In its present condition that road will require oft repeated shoveling when snow flies. Make the grade while the sun shines.

Library Notes.

The library association held its regular meeting Tuesday evening, and it being the election of officers, more interest was manifested than ever before. Mrs. G. M. Minford was elected president; Mrs. H. C. Long, vice president; Pauline Oldham, secretary, and O. A. Davis, treasurer.

On account of the school children, Mrs. Royal, the librarian, will open the library Wednesdays from 4 to 5 in the afternoons.

A ruling was made that a reader by the month was a member just the same as a yearly member, and would be expected to help maintain the library expenses.

The dinner and supper Friday was well attended and added quite a large amount to the treasury.

New books will be ordered in a few weeks.

The Library association is looking forward to a prosperous year under the management of Mrs. Minford and Mrs. Long, and feel very grateful to L. K. Kniss for his splendid work during the past year.

A Halloween dinner and supper is planned for October 23.

Mrs. Mary Davis and son, Searl, of Lincoln, were in attendance at the library dinner.

Celebrates Eighty-third Birthday.

The country home of Mrs. Harrison Smith was the scene of a pleasant social gathering Monday, October 4th, the event being in honor of Mrs. Smith's eighty-third birthday. The neighbors and friends planned the affair and at the noon hour a bounteous dinner was served. During the afternoon the guests were treated to some splendid piano selections by Mrs. Hendricks. Old-folk songs and hymns were sung and a general good time was had by all present, especially "Grandma," who deeply appreciated the esteem and loving remembrances of these friends on this occasion. All departed wishing her many happy returns of the day and many more happy birthdays. Those present were: Mesdames W. T. Hutcheson, Will Oliver, Jr., John Hendricks, William Wiley, George Parks, Ivan White, Mark White, Charles Creamer, Charles Wolfe, George Smith, Arthur Sullivan, S. D. Fitchhorn, Joseph Sans, C. Goehenour, S. Goehenour, William Gilmour, W. A. Taylor and the hostess, Mrs. Smith.

Pay for Tickets. All those that owe for tickets to the Lecture Course this winter are requested to call at the Murray State Bank and pay for them just as soon as possible, as the money is needed in carrying on the course at this time.

For Sale. A few extra good March Duroc males.

Mrs. Alix spent Monday in Omaha.

Miss Hannah Hanson left for Nebraska City Thursday.

Miss Addie J. Stokes has been sewing at the Davis home this week.

Mr. and Mrs. J. D. Kelsay of Farragut, Iowa, autored from that place to spend Saturday and Sunday with Mr. and Mrs. Henry Long.

Friday morning is "story morning" in the grammar room. Last Friday the primary room joined and Friday's story, "Pussy Whitefoots' Vacation," was told by Frank Marsh, and he received hearty applause.

Do you know this is the season to figure with us on John Deere Corn Elevators and Manure Spreaders

We handle the famous John Deere Low Down Manure Spreader—the best on the market.

Round Oak Heaters, Monarch Base Burners —THE BEST IN THE WORLD!

Vacuum Furnaces

Murray Implement and Hardware

Murray, Company. Nebraska

Puls & Gansemer

are still endeavoring to carry everything that you need today or will need tomorrow in the line of Dry Goods and Groceries. We want you business, and realizing that by keeping the lines of goods that you will need today or in the future, is one chance in our favor of securing your business. We are buying goods to suit you, not ourselves, and if you will only let us know what you want we will be in a better position to please you, should we not have the article in stock.

Let us know your wants and we believe that we will be able to prove to you that we are a money-saving station in Murray for you. When those wants are in our line we want to talk to you.

Puls & Gansemer,

Murray, Nebraska.

NOTICE TO CREDITORS

Having disposed of my blacksmith shop in Murray, I am very desirous of closing up all my accounts, and in order to do so must call upon all those knowing themselves indebted to me to call and settle same at once. Your early attention to this matter will be greatly appreciated by me. James Loughridge.

Installs Oxygen Welding Plant.

L. H. Puls has just installed at his new garage an Oxygen welding plant that will prove of great value to the automobile owners and farmers in caring for their repairs in this line, and means a great saving to them, as the new plant will be able to take care of all kinds of welding, no matter of what nature, and he has secured the services of an expert in this line of work, who will look after the needs of the people of Murray and vicinity. Keep your old gears and have them repaired at the Puls garage and save money by this means, and the best of work and satisfaction is assured. All kinds of farm machinery will also be looked after by the firm and it will result in the saving of many dollars to those who take their repairing to the Puls garage and repair shop.

Remember the dance at Puls & Gansemer's hall on Saturday evening, October 9th. All are invited.

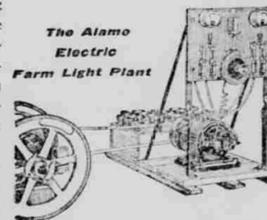

A want ad in the Journal will bring results.

The ALAMO Farm Light Plant!

No matter where you live or to what ordinary use you desire to put electricity, the most efficient, economical and satisfactory equipment is the ALAMO ELECTRIC FARM LIGHT PLANT. It is built for lighting farm buildings, suburban residences, churches or lodge halls or furnishing power where all work is needed.

The Alamo Electric Light Plant brings to the farmer the same convenience of electricity enjoyed in the city. It makes the home life more pleasant and the farm chores easier.

The Alamo is the product of eight years of successful isolated light plant manufacture. Have you describe in detail the construction of the Alamo Electric Farm Light Plant and its many advantages—showing the plant now installed in our building—showing the plant, displaying the fixtures and accessories with which you may equip your plant and beautify your home.

promised yourself that you would do away with antiquated lighting methods at the earliest opportunity? Then your problem is solved. The Alamo Electric Farm Light Plant is your longed-for opportunity.

Let us talk to you today, and call at our garage in Murray, and let us describe in detail the construction of the Alamo Electric Farm Light Plant and its many advantages—showing the plant now installed in our building—showing the plant, displaying the fixtures and accessories with which you may equip your plant and beautify your home.

COME IN AND LET US TALK TO YOU TODAY.
