John Lohnes in Town.

John Lohnes, one of the worthy German farmers from the vicinity of Louisville, was in the city today for a few hours visiting with old friends and taking in the sights and took the opportunity of calling at the Journal editorial rooms for a short visit. We were delighted to meet "Uncle John" and assure him that the latch string is always out when he is in this city. Mr. Lohnes is one of the dyed-in-the-wool democrats of his section of the county.

ENLARGED PHOTOGRAPHIC WORK THAT IS VERY FINE

E. J. Weyrich, of the firm of Weyrich & Hadraba, the druggists, has a collection of photographic enlargements at the store that certainly are one to be proud of, as they are all the work of Mr. Weyrich himself and stands as a splendid advertisement of what can be secured in the way of the photographic work by the amateur. The collection is one that is of great interest, as they are mostly of local subjects, and to those who have been "snapped" by Mr. Weyrich at some time the pictures tell the story of many very pleasant events and are well worth looking over. There are twenty-four pictures now on exhibition and he is constantly adding to the collection and they stand as a worthy representation of the possibilities of the work of the camera.

Another treat is in store for the lovers of high-class amusement tomorrow evening, when the *Empress Advance Vaudeville* makes its weekly visit to this city with a bill of exceptionally strong character. It is seldom that a small circuit such as the *Empress* people have is able to secure such sterling attractions, and on their visits here they have given the best of satisfaction. Tomorrow night their program includes *Jarvis & Harrison*, in their original sketch, "The Man, the A-M-I and the Bench;" *Joe Daniels*, the eccentric comedian; *Gardener's Maniacs* in a physical culture surprise, and *Allen's original Cheyenne minstrels* in a most pleasing and interesting sketch, "A Cowboy's Life at Twilight," in which they will introduce a number of high-class musical number and some refined comedy. The bill from start to finish is a strong one and well worth seeing if the patrons really desire high-class shows of this type. The low prices make it such that all can attend.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
