CLARENCE STENNER AND SOPHIA STANDER ARE MARRIED

From Wednesday's Daily.

Last evening at the home of Mr. and Mrs. Ernest Stenner, in this city, occurred the marriage of Mr. Clarence Stenner and Miss Sophia Stander. The wedding was a very quiet one and was attended by only the immediate families of the contracting parties. The marriage rites were read by Rev. Harry G. McClusky of the First Presbyterian church at 7 o'clock, and the impressive ring service was used to consummate the happiness of these two worthy young people. After the close of the ceremony the bride and groom were taken to the Missouri Pacific station, where they departed on the 7:45 train to enjoy a short wedding trip before returning to this city, where they will make their future home.

Both of the contracting parties have been reared to manhood and womanhood in this city and they possess a vast number of warm friends, who will learn of their marriage with pleasure and trust that in the years to come they may find perfect happiness in their wedded life. The groom is a member of the firm of Stenner Brothers and has been associated with his brother in the greenhouse here, while the bride is a daughter of Mr. and Mrs. George Stander, one of the prosperous farmers residing northwest of this city, and is a young lady of a most charming personality.

VERY CLOSE CALL FROM A SERIOUS ACCIDENT

From Wednesday's Daily.

Last evening while Ed Mason was returning home from Glenwood in his auto with a number of the members of the ball team the party had a very close call from a serious accident just a short way east of Pacific Junction. One of the front tires of the car had been fitted with the chains for the muddy roads and this coming loose caught on the fender and caused the car to swing to one side and almost into a deep ditch before the car was stopped, and one of the party who had become alarmed over the incident and fearing that the car was going to turn over in the ditch jumped out into the ditch and into about five feet of nice muddy water, and this was the only loss experienced by the party, as the car was started out and the trip made on to this city without any further difficulty.

From Wednesday's Daily.

This morning R. K. Nickels arrived from Excelsior Springs, Missouri, where he has been with his son, A. F. Nickels, who is there taking treatment for rheumatism, from which he has been a great sufferer for the past year and a half. The treatment at the Springs seems to have greatly benefited A. F. and he will remain there for some time in the hopes that the waters will have a curative effect on his malady. His friends throughout the county will be pleased to learn that he is doing so nicely and trust that he may continue to improve.

WHAT IMPERIAL PEOPLE THINK OF THE CASS EXCURSIONISTS

From Wednesday's Daily.

The following taken from the Imperial Republican of August 27th, speaking of the excursion of W. E. Rosencrans and the general character of the crops in that section, has the following to say:

Len Bonner and W. E. Rosencrans arrived here Tuesday from Plattsmouth with a special Pullman carload of twenty-nine representative men of Plattsmouth and Cass county to look the country over and see how they liked it. It would have been hard to find a more enlightened and progressive bunch of fellows than were here and they liked the country and the bountiful crops they saw very much. They were shown over the county in nine automobiles and all parts of it were visited, giving them a general idea of the country and its possibilities. The party returned on Thursday, Messrs. Bonner and Rosencrans are to be congratulated for their pluck and energy in bringing such a representative body of men to look over our country and it will do a great deal of good toward advertising and settling up the country. Success to them.

The Luhrs wheat fields are averaging about twenty-five bushels to the acre. The landseekers in the Bonner-Rosencrans expedition visited the scene of the threshing and were duly impressed with the fertility of Chase county's soil.

The next excursion of Messrs. Bonner & Rosencrans will leave this city on Sunday, September 12th, and will be a fine opportunity for the landseeker or anyone desiring a pleasant outing.

LITTLE GIRL FRACTURES HER ARM FOR THE THIRD TIME

From Tuesday's Daily.

Saturday afternoon at her home in Omaha, Janie, the little daughter of Mr. and Mrs. George B. Lehnhoff, suffered a fracture of her right arm in the same place where it was broken a few weeks ago while they were out automobiling just south of this city. The parents of the little girl had decided to motor to this city, and with Mr. Lehnhoff's mother and sister, drive on to Lincoln, and Janie had decided to remain in Omaha with her aunt, Mrs. Sage, and here she was playing when the accident occurred, as she fell while running through the yard and the arm, still tender from its previous break, was again injured. As soon as the accident occurred Mrs. Sage called the parents of the injured child and they departed for the metropolis without having an opportunity of having their visit out. This makes the third accident that has befallen the little girl since last winter, and it is with regret that the friends of the family will learn of the accident.

W. C. T. U. HOLD AN INTERESTING MEETING AND ELECT OFFICERS

From Tuesday's Daily.

The W. C. T. U. held a most delightful meeting yesterday afternoon at the home of Mrs. Charles Troop on Chicago avenue. It was a very largely attended meeting and one of the best that has been held for some time. The annual election of officers was held at this time and the following were elected: Mrs. M. S. Briggs, president; Mrs. P. E. Ruffner, vice president; Mrs. Joe Wiles, secretary; Mrs. Charles Troop, treasurer. Mrs. Joe Wiles and Mrs. Charles Troop were also elected delegates to the W. C. T. U. county convention, which will be held at Weeping Water in a few weeks. After the election of officers and delegates and all business matters had been attended to, a silver medal contest was held, in which Mildred Drulliner, Leona Rummerfeld, Fain Rummerfeld and Hazel Covert participated; Leona Rummerfeld receiving the most points on her recitation, was awarded the silver medal. While the judges were deciding the important question as to whom should receive the medal, Gladys Elliott gave the recitation with which she had won a silver medal last winter. Mrs. C. E. Wescott of Los Angeles, California, who is visiting her many relatives and friends in this city, and who was present at this meeting, then awarded the medal to the lucky little girl. Mrs. Wescott then told in most interesting manner of the work that is being done by the W. C. T. U. at Los Angeles, and in the state of California. Then little Miss Vesta Rummerfeld gave a recitation and a pleasing vocal selection, which closed the program, all of which was very much enjoyed by those in attendance. For the occasion the parlors of the Troop home had been made very attractive with many bouquets of beautiful garden flowers. Just prior to the close of this most enjoyable meeting light refreshments were served.

NEBRASKA CITY TOUGHS GET INTO BAD BUSINESS

From Wednesday's Daily.

Last evening a party of young men who stated they were from Nebraska City, and who were evidently under the sway of J. Gambirinus, arrived in this city and attempted to impress upon the benighted residents of this place that they were pretty tough and would do things to anyone that interfered with them, and the language the party used was such as to bring the flush of shame to the most hardened old sailor, and it resulted in the four young men getting in touch with Chief Barclay, who was compelled to shut up part of the visitors in the village lockup until time for the midnight Missouri Pacific, when they hastened on their way homeward, decidedly cooled in ardour from their warlike disposition and loud talking.

An Everyday Necessity.

In order to keep in good health, a perfect digestion and a thorough cleaning-out of the body is an everyday necessity. As soon as we neglect it, different disturbances will follow. Constipation will usually attack us first. It will make us peevish and will give us headaches, loss of appetite, even vertigo. The tongue will be coated, the breath will become offensive, there will be a bad taste in the mouth. We should at once use Triner's American Elixir of Bitter Wine. At the start a good dose should be taken, always on an empty stomach. This dose must be adhered to until the stools are normal, after which a smaller dose should be taken, and so on, until no more medicine is needed. Price \$1.00. At drug stores. Jos. Triner, Manufacturer, 1333-1339 S. Ashland Ave., Chicago.

In swellings, sprains and other painful accidents, rub the parts affected with Triner's Liniment. It will relieve you quickly. Price 25c and 50c, postpaid 35c and 60c.
