GEDAR CREEK BALL TEAM HERE ON NEXT SUNDAY

Manager Wolf of the Cedar Creek base ball team has secured a contract with Manager Johnson of the Red Sox for his team to appear here next Sunday and try out with the redoubtable Red Sox, and the boys from our neighboring town have given assurance to the Sox that they will be here with bells on in the way of a team and give the Hose a run for their money in the contest. The Sox, however, will do their utmost to add another win to their record and add this team to their list. Cedar Creek has played some very good games and was defeated in a fifteen-inning game with Nehawka last Sunday by a score of 6 to 5, in which the Nehawka pitcher, Loberg, mowed down twenty-one of the Cedar Creek boys with strikeouts.

Will Hold Open Air Meetings.

These meetings will be undenominational and will begin at 7:30 each evening. Mr. Dowell and family have just completed a ten days' series of meetings at Verdon, Neb., which were most successful. During the past few days they have been at Nebraska City, and their meetings there have been very successful. In speaking of Mr. Dowell the Nebraska City News says "that Mr. Dowell is a fluent talker, very forcible in his arguments and a good singer." The public is invited to these meetings.

PLATTSMOUTH BALL BOYS UNLUCKY AT THE TOURNAMENT

The Glenwood base ball tournament seems to have been a rather decidedly unlucky one for the team representing this city, as they were overwhelmed yesterday by the Glenwood team by a score of 8 to 1. The game was a good one up to the fifth inning, as the score was a tie, 1 to 1, but after that the Iowans secured a great many runs that spelled defeat for the locals. Mason was the mound artist for the local team, and while effective in the opening innings, was touched up quite lively in the last stages of the game, which with several errors and the work of the umpire combined to make the road a rough one for our sterling athletes.

The Red Oak-Tabor game yesterday forenoon was forced to a draw, as the rain at noon stopped the playing, and these two fast organizations will be compelled to lock horns again. Red Oak will play the Plattsmouth team today, while Tabor will take on Glenwood, and some excitement is looked for when the two Iowa cities tangle, as the followers of the tournament have Red Oak and Tabor picked for the final winners.

This morning, in the game between Red Oak and Plattsmouth, the Red Oak team captured the honors by a score of 5 to 3. Vern Long done the pitching for the Plattsmouth team. This closes the tournament as far as Plattsmouth is concerned.

SPECIAL TRAIN NOT VERY WELL PATRONIZED TODAY

The special trains that have been operating over the Burlington from this city to the state fair grounds in Lincoln during the last two days, have not been patronized as liberally from this city and vicinity as in the past few years, and this morning was the only really good day that was enjoyed by the railroad, as a goodly number were ticketed over it today bound fairward. The train, however, secures quite a number along the way out to the fair, as it makes all the towns on the Ashland-Plattsmouth branch line. The great number of automobiles owned in the county have caused a great many to make the trip to the fair in this manner, while the rainy weather has served to keep others from going.

"DOC" HOTTER THAN HAYDES BECAUSE THE BOARDS WERE MOVED

Yesterday afternoon Howard M. Young, the veteran bill poster, had a most trying experience while out looking after the advertising of the Ringling Brothers circus. "Doc" started out to post up the billboard that formerly stood near the George Kroehler property on West Locust street, and carried his full equipment of paper, brushes and paste to the scene of action, expecting to put up the glittering advertising of the show, and after the walk of twenty blocks, more or less, found on his arrival that the billboard was not there, as someone had moved it without his knowledge, and only a vacant space marked where once the billboard had reared in majestic glory. What was said when the discovery of the moving of the board was made will forever remain a deep mystery, but "Doc" was still mighty sore when he arrived back in town with his equipment and the air in the neighborhood of where the billboard formerly stood was of a decidedly blue tint. "Doc" says he does not mind the walk, but would like to discover who moved the board without his knowledge.

ANOTHER EXCURSION TO CHASE COUNTY FOR LANDSEEKERS

On Sunday evening, September 12th, Messrs. Rosencrans & Bonner will depart with another excursion for Chase county, Nebraska, which will be composed of a large number from this county and the surrounding towns. The party will leave here at 7:45 over the Missouri Pacific for Omaha, where they will transfer to their private car for the trip to Imperial, the county seat of Chase county. Here the sight-seers will be taken over the county in automobiles and be shown the land and farms of that county. The time for the trip will be three days and will be at an expense of only \$16, which includes car fare, sleeper privileges and hotel bills and meals and will be well worth taking up by those who can spare the time and the money necessary, and will give them a splendid outing and an opportunity of seeing the land in that section of the state. Those who were with the first excursion party were delighted with their trip and the chance is one that cannot be well passed up if you have the time and the money to take it up.

This was due to autos refusing to go and horses turning summersaults in the ditch.
