MISS MURIEL STREIGHT ENTERTAINS IN HONOR OF HER GUEST

Last evening Miss Muriel Streight entertained in a most charming manner at her home in honor of Miss Ida Margaret Higginson of Chicago, who is a guest of relatives in this city for a time. The occasion was very much enjoyed by the young people in social conversation and music for several hours, as well as in the delights of most delicious refreshments served by the ladies of the party. It was a late hour when the gathering dispersed homeward, having had a most pleasant time. Those in attendance were: Misses Nora Livingston, Mary Rosencrans, Elizabeth Beeson, Muriel Streight and Ida Margaret Higginson; Messrs. Gordon Reed, Will Schmidtmann, Blythe Rosencrans, George Dovey and Robert Walling.

Smoke the "Exquisite" and "Eagle," the best 5c cigars. Herman Spies, manufacturer.

IN PLATTSMOUTH FORTY YEARS AGO.

We understand that D. Wheeler, Jr., has arrived at the dignity of notary public. We doff our hat.

John Leach has opened a stand on Main street, between Fourth and Fifth, where he keeps hot coffee, lunch, confectioneries, apples and "sich." Look in and see John.

Geo. W. Adams, W. W.; Asa Coleman, Henry Wolfe, Co. Com'r. elect, and Jno. Chalfant, esq., all showed their good looking physiognomies in the Herald office last week.

George Mayfield, our old campaign friend, has been quite sick and has had sickness in the family besides. We are sorry for George.

George Cross, P. M., Victoria P. O., called on the Herald and we are more

than glad to see Mr. Cross. He is a gentleman and we want a few more of his sort in Cass county as postmasters.

Doc. Jones has two great cribs of corn in the rear of the livery stable, nearly full. Mr. Connor is said to have 16,000 bushels here and 19,000 or 20,000 more up the road.

Miss Ada Sherlock, niece of Mrs. Joseph Shera, well known here as a fine musician, aided at a concert in St. Joseph lately that is spoken of very highly. Miss Georgina Sherlock and her brother, Victor Sherlock, were the instrumentalists.

Eight Mile Grove, Neb.—Mr. Mac-Murphy: You ask of the people of Cass county the news from their various locations. I would say that all is lovely at this place, only I feel that I was the victim of a deception and imposition, in this, Mac. Early this morning one of the neighbor women came to my house rather in a hurry, as I thought, and left word that I was wanted at Mr. Walter Mutz's house (my son-in-law), and left. So I fixed up and "lit" out; on arriving at the door I heard someone titter; I thought it rather remarkable and hesitated, while hesitating the door was thrown open and behold the neighbor women rushed out, seized me, pulled me in, and into the rocking chair, next pulled the spectacles off the face of Grandma McConkey and placed them on my venerable nose. I demanding all the while what it all meant, and they said it was no matter; it was a girl; my granddaughter, and its mother was doing as well as expected. Now, Mac, this is "too bad," for I am 50 years old and cannot stand it. So I appeal to you for help, and till help comes your servant waits with a strange feeling. James Hall.

It's Money Well Spent!

By MOSS.

It's far better to spend \$50 or \$1,000 in advertising in this newspaper and make more net profit than it is to spend nothing for advertising and make less net profit.

Out of every ten men who succeed nine do so by liberal publicity. The tenth man is usually a freak exception.

Consistent advertising keeps you even with or ahead of your competitor.

Most of our merchants are quick to realize that the best reading element in this community—the people who buy most—take this paper and read the advertisements there-in contained.

SAYS RAILROADS MUST MOW WEEDS

Reed Rules Lines Obligated Where Parallel Highways.

CASSIE DWYAR RECEIVES CASH

Five Thousand Dollars Paid Girl Injured at Beatrice Institute—Rock Island Objects to Paying Corporation Tax—Complaint Filed With Coffey.

Lincoln, July 29.—Railroads must mow the weeds to the center of the public highway where their roads parallel the public road, according to an opinion rendered by Attorney General Reed in answer to a letter written to the state legal department by Frank Kelley, county attorney of Custer county.

It is made the duty of each and every county treasurer to enter on the tax sale records of his office a cancellation of all tax sales on which five years have elapsed since date of sale, with date of entry affixed in language about as follows: "Cancelled by section 6569, Revised Statutes of Nebraska for 1913," according to an opinion given by the attorney general to the county attorney of Custer county.

Rock Island Objects to Tax.

E. P. Holmes, local attorney of the Rock Island railroad, is objecting to the payment of \$2,500, the amount paid by other roads in the state as a corporation tax, claiming that the road can only be required to pay on the amount of property owned in this state. Last year the road paid \$550, Secretary of State Watt holding that the amount was sufficient.

Secretary of State Watt holds otherwise and the matter will go before the board having the matter in charge. The board consists of the secretary of state, state auditor and treasurer, with the assistance of the attorney general.

Complaint Filed With Coffey.

A complaint was filed with Labor Commissioner Coffey against certain proprietors of Greek shining parlors in Lincoln, alleging that the places were being kept open on Sundays after 11 o'clock in the morning and that the owners of the places were working young boys beyond the hours specified by law; also that these proprietors were taking from the boys the tips given them by customers. The labor commissioner will look into the matter, although there is no law covering the keeping open of these places on Sunday or the confiscation of tips.

Money Paid Injured Girl.

After considerable delay, caused by the bond not being satisfactory to State Auditor Smith, a warrant was drawn in the amount of \$3,000 to Miss Cassie Dwyar, the young girl who was hurt in a washing machine at the Beatrice institute and which amount was voted by the last legislature. In voting the amount the legislature stipulated that the trustees should give a bond and that the money should be invested until the girl became of age.

TRAMPS FIGHT ON TRAIN

One, Shot Through Stomach, Is Dying In Hospital at Fairbury.

Fairbury, Neb., July 29.—Odell De Losier is dying at a hospital here as a result of being shot through the stomach at Jansen, six miles north-east of here. De Losier and several other tramps were traveling on a Rock Island freight train. The injured man says he was on a flatcar when another tramp came from a box car and demanded money. A quarrel ensued and they clinched. De Losier fell to the ground. His adversary fired at him while down, the bullet penetrating his stomach. De Losier was picked up by a train crew and brought to Fairbury.

Three hundred tramps came into Fairbury on freight trains. The police were powerless to handle them. The tramp who shot De Losier disappeared in the night and Sheriff Hughes can not locate him. On July 9 two tramps were shot at the same place in Jansen in a battle with a train crew.

Sugar Factory For Bridgeport.

Bridgeport, Neb., July 29.—Plans are being perfected for the erection of a big sugar factory at this place. Representatives of the sugar company have been here a few days and options have been taken on several hundred acres of choice sugar beet land close to town. A careful survey shows that there are fully 60,000 acres of available land in the Bridgeport territory.

Hydro-Electric Plant For Barneston. Beatrice, Neb., July 29.—George W. Steimeyer of Holmesville, whose application for a power site at Barneston, this county, has been approved by the state board of irrigation, stated that he intended to establish a hydro-electric plant at that place, connect up with the Holmesville electric light plant and sell juice to towns along the Blue river.

Alliance Suspends Business For Day. Alliance, Neb., July 29.—The business men of Alliance closed their places of business at noon and will remain closed the balance of the day in order to observe good roads day, as proclaimed by Governor Morehead. The business men and all their clerks went out to work on the roads.

CARL HOFFENBACK'S TRAINED WILD ANIMALS

Have Been Added to the Yankee Robinson Circus for 1915—Don't Miss It This Time.

The celebrated Carl Hoffenback's trained wild animals, which have been exhibiting in England for the past three years, have been brought to this country for this season on account of the European war. The entire show has been added to the Yankee Robinson circus and will be exhibited during the circus performance without extra charge. The principal feature of the Hoffenback trained animals is the famous fighting lions, with Vincent Deruerra, the animals' king, in charge. The act is concluded with the loop-the-loop by the big African lion. This feature alone is the most sensational ever introduced by any circus.

At Plattsmouth Monday, August 9.

WATERMELONS ON ICE!

We are unloading today a car of very fine Melons. They are Kleckley Sweets and every Melon is guaranteed. Call us for a nice, cool one. H. M. SOENNICHSEN.

PICNIC AT EAGLE WEDNESDAY AND THURSDAY, AUGUST 4 AND 5

The eighth annual picnic to be given by the citizens of Eagle will be held Wednesday and Thursday, August 4th and 5th, and will be one of the big events of the county in the way of entertainment, as well as a pleasant treat for those visiting at this thriving little city in western Cass county. The attractions secured assures one of plenty of entertainment and includes a balloon ascension, featuring the double parachute drop, which will be given each evening during the picnic. The auto polo players will also give one hour of solid enjoyment with their contests, while the Sprague band will discourse sweet music for the visitors. There will be ball games each day, the first being between Burr and Eagle and the second between Eagle and Greenwood, while other athletic events will be held each afternoon. On Thursday, August 5th, Hon. C. F. Reavis, congressman from the First district, will address the citizens at 11 o'clock. There will be a big dance held each evening in the town hall.

OVERLAND

F. O. B. \$750.00 TOLEDO

Overland Model 83

Things to Consider in Buying a Car!

SERVICE—Every Overland Car sold in this vicinity since 1908 is still in service.

PRICE—No car today gives as much real value for the money as the Overland. You can satisfy yourself on this subject by comparing specifications with competitive cars.

UP-KEEP—No car was ever built that did not at some time or other need some repair. Repairs for the Overland can be obtained the same day as ordered, and at prices far below what other manufacturers charge. This fact does not occur to the average buyer until he needs some parts and finds it takes from one to three weeks to get parts and in many cases at prices two and three times what the Overland asks. Automobile factories have declined in numbers from 270 in 1911 to 119 in 1915. In other words 151 factories out of 270 have quit making cars in the last four years, and well informed men in the automobile business predict that the change in the next two years will be still more startling, which means that it will be still more difficult and still more delay on parts for cars that are not being manufactured at that time.

There is only one manufacturing plant in the world that produces more cars than the Overland Company, which has increased its production from 400 cars in 1908 to over 100,000 cars per year now. If the Overland car had not given far better average satisfaction to the buyer in the past it would not have outstripped all its competitors, many of which were in the automobile field twice as long.
