ANOTHER NEW BANK TALKED OF IN LOUISVILLE

Our neighboring town of Louisville seems determined to have a second bank, as reports from that city state that the Home State bank has been organized, with a \$20,000 stock, which has been subscribed by the residents of that locality. The stockholders, at a meeting there, selected the following officers: President, John Group; vice president, Charles J. Pankonin; cashier, C. E. Wood. The new bank, it is understood, will commence the erection of a new brick building in a very short time to house their financial institution. The Farmers' State bank, which was organized there a few months ago, has been purchased by the Bank of Commerce, and those who were interested in the organization of the other bank seem to have taken an active part in the organization of the new Home State bank. The stock is held principally by the residents of Louisville and vicinity.

MRS. W. W. MOORE OF SCHUYLER IS IMPROVING

A message was received here last evening from Mrs. Herman Spies, who is at Schuyler, Neb., at the bedside of her daughter, Mrs. W. W. Moore, in the hospital in that city, in which she announced that Mrs. Moore was feeling a slight improvement and that it was now thought that she would recover, although she was still quite weak and suffering considerably. This will be most pleasing to the friends of this lady here, who have been considerably worried as to her condition and it is to be hoped that she will continue to improve until restored to her accustomed good health.

DAVID HAWKSWORTH HOLDING HIS OWN AT DETROIT

The latest reports from the bedside of David Hawksworth in the hospital at Detroit, where he is suffering from an attack of typhoid fever, state that he is holding his own nicely and that in a few days the case should reach its height and the patient begins to show signs of improvement. His relatives here are kept constantly advised as to the case and the condition of Mr. Hawksworth.

WEEPING WATER COUPLE MARRIED AT COURT HOUSE

Yesterday afternoon at the office of County Judge Allen J. Beeson occurred the marriage of Mr. Charles Hobson and Miss Amy Hillman, both of Weeping Water, who came over from their home in an automobile and reaching the court house secured the services of Judge Beeson in pronouncing the words that were to make them as one in their future lives. The young bridal couple were accompanied here by Miss Eva Sperry, who witnessed the ceremony and accompanied the young people back home.

IN PLATTSMOUTH FORTY YEARS AGO.

We understand about forty-five persons went from Plattsouth to Omaha last week to attend the grand temperance rally, and report a good time.

Frank Carruth, esq., has been quite sick for a week. He is better and about now, but if the greenback doctrine has such an effect Frank had better resign.

Our staunch republican friend, Dr. Root of Greenwood, seems to have a tough time of it with the greenbackers. Fight it out, Doc., we'll win in the end.

Dr. McCrea has been and is still very sick with an attack of bilious fever, during which his sufferings have been very severe. We hope he may soon recover.

Hon. Sam Chapman went to Lincoln Tuesday to attend supreme court, in the old case of Petit vs. Black.

From Council Bluffs papers we learn that J. O. Phillippi has been made general agent for the C., B. & Q. R. R., a promotion which he has earned by unceasing diligence, and by rendering himself invaluable to the company.

Sheriff Hyers came near having some fires lit his house the other day. The children kindled a blaze in a board hog-pen—unused—and had it not been for the efforts of the women of the house there would have been a serious conflagration.

Smith Palmer, who lived on one of C. H. Parmele's farms on Turkey Creek, near William Snyder's, died on Saturday or Sunday morning very suddenly. The circumstances seeming to demand an inquest, Sheriff Hyers and Dr. Livingston were sent for. The doctor made the necessary examination and was satisfied that death came from natural causes. The sheriff held an inquest as a matter of form.

Richard Bilstein and Ben Hemple, his brother-in-law, have opened a neat new butcher shop in the old Senate building on Main street, between Third and Fourth streets. Mr. Bilstein is said to be No. 1 butchers, understanding the business thoroughly, having followed it in California. Mr. Hemple we all know; Ben has tried it before, and the new firm ought to do a good business.

John H. Tucker, an old resident of this county, died very suddenly in Fillmore county, in this state, on Monday, the 28th, and his body was brought to Plattsouth on Tuesday. We did not learn the cause of his death, but it must have been very unexpected to his relatives here. Mr. Tucker was an old friend of M. H. Hathaway, and an old subscriber to this paper.

Dr. G. W. Cluster, a dentist of over ten years' experience in eastern Iowa, has located among us and secured rooms in the building over Solomon & Nathan's store, on Main street. He comes to us well recommended, and is now ready for business. All who may have anything in his line needing to be done, should visit the doctor and see what his terms are and what kind of a dentist he looks like.

Mrs. William McCauley departed last evening for Monticello, Arkansas, where she will spend a short time visiting friends and looking after land interests in that state.

Mrs. John Hall and sister, Mrs. Kimmel, were among those going to Omaha this morning, where they will visit for the day with Mrs. H. M. Young at St. Joseph's hospital.

Frank L. Rhoden and sister-in-law, Mrs. Georgia Creamer, were passengers this morning for Omaha where they will assist Mrs. Rhoden in returning home from the Immanuel hospital.

Robert D. Taylor and wife of Franklin, Neb., who have been here visiting at the home of James Robertson and family for a few days, departed last evening on No. 2 for Providence, Rhode Island, where they will visit for a short time.

Henry Boeck and wife and niece, Miss Gretchen Boeck, of South Omaha departed this afternoon on their trip to Hollywood, California, where they expect to make their home and may decide to make their future home there.

FUNERAL OF FRED H. HESSE FROM HOME YESTERDAY

The funeral of the late Fred M. Hesse was held yesterday afternoon at 2 o'clock from the late home on South Chicago avenue, and was attended by a large number of the old friends of the family as well as members of the Eagles and A. O. U. W., of which Mr. Hesse had been a member. The services were conducted by Rev. F. M. Drulinger of the Methodist church who gave a short sermon in which he spoke words of comfort to the family and friends and touched on the Christian life which makes the passing into another world a source of joy and not of fear, and the remarks of the minister delivered in his usual impressive manner brought to the sorrowing ones a sense of peace and helpfulness. A number of the beautiful hymns were given during the service that fell like balm on those who were mourning the taking away of one they had loved so dearly. There were a large number of beautiful floral remembrances laid on the bier as unspoken tokens of the love and esteem in which Mr. Hesse had been held during his lifetime. At the close of the service the body was tenderly borne to Oak Hill cemetery, where it was laid to rest in the family lot in that beautiful silent city.

Card of Thanks.

We desire to express our sincere thanks to the friends and neighbors who showed us kindness and sympathy in our recent loss. Also to the lodges who so kindly assisted us.

MRS. F. M. HESSE,
FRED P. HESSE.

LARGE ATTENDANCE AT BRUNDAGE CARNIVAL LAST NIGHT

The largest attendance so far this week was present last evening at the carnival grounds to enjoy a few hours with the S. W. Brundage shows, and everyone who was in attendance felt well repaid for their time in enjoying the good, clean shows and the attractions done a nice business. One of the busiest spots on the grounds is that of the baby rack, where the large, handsome dolls are given out, and almost every man, woman and child attending the carnival have displayed a feverish desire to secure a "baby," and as a result a great many of the homes of the city and the little folks are rejoicing over their babies.

The famous collection of Mexican relics and weapons used during the many outbreaks in that country has pleased those who have attended, and an interesting lecture is given on the different collections. "The Crawfish Boy" has attracted a good deal of attention and is quite a unique freak, as his hands are webbed and his legs have instead of feet a strange formation akin to that of the crawfish, from which he has taken his name.

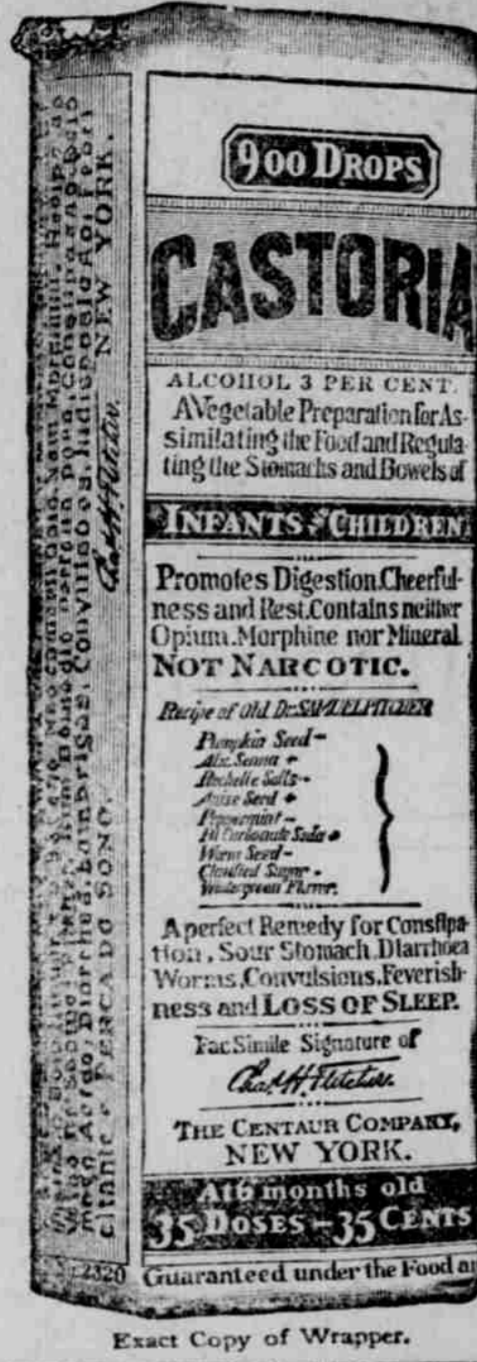

The daily concerts on Main street at 2 and 7 o'clock in the afternoon and evening by the excellent band of the Brundage company, has proven most entertaining and the band boys are sure there on furnishing most pleasing music for the public.

CRITES PROPERTY HAS BEEN SOLD TO FRANK A. CLOIDT

The Crites property at Main and Eleventh streets, which has been occupied by E. C. Hill and family for some time, has been purchased by Frank A. Cloidt and wife, who expect to make some extensive improvements on the property. Mr. and Mrs. Cloidt own the residence property formerly owned by J. D. Robbins, and their new purchase will give them quite an interest in city property. As soon as possible it is expected to have the west lot of the old Crites place filled up and then move the old house there and on the east lot erect a new modern bungalow which Mr. and Mrs. Cloidt will occupy as their home if they decide to complete their present plans. These changes would certainly add very much to the appearance of that section of the city and it is to be hoped that the plans outlined will be materialized.

Adam Kaffenberger of Cedar Creek was in the city today for a few hours visiting with friends and looking after some matters of business.
