distress, wishing to be honest, but fearing the cost. They say little about the future, occasionally work in a little Truth, and are generally very righteousness, casting all their cares and fears upon the Lord-fears respecting their living and provision for their families, respecting their good names, which will be cast out as evil. as mine has been, if they will firmly stand. The time of decision is here. Whoever is not for God and for the Truth is against the same.

The great leaders of Ecclesiasticism seem to have no conscience. If approached by their confiding flocks, they dodge the questions with deceptive phrases, fearing not God, neither regarding man, but merely looking for gain, each from his own quarter-his denomination.-Isaiah 56:11.

It is the duty of all who see the Truth clearly to act positively. (2 Corinthians 6:17, 18.) Whoever lends financial aid or moral support to the great systems which are opposing the true teachings of God's Word, and assisting in the perpetuation of Satan's lie, is a partaker of the evil deeds and will share in the woes soon to come.

Blasphemy the Greatest Crime. Recently a young business man told me of his experience. He inquired of his pastor, "Is there a Hell of eternal torture for all except the saintly?" The cheerful answer was, "Yes, certainly." The young man had been reading and thinking, and told the pastor his conclusions. As he left the study, the pastor put his hand on the young man's shoulder, saying, "George I do not believe in eternal torture, either. But, you know, we must preach it: otherwise, what would become of the world? They would go from bad to worse."

What does that young man think of his pastor new?-a liar, a hypocrite, a blasphemer of God-all to hold his place in the religious firmament-justi fying himself by saying, Let us do evil that good may come; let us blaspheme God's name, that we may lead the people, and drive them away from God and the Bible! We know of no worse crime that humanity could commit than that of blaspheming God's holy name. In the Jewish Law this sin was placed ahead of all sins relating to fellowmen. That minister is mere ly a sample of about nine-tenths of the entire clergy, so far as we are able to know from their creed professions and their private denials of these. St Paul's words surely appeal to every true Christian when he declares that the Love of God and of 'Christ-not fear-constrains us.
