A change was made in the management of the store of Dovey & Son at Plattsmouth, Neb., last week, when George H. Falter took charge. ROY SPANGLER GOES TO SIOUX CITY FOR X-RAY TREATMENT

Mr. and Mrs. John H. Spangler of Merville, Iowa, passed through this city last Wednesday on their way to the home of their son, Roy Spangler and family, near Murray, for a short visit. On Friday they accompanied their son, Roy, to Sioux City, Iowa, where he entered the Presbyterian hospital in that city and submitted to an X-ray examination. Mr. Roy Spangler met with an accident about a year ago in which his spine was injured, and it has been troubling him ever since and he has not been able to get any relief. It was thought by submitting to this X-ray examination the injury might be located and remedied. Mr. and Mrs. John H. Spangler returned from Sioux City Saturday afternoon and report their son, Roy, as resting much easier and feeling much better. While here Mr. John Spangler took time to call at this office and have his subscription to this paper extended for another year.

THE FOOT BALL ENTHUSIAST SHOULD GET IN THE LIMELIGHT

With the base ball season finished and numbered among the things of the past, the foot ball team should get busy and once again thrill the lovers of this sport by their work on the gridiron. There is nothing that is more interesting than a good foot ball game and the Plattsmouth team has plenty of good material to draw from in securing a fast organization that should be able to get away with almost any of the smaller town teams. A number of the veterans of the past two seasons will be back on the job and aid in working up the teams fastness and speed in handling themselves. The lateness of the season will only allow of a few games between now and Thanksgiving and it behooves the members of the team to get busy.

A HEAD OF CABBAGE THAT WEIGHS NINETEEN POUNDS

This morning Mrs. Mark Iles brought into the Journal office a head of cabbage that was simply so big that its dimensions seemed almost impossible, and two or three of them would make a good supply of kraut for an ordinary family. The head weighed nineteen pounds and was nice and solid and in perfect condition in every respect, and certainly "some cabbage." Mrs. Iles states that she has a tract of land about as large as a city block and on this has raised some twenty dollars' worth of cabbage already, with still a large number of heads on hand to market. It has taken some care to develop the cabbage, and the result has certainly been one to be proud of.

Will Trade or Sell Store.

The Fanger Department Store Retiring Sale is moving along in full blast, but Mr. Fanger will still trade the stock in whole for Cass county land, stopping this slaughter sale at once, should a buyer be found on these terms. The building, fixtures and all will be traded at a good figure, or a one-half interest would be traded to a good young man that could take charge of the business. The property has been a good one for Mr. Fanger, and he would be more than pleased to retain a half interest should a suitable young man be found to take charge and buy the other half. Should you desire to talk trade, see Mr. Fanger now.

Cyril Kalina departed this morning for Omaha to spend the day looking after some matters of importance before returning to his home at David City.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, etc. Take Hall's Family Pills for constipation.
