

ARRANGEMENTS NOT ALL SATISFACTORY TO B. & M. TRAIN CREW

From Friday's Daily. The Burlington has made a slight change in the arrangement of the running of their trains over the Sioux City lines that will not be entirely agreeable to a large number of the train crews operating over this line of the road. The company has decided that hereafter the engineer and fireman will spend their lay-over at Pacific Junction instead of in this city, as it will lessen the cost to the company considerably. Heretofore the engineer and fireman have been paid for running their engine in this city and back over to the Junction to have their train made up for the run, and this has amounted to quite a little sum, so that it was decided that the engines would be brought over to this city without the fireman and engineer, and fired up here and taken back over to the Junction to be turned over to the train crew, saving the expense of the trip of the fireman and engineer to the company, but the change is not one that will be greatly relished by the men, as the lay-over in the Junction is not as pleasant as one in a larger place would be.

NOT AN EMPTY BUSINESS HOUSE IN PLATTSMOUTH

From Friday's Daily. With the general spirit of enterprise and progress in the city it might be worth while to note that there is not a single store room in the business section of the city that is not rented and in use for some purpose, and this is a condition that has not existed here for a great many years and shows the general advancement of the business of the city in all lines. With the new hardware store filling the room in the Toney building and a laundry about to go into the Perkins House corner the last vacant rooms are taken. The house famine has been on for some time, with far more of a demand than could be supplied, but this is the first time that all the store buildings have been occupied, and from one end of Main street to the other and on Sixth street there is not a room that will not be devoted to some use. This is an indication of the prosperity of the city and the continued advancement in all lines of business.

PHILIP HARRISON PAINFULLY INJURED WHILE AT WORK

Philip Harrison, who has been engaged in the work of helping to demolish the old residence of W. J. Straight on Oak street, to make way for the new house, was injured very painfully Wednesday afternoon. He was carrying a large, heavy timber from the house, and in so doing became overbalanced and fell into the cellar, some ten feet below, and bruised his shoulders and back in a very serious manner and it was necessary to summon a physician to look after his injuries. It was not possible to discover any broken bones, but his bruises were very painful and today was the first time it was possible to move him in his bed since the accident. It is thought that he will get along nicely, although it will be some time before he is up and around again. This accident will be very much regretted by the friends of Mr. Harrison, and it is to be hoped he will not sustain any permanent injuries from the effects of the fall.

CASS COUNTY COUPLE ARE MARRIED IN COUNCIL BLUFFS

From Saturday's Daily. Two Cass county young people yesterday were joined in wedlock in Council Bluffs, where they had gone to surprise their many friends by joining together as man and wife. The contracting parties were Mr. Ray Cole, one of the energetic young farmers of near Weeping Water, and Miss Fagn Lloyd of Murray. Both of these young people are well known and very popular in their home community and their friends will be well pleased to learn that they have been united in marriage and that they will be located on the farm of the groom in the vicinity of Weeping Water.

ALICE MASON OPERATED ON FOR AFFLICTION OF TONSILS

Yesterday morning Mr. and Mrs. W. E. Mason motored to Omaha, taking with them their little daughter, Alice, who was operated on in that city for an affliction of the tonsils, as well as adenoids, from which she has been a sufferer for some time. The operation proved entirely successful and the little girl was brought home last evening, and after a few days' rest will be able to be out feeling very much better over the effects of the operation.

DISAPPOINTMENT IN LOVE CAUSES YOUNG LADY TO ATTEMPT LIFE

From Saturday's Daily. A story of disappointed love and grief over the death of a young man is given from the vicinity of Avoca, where Miss Emma Seimers, aged 18, attempted suicide a few days ago, and the young woman is now lying in one of the Omaha hospitals in a very critical condition suffering from the effects of poison self administered with a desire of ending her life. As far as can be ascertained the young lady has been brooding over the accidental death several months ago of the young man to whom she was engaged to be married, and her despondent condition finally culminated a few days ago in her attempt at suicide. She was alone at the farm home when she took the poison and telephoned to her parents of her rash act, and they at once secured a physician, who was rushed to the Seimers' home and found the young woman suffering greatly from the effects of the poison, and although she was saved from death at the time, her condition was such that it was thought best to have her taken to Omaha to receive treatment at one of the hospitals there, and since that time she has been lying between life and death, despite the splendid fight being made to save her from the effects of her act. The grief of the young woman over the death of her lover has been most profound and this is thought by the relatives to have caused her attempt to join him in death.

MASONS ENJOY VERY INTERESTING MEETING AND BANQUET

From Saturday's Daily. Last evening the members of Plattsmouth lodge No. 6, A. F. & A. M., enjoyed a very fine session of the lodge in conferring upon several candidates the second degree of the order. Following the regular session of the order a very elaborate banquet was served to the members and the newly initiated candidates, which was very much enjoyed. The feast was prepared by Fred Wagner and served by the Masonic brothers in a manner that added greatly to the pleasure and delight of the occasion.

MATTHEW GERING AND PARTY ARRIVE IN WASHINGTON

From Friday's Daily. A special from the Washington staff correspondent of the Omaha Bee, under date of August 5, says: "Matthew Gering, accompanied by his mother, Mrs. Amelia Gering, and his sister, Mrs. Henry Herold, of Plattsmouth; Mrs. Nannie A. Daniel and Herbert S. Daniel of Omaha, arrived in Washington yesterday, having left Omaha Thursday, July 22, by automobile. "The party traveled leisurely through Illinois, Ohio and Pennsylvania, spending a day at Gettysburg, en tour. Mr. Gering and his party propose motoring through New England, returning by the lakes to Nebraska. "While we encountered rains most of the time since we left Nebraska, I am glad to say we had no engine or tire trouble and everybody is happy."

Acting as Special Policeman. Andy Seybert is acting as special policeman during the circus to assist in looking after the welfare of the city, as Chief Barclay has not returned home and the work on Officers Jones, Grebe and Wilson is such as to make another officer necessary. Mr. Seybert is a good man and will do his part in maintaining order.

FRANK WOOSTER WINS THE PRIZE FOR HAVING THE MOST BOYS

From Saturday's Daily. That Cass county can raise something more than corn, wheat and fine cattle was demonstrated during the recent harvest sale at the store of C. E. Wescott's Sons, when they offered a prize to the first resident of Cass county who would bring into the store the largest number of sons, all residing in Cass county at this time. There were a great many presenting themselves at the store, but Frank Wooster of this city succeeded in copping the prize with his seven specimens of fine young America, and all of whom reside here in this city. While there were several who equaled the record of Mr. Wooster, none were able to exceed seven sons, and as he was the first to register at the store he was given the prize, a fine Stetson hat, of which he feels mighty proud, and each of the boys was presented with a neat and appropriate gift by the management of the store. The names of the boys and their birthdays were as follows: Anton, age 19, June 9; Frank, aged 14, December 14; James, aged 13, September 28; Charles, aged 11, July 12; Louis, aged 9, January 1; Matthew, aged 7, January 30; David, aged 6, September 15. This is certainly a fine family of coming young men and they will add very much toward the making of good husky and state.

MANY BRIDGE CONTRACTORS VISIT THE COURT HOUSE

From Saturday's Daily. The county court house was quite a busy place today when the various bridge contracting companies in this section of the state were on hand to submit their bids for the work of the county for the ensuing year. The greater part of the work in the past year has been handled by the Monarch Engineering Co., of Falls City. There were quite a number of bids filed for the different lines of bridge work that will be required during the next year. The sum which has been paid out for bridges and repairs in the last few years has been considerable, as the heavy rains and storms of the last two seasons have played havoc with the bridges of the county.

Departs on Outing. This afternoon Matt Jirousek, one of the efficient clerks in the office of Storkkeeper E. C. Hill of the Burlington, departed on his summer vacation and he will go from this city to Chicago, where he joins a party of young men of that city in an automobile trip through Wisconsin, and that they will have a most delightful time in the cool of the woods and lakes of that state goes without saying. The trip will occupy some two or three weeks.

Card of Thanks. I desire to express my appreciation of the courtesy shown to myself and seven boys in the handsome prizes given to us for the largest family of boys residing in Cass county, and the firm of C. E. Wescott's Sons have demonstrated that they are as good as their word in all their dealings and can be relied on.

TOLD IN PLATTSMOUTH

A Resident Known to All Our Readers Relates an Experience.

Readers of the Journal have been told again and again of the merits of that reliable, time-proved kidney remedy—Doan's Kidney Pills. The experiences told are not those of unknown persons living far away. The cases are Plattsmouth cases, told by Plattsmouth people.

Jonathan Hatt, general storekeeper, 414 Main street, Plattsmouth, says: "I consider Doan's Kidney Pills a very good medicine for backache and other kidney troubles. They have proven their value to me. Others of my family have also tried Doan's Kidney Pills, procured at Gering & Co.'s Drug Store. They think just as much of them as I do." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hatt had. Foster-Milburn Co., Props., Buffalo, N. Y.

ANOTHER WARM BALL GAME WAS PLAYED SUNDAY

An Exceedingly Large Attendance and a Close and Exciting Contest.

The Plattsmouth Red Sox yesterday afternoon, for the second time this season, were able to do business with the redoubtable Glenwood aggregation of base ballists, and copped a most interesting contest in the closing innings of a hard-fought battle by a score of 2 to 1, and this after the visitors seemed to have everything their own way, but with the enthusiasm of the large crowd to assist them the members of the crimson hose were able to get away with the long end of the heart-breaking contest, and in this the sticking of Beal and Herold in the ninth frame brought in the necessary tally that spelled victory. In the eighth round Herold had registered the tying run of the contest. The boys were not at their best in the opening innings, but tightened and carried off the fourteenth straight win on the home grounds and humbled the Iowa team, who had come to this city determined to secure the game. There was nothing doing in the way of scoring during the first four innings, but in the fifth the visitors jarred loose and made things look decidedly stormy for the followers of the Sox. Mann, the catcher of the Iowa team, led off with a hit over shortstop that could not be handled in time and was followed by Pitcher Hall with one in the same place. Under was mixed with a little grounder to Parriotti at third and was caught out at the first station; Mann scored, but Hall was caught out at the third sack. Linville ended the gloomy inning by knocking a grounder to Craig which was as good as suicide, as the fast first sacker caught him easily. Although with several good chances after this the Glenwood boys were unable to get by with any more runs. In the eighth inning the big show was started as far as the locals were concerned, when Herold hit to left garden for two bags and was advanced by Mason with a sacrifice to-third, which Pete secured, while Mason was thrown out at the initial station. Greko then laid against one of Brother Herold's slants and placed it safely over second, bringing in Pete with the needed score to tie up the game, but Bobbie was tagged out at second when Pitman hit to the shortstop. C. Smith, who had been substituted for Lague Smith in the sixth, was caught at the second station on a steal. With the score tied when the Sox came to bat in the ninth the crowd was wild with enthusiasm and the grandstand and bleachers rocked with the cheers of the admirers of the Sox and the cheers were well deserved, for right here was where the Sox won the game. Craig was the first up and was walked by Hall, which later proved his undoing, as Beal, who followed, advanced him to third by a rap over third, and after Peter Herold had slammed one over the third sack Craig came home with the score that spelled defeat for Glenwood and earned a well deserved victory for the locals. It might not be amiss to remark that Herold has been the batting kid in the last few engagements and gathered to himself three hits yesterday, two of which were important in winning the game. The box score of the contest was as follows:

Table with columns for team (RED SOX, GLENWOOD), player, and runs, hits, errors (R, H, E). Includes players like Beal, Parriotti, Herold, Mason, Greko, Pitman, L. Smith, C. Smith, Parker, and Craig.

J. H. Norris and wife of near Holdrege, Neb., came in yesterday for a short visit with their old friends, Mr. and Mrs. Bennett Chriswiser. Mr. Norris resided for a great many years on a farm west of Murray and his old friends in this section of the county are well pleased to meet him. They will spend a few weeks here. Miss Stella Dolan of Columbus and Messrs. Warner Hamilton and Kenneth Norton of Omaha arrived this afternoon to be guests of Misses Gretchen and Marie Donnelly for a few days. M. Tritsch, refracting optician, at Gering & Co.'s Wednesday and Saturday evenings. Examination free. Dr. G. H. Gilmore and little son and daughter and Mr. and Mrs. J. A. Walker motored up from Murray this morning to attend the circus this afternoon.

by some of the locals, which interfered with the enjoyment and was really not justified, as the umpiring of Pitman was fair to both sides and the visitors done little disputing over the decision of the "ump." When the umpire is as square in his decisions as Mr. Pitman, and being from our own town, it looks rather bad for the locals to dispute his judgment on so many little matters. If there were rank rulings made by the umpire a team would be justified in kicking, but most of the boys recognize the fact that the present umpire is one of more than usual good judgment and fairness. Such actions hurt the game and does much to discourage the fans from attending.

BUSINESS GOOD WITH MARRIAGE DEPARTMENT OF CO. JUDGE

Saturday afternoon the office of County Judge Beeson greatly resembled the famous Gretna Green, with several couples of young people desiring to be joined in wedlock present. The fame of the judge must have spread beyond the broad confines of his home state, as those seeking the ceremony of matrimony came from quite a distance. The first to be united were Mr. Paul H. Osiek of St. Joseph, Missouri, and Miss May Andreasen of Stella, Neb. This party came to this city accompanied by Mrs. T. H. Hadgen and H. H. Warwick in an automobile, and as soon as the wedding was over departed for Stella. Walter Vernon of Kansas City, Missouri, and Miss Louise Alden of Olathe, Colorado, arrived in the city Saturday afternoon at 4 o'clock and at once sought the court house, where they secured a license and were united in marriage by the judge, and returned to Omaha on the evening train and will doubtless have a warm spot in their hearts for Plattsmouth, the scene of their great happiness.

LAST SATURDAY'S ENTERTAINMENT A GRATIFYING SUCCESS

The free entertainment Saturday afternoon was one of the most successful that has been given so far this year by the entertainment committee and the large crowd in attendance felt well repaid for their trouble in being present. The Burlington band, under the direction of Prof. E. H. Schulhof, gave a splendid concert at Fourth and Main streets, which was enjoyed by several hundred persons, and one of the most difficult and artistic programs of the season was given and thoroughly appreciated by the music-lovers in attendance. At the close of the concert the team of Adolph and Raymond, comic acrobatic artists, gave a pleasing performance and their act was received with marked favor by the entire audience on the streets, and in response to a request these gentlemen have agreed to return in two weeks for a three nights' engagement at the Air Dome, when they will present three new and novel acts. The weather being so fine kept a great many farmers from attending, but late in the afternoon a large number were able to get in to witness the second free act of Messrs. Adolph and Raymond.

Advertisement for C. E. Wescott's Sons, featuring 6 pairs men's dress hose for 60c, guaranteed against holes till next February—1916. How's that? All sizes 9 1/2 to 11 1/2, black, tan, grey and blue. NEW TIES EVERY WEEK. C. E. Wescott's Sons. Everybody's Store. Manhattan Shirts now at reduced prices.

WARNING TO PARENTS WHO ALLOW CHILDREN TO RUN SUCH RISKS

For some time children going out Chicago avenue have been in the habit of running along and dodging the automobiles which are going and coming along that thoroughfare, and last evening one little girl came near meeting her death as the result of this practice. The girl, in company with a number of other children of from 6 to 10 years of age, were driving several cows down the avenue and also playing along by seeing how close they could come to the automobiles traveling along the avenue, and as one car was coming in the driver was compelled to turn out for a buggy and just as the little girl ran across the road in front of the machine. It was only a miracle that the child was not killed or badly injured, as the car only missed her by a few inches. Parents who have children in the habit of making this thoroughfare a playground should take the matter in hand and see that they do not attempt to play tag with the passing autos, or sooner or later an accident will occur that will cause them great anguish and grief. From the statements of those who were near the scene the driver of the car was not in the least to blame for the narrow escape of the child, as he was running at a very low rate of speed when the child dashed in the way of the car.

ALBERT HALL IS WANTED BY HIS PARENTS AT GLENWOOD

Sheriff Quinton was notified yesterday that a young man named Albert Hall, of Glenwood, had come over to this city and it was desired by his parents that he be returned home, as they desired that he join his military company, which leaves for the summer camp of instruction near Des Moines. The young man is described as being 19 years old, and well built and when last seen wore a brown coat with blue serge trousers. His parents are very desirous of having their son return home and go out with the militia boys to the camp, and for this reason requested the sheriff to attempt and locate the young man. So far he has not been seen and may have returned to Glenwood on his own account.

WHAT SEEMS TO BE AN ATTEMPTED BURGLARY

Last night Officer Alvin Jones discovered what seems to have been an attempt to break into the store of H. M. Soennichsen, but the lucky appearance of the acting chief put the parties to flight before they had accomplished their purpose. As he was near the alleyway on Fourth street he heard a noise as if a screen door had been slammed and started up the alley to investigate, and as he did so someone started to run up the alley, and although the officer fired in the direction of the fleeing would-be robbers they continued on their way.
