

F. FISHER, A TRAMP, STRUCK BY TRAIN AND BADLY INJURED

This morning the section boss of the Burlington, while starting out on his work on the tracks north of La Platte about 7 o'clock, made the discovery of a man, who was badly injured, lying along side the tracks about a mile north of the La Platte station. The man was injured and crushed in a terrible manner and stated that his name was Frank Fisher and gave his home as Chicago and said that he had been struck by a train shortly after 9 o'clock and had lain all night in his terrible condition as he was unable to secure help although calling for it as loudly as possible.

Dr. J. S. Livingston, the Burlington surgeon here, was called to La Platte and, on reaching the scene of the accident, found that the man had received a mashed hip and his right leg was broken between the knee and ankle and his right arm fractured in two places, in the forearm and also above the elbow, as well as his right collar bone fractured. The injured man was taken into Omaha to the hospital and the chances of his recovery are very slight, as his injuries are so severe. He stated he had been in Lincoln and was walking into Omaha but this seems doubtful and it is thought that he probably fell from the moving train and was injured.

NOW BEGINS THE AGITATION OF FOOT BALL TEAM

The cool weather, with its foretaste of fall, has caused the discussion of the reformation of a foot ball team for the coming season, and the boys who formed the bulwark of the team last season will soon begin to get busy and to fully get organized and started, and a meeting will be held tomorrow evening at 8 o'clock at the office of Fred Dawson on South Sixth street to prepare plans and get an organization under way to represent this city on the gridiron this fall. There is plenty of good material in the city for a rattling good team and the boys should get busy and secure an early start in order to be ready for the opening of the season.

THE EAGLES' PICNIC BIG SUCCESS SUNDAY

Notwithstanding the Chilly Weather a Large Crowd Was Present and a Good Time Enjoyed.

Despite the fact that the weather was cold and rather discouraging for an event of its kind, the picnic of the Eagles yesterday afternoon at the C. F. Vallery home was one which was largely attended and a good time was enjoyed throughout the afternoon and evening by the members of the order, their families and friends. The farm of Mr. Vallery made an ideal spot for this kind of entertainment and beneath the shade of the trees the picnickers enjoyed themselves hugely and a most delightful time was the verdict of those attending.

The committee of the lodge which had charge of the affair had spared no pains to make the event a most pleasant one and their efforts were crowned with the greatest of success and from the noon hour until late in the evening automobiles were kept busy hauling the crowds to and from the grounds. A large dance platform had been erected at the grounds and here all afternoon and evening the lovers of dancing were kept busy tripping the light fantastic to the delightful music of the Plattsmouth orchestra, composed of Tom Svoboda, cornet; Peter Gradoville, piano; Frank Janda, violin; Fred Ledgway, trombone, and Clifford Burbredre, drums. This feature of the gathering was quite largely patronized and all manner of the new and old-fashioned dances were enjoyed, including several of the old-time square dances, which produced a great deal of enjoyment. Mr. Vallery assisted in seeing that the picnickers were well treated, and with the efforts of the committee made the affair a big success in every way that could be desired.

This annual event of the Eagles has become one of the most pleasing affairs that is held in this locality and everyone looks forward to it with the greatest of pleasure and had it not been that the day was so cool an enormous crowd would have been present, but as it was the attendance was quite large and everybody had a mighty good time.

The Clerk Guaranteed It.

"A customer came into my store the other day and said to one of my clerks, 'have you anything that will cure diarrhoea?' and my clerk went and got him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and said to him, 'if this does not cure you, I will not charge you a cent for it.' So he took it home and came back in a day or two and said he was cured," writes J. H. Berry & Co., Salt Creek, Va. Obtainable everywhere.
