# Will You Visit the Exposition this Autumn or Winter?

Thousands are going to California to see the marvelous exposition before the gates are closed December 31st. Many will make an autumn tour at these cheap rates, returning before winter, while many will leave before cold weather for the winter in Southern California, going via San Francisco. The final return limit of the Exposition tickets is December 31, 1915; those spending the winter in California should travel either on one way tickets, or there is available the first-class nine-months excursion ticket. The Burlington operates daily through sleepers to San Francisco and Los Angeles via the popular route trough Denver, Scenic Colorado and Salt Lake City.

Consult me if you expect to go this autumn. Let me make your through reservations early. Whether you go first to Los Angeles or to San Francisco, you have Burlington through sleeper service.

> Burlington through service California routes comprise a "See America" tour that includes the scenin the highly developed regions, the attractive cities of half the continent.
